Bad Blood Hocus Pocus
Publishing, Inc.

To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I've ever met in my life. I know you think that you're God's gift to women, but I have a secret to let you in on: you're not. You're God's gift to yourself. Get over

your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy league education doesn't mean you're the smartest man in the world. In fact, I'm not even sure if you would have gotten in if you didn't have rich parents. Yes, I went there. Every woman doesn't want to sleep with you

and I'm sure you're not even good in bed. And I'm someone that would know. From, Your Secret Not Admirer Then He Happened Head of Zeus Ltd 'I loved, loved, loved this so much!!!!' Blue Moon Blogger, ☐☐☐☐ 'Stunning! Impossible to put down!' Goodreads Reviewer, ☐☐☐☐ 'Oh my!... Just Wow!' Red Headed Book Lady, ☐☐☐☐ 'UNPUTDOWNABLE.' Book Reviews by Shalini, ☐☐☐☐

They find her just as the sun is beginning to rise in the early morning mist. They had begun at dawn, the group of searchers keen to get going. A missing child spurred everyone on. In the end, it was a flash of colour, a bright neon pink that caught her eye. They had been looking for pink. Nothing tests your faith like being a mother. The first time your children walk to school alone, their first sleepover, when they finally fly the nest. As a parent, you have to believe that everything

will be OK. It's why, when Lydia's sixteen-year-old daughter Zoe goes on a school camping trip, she has no idea of the horrors that will unfold. It's why, when Lydia gets a call saying that her daughter has disappeared, she refuses to give up. As she searches the mountains, her voice hoarse from calling Zoe's name, she imagines finding her. She envisions being flooded with relief as she throws her arms around her child, saying, 'you gave us such a scare'. She pictures her precious girl safely tucked

in bed that evening. It's why, when they find Zoe's body, Lydia can barely believe it. It is unthinkable. Her little girl has gone. Something terrible happened, she is sure of it. Something made Zoe get out of her sleeping bag in the middle of the night, walk out of the warmth and safety of the cabin, into the darkness of the mountains. Driven by the memory of her youngest child, Lydia needs to find out the truth. What kind of mother would she be if she didn't? A

heartbreaking, redemptive and beautifully crafted novel which brings to life a mother's worst nightmare, questioning how well we ever really know the people we love the most. Fans of Jodi Picoult, Kerry Fisher and Liane Moriarty will be blown away by this stirring, unforgettable tale. Readers absolutely love *The Girl Who Never Come Home*: 'Just like wow! So powerful and sad! I have never read a story quite like this one... I am truly blown away...

Lots of twists and turns that I never saw coming... So very emotional that I had to have a box of tissues by my side. I stayed up until 5am so that I could finish this book.' Red Headed Book Lady, ★★★★★ 'Wow, what a heartbreaking book... A real page-turner.' NetGalley Reviewer, ★★★★★ 'Brilliant... UNPUTDOWNABLE... So powerful that I had to take a few breaths to calm my heart down... A heart-wrenching tale... to read in one go. How could I stop myself? Like the

mother Lydia, I needed to know what happened to Zoé. I had to take a few minutes hugging myself before I could write this review... Left me awed. And the emotions... Oh the feelings, they left me overwhelmed. My heart just overflowed.' Book Reviews by Shalini, ★★★★★ 'I've read many of Nicole Trope's books and this one was by far the best. I'm telling you this woman does not disappoint... I'm a big fan of Nicole Trope and all her books. I don't eat or sleep until it is finished. This one was no

exception. I couldn't put this down for the life of me. I had to find out what happened to poor Zoe and why. I can't say enough good things... Definitely going to be in my top reads of the year.' Blue Moon Blogger, [REDACTED] 'Will shock you to your very core! 5+ stars! Another stunning MUST-READ from the mastermind... Masterpiece! A USA TODAY BESTSELLER 'I'm insisting you date her. Five dates together, then I'll have this surgery.' Billionaire

CEO Connor Stewart is being blackmailed. By his own grandmother, no less, who is refusing to have life-saving surgery unless Connor dates Mia Simms, his dull and dowdy marketing employee. For Violet's sake, Connor agrees to the crazy scheme. There's no risk of breaking his 'short-term only' rule with Mia Simms; she's not the kind of woman Connor is interested in ... and he's sure she's hiding something. He just doesn't expect it to be delicious curves and a

firecracker personality. Mia Simms is hiding something, and it's much more dangerous than her looks. All she wants to do is live life in the safety of the shadows and avoid discovery. But perhaps a short-term fling is exactly what she needs to remind her to live. But what if Violet is right to push them together? Can Mia trust Connor enough to let him see the real person behind the facade she's built? Or is Violet's little scheme about to put both their lives in danger? Anne Perry and the

“Brian McGilloway blends timeless values with ripped-from-the-headlines issues to produce some of the very best crime fiction being written today.”

—Lee Child, #1 New York Times bestselling author A young man is found in a riverside park, his head bashed in with a rock. One clue is left behind to uncover his identity—an admission stamp for the local gay club. DS Lucy Black is called in to investigate. As Lucy delves into the

community, tensions begin to rise as the man's death draws the attention of the local Gay Rights group to a hate-speech Pastor who, days earlier, had advocated the stoning of gay people and who refuses to retract his statement. Things become further complicated with the emergence of a far-right group targeting immigrants in a local working-class estate. As their attacks escalate, Lucy and her boss, Tom Fleming, must also deal with the building power

struggle between an old paramilitary commander and his deputy that threatens to further enflame an already volatile situation. Hatred and complicity abound in McGilloway's new Lucy Black thriller. Compelling and current, *Bad Blood* is an expertly crafted and acutely observed page-turner, delivering the punch that readers of *Little Lost Girl* have grown to expect.

In the tradition of Trisha Ashley and Jenny Colgan, this first book in a new series by Alexandra Brown—author of the popular Cupcakes at Carrington’s series—tells the hilarious, heartwarming story of a jilted bride who anticipates a lonely Christmas but instead finds herself in the tiny village of Tindledale,

where the residents share her obsession with knitting. When life unravels, it’s time to knit... Sybil has always taken comfort in her passion for knitting, creating beautiful knits stitch by stitch. But her world suddenly unravels when her fiancé ditches her for her identical twin sister at her Star Wars-themed wedding, leaving her sporting a Princess Leia do. Then things go from bad to worse when an incident at work jeopardizes her job. Hoping to escape her

woes and forget that she’ll be alone for Christmas this year, she visits her friend in Tindledale—a winter wonderland of quaint shops and snowy rooftops. When she arrives in the idyllic town, she can’t help feeling like she’s in a Hallmark greeting card. She’s embraced by welcoming—if eccentric—locals wearing handmade knits that remind Sybil of her own creations as well as her unrealized ambitions of selling them. So when the

vintage boutique asks her to make an assortment of knits for their display window, she's thrilled. The hot town doctor has even taken an interest in Sybil, hoping to heal her broken heart. But just when Sybil thinks she's going to have her fairytale Christmas after all, an unexpected turn of events threatens to unspool her happily ever after.

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur

Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow

Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard.
