 Can digital games help us understand real life religion? With World Youth Day: Religious Interaction at a Catholic Festival, Skjoldli suggests that they can. The change is particularly visible from Skjoldli's new theoretical framework religious interaction, which draws on digital game studies. The framework centers on three key terms—interaction, interface, and immersion. Interaction constitutes the core of the stipulative definition of religion operative in this framework: interaction with culturally postulated superhuman persons. Interface represents the means by which interaction takes place. When interaction becomes emotionally charged, immersion takes place—whether it happens in religious contexts, gaming contexts, or other human activities like watching sports, reading books, playing instruments, listening and/or dancing to music. Religious immersion, Skjoldli suggests, is helpful for understanding—and making intelligible—the emotional charge of human-superhuman relationships, the power and vulnerability of the religious interfaces that enable them, the significance of emotionally charged experiences they afford, and the vexation expressed when interactions are frustrated by distraction, distortion, or destruction. In this book, Skjoldli employs her religious interaction framework in an analysis of how the Catholic festival World Youth Day (WYD) changed the meaning of pilgrimage in Catholicism. WYD emerged from a ritual, historical, and cultural context abundant associations to pilgrimage as the term is conventionally understood by scholars. WYDs are also consistently called pilgrimages, even when the host locations are not officially sanctioned as such. A substantive investment for the Catholic Church centrally, locally, and for the local event organizers, each WYD draws hundreds of thousands to millions of young Catholics from around the world. The pope always participates by giving speeches and leading some of the ceremonies. WYD is persistently referred to as a pilgrimage, and Skjoldli analyzes what pilgrimage has meant, what it means now, and how it changed in the context of WYD.

According to this book, the United States is currently in a moment of crisis, fomented by anxieties around race and gender politics. Unlike fear, which is usually focused on a particular object, anxiety is indeterminate and uncertain. It is also the emotion that led to the election and continued support of President Trump. But Caron Gentry says that we can deal with this anxiety in a productive way. To do so, she turns to Reinhold Niebuhr, whose philosophy of Christian realism has been an abiding influence on foreign policy since the Cold War. According to Niebuhr "Man's capacity for justice makes democracy possible; but man's inclination to injustice makes democracy necessary." Anxiety is

central to Niebuhr's ideas: an emotion that is abiding because we lack control over the circumstances of our lives. In turn, anxiety prompts a desire for unity, but also an intolerance for difference. Niebuhr suggests that anxiety can be dealt with destructively or creatively, and that power must be balanced to prevent destructive action. Gentry is critical of Niebuhr, saying that he gives in to destructive tendencies in humans by elevating power above other, more creative solutions. In *This American Moment*, she offers feminist Christian realism as an alternate approach to anxiety in international politics. Gentry's feminist Christian realism differentiates itself from Niebuhr's Christian realism by re-engaging the importance of love and relationships over power. It suggests that we can arrive at creative solutions to anxiety through a conversation about the imago dei and the inherent commitments to community borne of one's relationship with God, including the recognition of obligation in the face of vulnerability. Throughout Gentry applies her ideas to the problems of police brutality, women's reproductive health, and the rise in fascist politics.

This annual is used to guide children in schools and religious education in a daily service of communal prayer that follows the pattern of the Church's Morning Prayer. It begins on Sunday, August 6, 2017 and goes through Friday, June 22, 2018. Scripture readings from the evangelist for the year have been selected to help children become familiar with important Scripture stories and themes. In addition there are prayers for before meals and at the end of the day, as well as prayer services for the liturgical seasons and special feasts, and reproducible prayer services for children to take home to their families to celebrate occasions when they are not in school.

