En Vogue - Don't Let Go (Love) Lyrics | Genius Lyrics Don't Let Go is the latest stand alone by crime writer Harlan It is the story of Nap (short for Napoleon) Dumas whose TWIN brother was found dead on the town's train tracks along with the brother's girlfriend. Nap's girlfriend

mysteriously disappeared after this and so the story begins. Coben is a good writer. Don't Let Go by Harlan Coben - Goodreads The plot of Don't Let Go was very intriguing to me; it is set in a small town where not much has happened since the tragic events of 15 years ago, when Nap's twin brother, Leo, and Leo's girlfriend, Diana, killed themselves. Nap's girlfriend, Maura, also disappeared and has not been seen or heard from since. It seems to me that Coben had a story outline about a tragedy which would have made a good 125 page novella and turned that into a manipulative, clunky "suspense" novel.
