What would you be willing to give up to experience the presence of God in your life again? Many of us sign up for a physical detox program, thinking that if our bodies are healthier, then we're healthier. But a healthy body doesn't do us a lot of good if we are spiritually malnourished. Welcome to the 40-Day Sugar Fast, a fast that begins with us giving Jesus our sugar and ends with Jesus giving us more of himself--the only thing that can ever truly satisfy our soul's deep hunger. On this 40-day journey you'll learn

how to stop fixating on food and other things you use to fill the voids in life and instead fix your eyes on Christ. Anyone who runs to sugar for comfort or a reward, who eats mindlessly or out of boredom, who feels physically and spiritually lethargic, or who struggles with self-control will discover here not only freedom from their cravings but an entirely new appetite for the good things God has for us.

Physical health influences spiritual and emotional health as well as the ability to minister effectively. As Ellen White said so succinctly: "The misuse of our physical powers shortens the period of time in which our lives can be used for the glory of God. And it unfits us to accomplish the work God has given us to do" (Christ's Object Lessons, p. 346). In this volume Dennis Smith invites you to spend 40 days continuing the work God has given you while exploring a holistic view of health, the importance of caring for mind, body, and soul, and the integral role of the health message during these last days of earth's history.

Although communicating with our Creator through prayer is innate, the effective practice of it often feels just beyond our reach. This unique book guides you to pray in deeper and more authentic ways. The short prayers and thought-provoking imagery, interspersed with contemplative reflections and suggested practices, will stir, inform, and encourage you. The

simplicity of the prayers and the aesthetic appeal of the images will inspire people in every facet of life, including those with no real religious background at all.

40 Days of Intentional Living Thomas Nelson

Cultivate intentional faith practices with this 40-day guided journal that features thoughtful reflections from well-known Christian authors, inspirational quotes, and beautiful illustrations designed to set your mind and soul at rest. The practice of developing intentional faith habits is not a natural tendency. It requires focus, discipline, prayer, and persistence to grow in our walk with God. We may have great intentions, but often the busyness and chaos of everyday life force our spiritual growth to take a back seat. Fortunately, 40 Days of Intentional Living offers both a practical guide and an inspiring resource to deepening your faith. Divided into eight themes central to the Christian faith—such as hope, joy, surrender, and rest—these 40 devotions draw from the writings of a number of bestselling and beloved authors of faith, including C.S. Lewis, Dietrich Bonhoeffer, Martin Luther King Jr., Louie Giglio, Jennie Allen, Mark Batterson, Brennan Manning, Randy Alcorn, and more. Partnered with daily Scripture reading, thought-provoking journal prompts, and practical action steps to encourage you toward a more intentional faith lifestyle, this 40-day resource is the ideal companion for walking through the seasons of Lent and Advent, as well as for use in personal or group study.

An honest, soul-searching pursuit of biblical answers to one of Christianity's most challenging questions: What do you do when God meets your prayers with silence? Many of us have struggled with prayers that seem to go unanswered, and Pete Greig has been down that difficult road of doubt. This book is both intensely personal and deeply theological—a book born out of his wife Sammy's fight for her life after a horrifying diagnosis. The acclaimed author of *Red Moon Rising* wrestles with the hard side of prayer, how to respond when there seem to be no answers, and how to cope with those who seek to interpret our experience for us. For those struggling with prayer, *God on Mute* brings a message of hope and comfort, but also a better understanding of how we communicate with our Creator. Using the timeline of Holy

Week (from Maundy Thursday through Easter Sunday) as a template, Greig explores four main questions about prayer from all angles: How am I going to get through this? Why aren't my prayers being answered? Where is God when he seems silent? When every prayer is answered...what does that mean? Silence in response to our most heart-felt prayers is the hardest thing for a person of faith to wrestle with. The world collapses. Then all goes quiet. Words can't explain what we're going through. People avoid you and don't know what to say. So you turn to Him and you pray. You need Him more than ever before. But somehow even God Himself seems on mute. And this sinks into us with a sense of futility... But even in this crushing silence, there is a way forward. Here is a story of faith, hope, and love beyond all understanding. Includes guide for group discussion.

As a result of his passion for helping people, Kit created and authored The Power of Peace Project, a program which is bringing reconciliation and peace to inmates, rival gang members and opposing factions inside some of the toughest maximum security prisons, and is now spreading to prisons and inner city schools across the nation. Kit also recently launched The Power of Peace Productions, Inc. and partnered with The Catalyst TV Network. Kit serves as an instructor with the Georgia Department of Corrections; a teacher for The Atlanta Mission; an advisor to Project KARMA, an organization devoted to youth gang intervention; as well as serving on the advisory board with HOPE worldwide Atlanta, an organization devoted to helping those in need... Kit spreads much needed, life-changing good news to the corporate world, the prisons, the schools and the streets. In this

book, Kit takes you on another forty-day journey, and this time we will seek spiritual breakthrough together with seven new steps that lead us to look for God's answers on a daily basis. Many people pray. Many people even pray daily. And some pray daily and really cry out to God. Why then, are so many "church folks" so stressed, worried and fearful? Why are so many Christians filled with doubt and dread, when they are consistently praying to God? Kit believes that the answer lies in focus and attention--or lack thereof. He believes people are sincere and that they really want help. But he also believes that they have fallen into the trap of seeing things the same old way, after years of thinking the same old way, and they are now unable to see God's answers right in front of them. This new project is about opening our eyes and adjusting our lens, so that we can see our glorious God doing his powerful work every day.

Prayer: Forty Days of Practice Review and Herald Pub Assoc

We believe we pray because we are human, not because we are religious. Religious tradition can and often does provide language, shape and space for prayer, but the primal instinct to pray does not emanate from or begin with religion. Instead, something in our nature points beyond itself; something in us searches for and appeals to The Divine. We wrote this book to help you find language, shape and space for the basic, human,

spiritual and beautiful need to pray. Yet, as natural as prayer is, the practice of it often seems to take place behind closed doors in exclusive clubs with language and imagery exclusive to that club. We have created a work that provides language and imagery accessible to people from a multitude of religious backgrounds as well as for those with no real religious background at all. - Justin McRoberts has written 40 guided prayers. - Scott Erickson has paired each prayer with beautiful, contemplative imagery. - Each of the book's seven sections is capped by reflections on the practice of prayer and each of those reflections points toward specific, suggested practices.