"A cleareyed, accessible, and informative primer: vital reading for all Americans."—Kirkus Reviews, starred review Can the president launch a nuclear attack without congressional approval? Is it ever a crime to criticize the president? Can states legally resist a president's executive order? In today's fraught political climate, it often seems as if we must become constitutional law scholars just to understand the news from Washington, let alone make a responsible decision at the polls. The Oath and the Office is the book we need, right now and into the future, whether we are voting for or running to become president of the United States. Constitutional law scholar and political science professor Corey Brettschneider guides us through the Constitution and explains the powers—and limits—that it places on the presidency. From the document itself and from American history's most famous court cases, we learn why certain powers were granted to the presidency, how the Bill of Rights limits those powers, and what "we the people" can do to influence the nation's highest public office—including, if need be, removing the person in it. In these brief yet deeply researched chapters, we meet founding fathers such as James Madison and Alexander Hamilton, as well as key figures from historic cases such as *Brown v. Board of Education* and *Korematsu v. United States*. Brettschneider breathes new life into the articles and amendments that we once read about in high school civics class, but that have real impact on our lives today. The Oath and the Office offers a compact, comprehensive tour of the Constitution, and empowers all readers, voters, and future presidents with the knowledge and confidence to read and understand one of our nation's most important founding documents.

Reflections for Daily Prayer is a highly valued daily Bible companion based on the Common Worship Lectionary. Each day, Monday to Saturday, some of the very best writers from across

the Anglican tradition offer insightful, informed and inspiring reflections on one of the day's readings for Morning Prayer. Their reflections will appeal to anyone who values both the companionship of daily Bible notes and the structure of the Lectionary. For every day (excluding Sundays) of the 2016/17 church year, there are full references and a quotation from the day's set of Scripture readings, a concise but challenging commentary on the readings and a collect. In addition, the book includes a simple order for morning and night prayer, an introduction to the practice of daily prayer by Bishop John Pritchard and a guide to reading the Bible reflectively by Bishop Stephen Cottrell.

Moment by Moment I Pray Zondervan

Nearly all Christians would affirm the centrality of prayer for a healthy Christian life. And yet, for many, prayer is often a challenge, requiring intense personal commitment and self-discipline. However, as Megan Hill points out in *Praying Together*, our normal approach to prayer leaves out a crucial component: other people. While personal prayer is important, God designed the church to be a community of believers who regularly pray together. Exploring the Bible's rich teaching on what it means to gather at God's throne with one voice, Hill lays a theological foundation for corporate prayer and offers practical guidance for making it a reality—in our families, churches, and communities.

A Catholic Theological Framework for Animal Ethics Wm. B. Eerdmans Publishing

The book is the first of its kind to draw together in conversation the views of the early Church, contemporary biblical and theological scholarship, and post-conciliar teachings. Steck develops a comprehensive, Catholic theology of animals based on an in-depth exploration of Catholicism's fundamental doctrines—trinitarian theology, Christology, pneumatology, eschatology, and soteriology. All God's Animals makes two central claims. First, we can hope that God will include animals of the present age in the kingdom inaugurated by Christ. Second, because of this inclusion, our responses to animals should be guided by the values of the kingdom. As Christians await the final liberation of all creation, they are to be witnesses to God's kingdom by embodying its ideals in their relations with animal life. Because the kingdom's fullness is yet to come and because our world remains marked by the wounds of sin, however, Christian treatment of animals will at times require acts that are at odds with the kingdom's ideals (for example, those causing suffering and death). Steck examines each of these ideas and explores all of their complexities.

A call to prayer-plan and surrender the New Year to the Lord & Achieve what truly matters Every New Year people make resolutions. Unfortunately, 95% of New Year resolutions don't get fulfilled. In fact, a survey shows that many forget their New Year resolutions after just 13 days. Mary Fairchild said, "Instead of making a New Year's resolution, consider committing to a biblical solution" In this book, you'll learn to take a different approach towards planning your New Year. Instead of listing out many things you want to do, you're going to learn to wait on the LORD and discover His path for you this year. It is only when we follow His path that we achieve what truly matters. Do you need a change in your marriage, business, career or relationship? Do you

