*The Official DVSA Theory Test for Car Drivers* The Stationery Office

The driving test reaches its 80th anniversary in 2015, and this commemorative edition of the Highway Code is a celebration of that milestone in British road safety. Updated for 2015, The Official Highway Code is essential reading for all road users in England, Scotland and Wales, providing all the latest rules of the road and traffic signs. All road users have a responsibility to keep their knowledge up-to-date, so make sure you do just that with the latest edition of this handy reference guide. Every day, on average, five

people are killed and 60 people are seriously injured on our roads. If we're to bring those figures down, it's vital that all road users - drivers, motorcyclists, cyclists, horse riders and pedestrians - are familiar with all the rules in The Official Highway Code. This 2015 edition includes the new drug-driving laws, HGV speed limit changes on single and dual carriageways in England and Wales, updated drink-driving limits in Scotland and general rule changes. The Highway Code is available in just about any format you can think of and is constantly updated to reflect changes in technology, understanding and the law. Please continue to read it - not just as a learner driver, but as a responsible lifelong road user - so we can keep Britain's roads among the safest in the world.

#### **The Official DSA Theory Test for Motorcyclists**

Virgin Books Limited  
Essential reading for riders, this is the official book which includes all of the motorcycle theory test questions and explains the answers.

*AA The Complete Driving Test Book* The Stationery Office

The official guide which

explains the standards required to pass today's practical driving test. Most people fail their driving test because they are not prepared. 'The Official DSA Guide to Learning to Drive' will help the learner and anyone helping someone learn to drive by explaining the standard required for each key skill examined within the driving test. This new edition will help the person sitting in the passenger seat understand what the learner needs to practise and the potential hazards they may encounter. The aim is to make sure that the learner is capable of driving safely and confidently, without prompting from an instructor, before they take their test.

#### **The Official DVSA Guide to Driving**
