Business result Heinle ELT

Business Result Second Edition offers business professionals more communication and language practice than ever before, helping students develop relevant communication skills they can use immediately in the workplace.

Skills for Business Studies: Upper-intermediate: OXFORD

The Business Result DVD Edition Teacher's Book supports the teacher in every aspect of business English teaching. Notes, activities, and supplementary material in the Teacher's Book provide teachers with extra ideas and support. The tests for each unit at the end of the book allow teachers to give students extra practice, and help to track their progress. The Class DVD features all the video material that can also be found on the Student's Interactive Workbook DVD-ROM. Each unit includes a video clip that can be used as a focal point of discussion, to develop students' listening skills, introduce new vocabulary and teach the business communication skills that students need in context. The Class DVD also includes a downloadable DVD worksheet for every clip, ready to print off and use immediately in class. The worksheets include listening and speaking practice, video script, and answer key. The Teacher Training DVD helps to put teaching theory into practice. It includes classroom footage and author commentary, and shows teachers how BusinessResult works in the classroom. The Teacher Training DVD gives practical tips and help for teaching business English. 15 pedagogical areas are covered across the five levels, such as social English, needs analysis, and business writing. The Teacher Training DVD can be used for introducing new teachers to business English teaching, giving in-house teacher training, or familiarizing teachers with Business Result material.

McGraw-Hill's 10 ACT Practice Tests, Second Edition Oxford University Press, USA

A new general English course which focuses very strongly on student motivation and communicative speaking outcomes. Package includes DVDs and interactive whiteboard resources.

English Result, Intermediate Simon and Schuster

Accompanying DVD-ROM contains interactive workbook with practice exercises, sample emails, interactive phrasebank and glossary, and tests. Video content includes a mix of dramatized business scenarios including meetings and social interactions, as well as documentaries that address key issues for companies and businesspeople, such as how to stay competitive, or offer good customer service. Interviews include real working people and business experts from the Cranfield School of Management.

Business Result OXFORD

Business Result is a five-level business English course that gives students the communication skills they need for immediate use at work. Business Result helps those who need to communicate better in English at work, by teaching a range of business communication skills. A list of outcomes in every unit shows students the language and skills they will learn. Tips and advice from the Cranfield School of Management introduces an authoritative business perspective, and applies professional theory to real situations.

Business Result Oxford University Press, USA

Business result. Pre-intermediate : Student's book [interactive workbook material by Gareth Davies & Shaun Wilden] OUP Oxford

From the renowned psychologist who introduced the world to “growth mindset” comes this updated edition of the million-copy bestseller—featuring transformative insights into redefining success, building lifelong resilience, and supercharging self-improvement. “Through clever research studies and engaging writing, Dweck illuminates how our beliefs about our capabilities exert tremendous influence on how we learn and which paths we take in life.”—Bill Gates, GatesNotes “It’s not always the people who start out the smartest who end up the smartest.” After decades of research, world-renowned Stanford University psychologist Carol S. Dweck, Ph.D., discovered a simple but groundbreaking idea: the power of mindset. In this brilliant book, she shows how success in school, work, sports, the arts, and almost every area of human endeavor can be dramatically influenced by how we think about our talents and abilities. People with a fixed mindset—those who believe that abilities are fixed—are less likely to flourish than those with a growth mindset—those who believe that abilities can be developed. Mindset reveals how great parents, teachers, managers, and athletes can put this idea to use to foster outstanding accomplishment. In this edition, Dweck offers new insights into her now famous and broadly embraced concept. She introduces a phenomenon she calls false growth mindset and guides people toward adopting a deeper, truer growth mindset. She also expands the mindset concept beyond the individual, applying it to the cultures of groups and organizations. With the right mindset, you can motivate those you lead, teach, and love—to transform their lives and your own.