need a new way to make money and grow your income? Do you want to overcome your weight problems and live healthier? Do you need God's intervention in your home, regarding the kids or your partner? Do you want to break the threat of death in your dreams and curses over your life? Don't worry, let's wait on the LORD and commit everything to Him. Then watch how your testimony is multiplied this year. The best thing you can do to take control of the New Year is to wait on the LORD in prayers and surrender all to HIM. Why? Because "they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint (Isaiah 40:31). God Has a Plan and Blessings for Every Year Que into His plans and receive His blessings for the year. In this book, I'll lead you to wait on the LORD with the WORD and declare His promises for 21 days and nights. As we do that, our lives will never remain the same. God will cause our joy to be full and our dreams fulfilled. And like a broken cell phone, DVD player, or TV remote, they throw prayer out as unnecessary "clutter" in their busy lives. Anne Graham Lotz has found that while prayer does work, sometimes the "prayers" don't. So she has turned to the prophet Daniel for help. The Daniel Prayer is born deep within your soul, erupts through your heart, and pours out on your lips, words created by and infused with the Spirit of God quivering with spiritual electricity. It's really not an everyday type of prayer. It's a prayer birthed under pressure. Heartache. Grief. Desperation. It can be triggered by a sudden revelation of hope. An answer to prayer, a promise freshly received, a miracle that lies just over the horizon. Join Anne in a thrilling discovery of prayer that really works. This book will help you pray effectively for your nation, for your families, and for yourself.

A historian's discerning, critical take on current American politics "Believe me" may be the most commonly used phrase in Donald Trump's lexicon. Whether about building a wall or protecting a Christian heritage, the refrain has been constant. And to the surprise of many, a good 80 percent of white evangelicals have believed Trump—at least enough to help propel him into the White House. Historian John Fea is not surprised, however—and in these pages he explains how we have arrived at this unprecedented moment in American politics. An evangelical Christian himself, Fea argues that the embrace of Donald Trump is the logical outcome of a long-standing evangelical approach to public life defined by the politics of fear, the pursuit of worldly power, and a nostalgic longing for an American past. As insightful as it is timely, Fea's *Believe Me* challenges Christians to replace fear with hope, the pursuit of power with humility, and nostalgia with history.

Prayer for your pastor can change your church, your pastor, and you! Church members need care, counsel, wisdom, and direction. And people outside the church need the gospel. These demands create unique pressures for every pastor. A pastor who says yes to all of the ministry needs often says no to a spouse and kids.

When pastors have a personal crisis, many pastors may feel alone and have few people to turn to for true support. How can you support your pastor? *31 Days of Prayer for Your Pastor* provides: Inspirational devotions designed around Spirit-empowered discipleship outcomes. True stories from pastors and key research findings to help you understand pastor challenges and opportunities. A powerful, Scripture-based prayer strategy for both you and your pastor to better love the Lord, live God's Word, love people, and live God's mission. Scriptures, prayers, and promises to declare over yourself first and then for your pastor. A practical resource for pastor appreciation and a tool for launching a Pastor Prayer Team in your church. God has chosen your pastor for a purpose. Support your spiritual leader through prayer, and see the benefit in your own life.

This book contains an order of prayer for each day of the school year; it is organized for easy use, and is a great catechetical tool. *Storming the Gates of Heaven* W. W. Norton & Company *Intervention Narratives* examines the contradictory cultural representations of the US intervention in Afghanistan that help to justify an imperial foreign policy. These narratives involve projecting Afghans as brave anti-communist warriors who suffered the consequences of American disengagement with the region following the end of the Cold War, as victimized women who can be empowered through enterprise, as innocent dogs who need to be saved by US soldiers, and as terrorists who deserve punishment for 9/11. Given that much of public political life now involves affect rather than knowledge, feelings rather than facts, familiar recurring tropes of heroism, terrorism, entrepreneurship, and canine love make the war easier to comprehend and elicit sympathy for US military forces. An indictment of US policy, Bose demonstrates that contemporary imperialism operates on an ideologically diverse cultural terrain to enlist support for the war across the political spectrum.

Climate Church, Climate World Chosen Books

Climate Church, Climate World argues that climate change is the greatest moral challenge humanity has ever faced. Reverend Jim Antal argues that it's time for the church to meet this moral challenge and suggests ways people of faith can reorient what they value through new approaches to worship, preaching, and other spiritual practices.

Competing for Caesar brings together, for the first time, key scholars working on various issues related to religion and public life in Zambia. They explore the interplay between religion and politics in Zambian society and how these religions manage and negotiate their identities in public life. This book analyzes recent religious dynamics in the nation's political life, and considers what constructive role religion could play to promote an alternative political vision to subvert neo-colonialism. *Competing for Caesar* carries forward a unique commitment on the part of Fortress Press to engage with the challenges and opportunities of Christianity in the Global South. The book will be of interest to scholars, professors, and students in a wide range of fields.
