Haynes Manuals have a new look! To ensure the continued success of one of the industry's most dynamic manual series, Haynes has color coded their covers by manufacturer and replaced the familiar cover artwork with computer-generated cutaway photography. By Summer 2000, 80 percent of Haynes manuals will have the

colorful new design. Inside, enthusiasts will find the same reliable information -- whether the reader has simple maintenance or a complete engine rebuild in mind, he or she can rest assured that there's a Haynes Manual for just above every popular domestic and import car, truck, and motorcycle. Hundreds of illustrations and step-by-step instructions make each repair easy to follow.
