 BOOK #1 of the bestselling Consequences series: From New York Times and USA Today bestselling author Aleatha Romig comes a suspenseful thriller about secrets and deception, passion and love, choices and consequences. Every action has consequences. Waking in an unfamiliar bedroom in a luxurious mansion, Claire Nichols is terrified to discover that a chance encounter led her into the cruel hands of her abductor, Anthony Rawlings. Claire has no understanding of why she's there, but it's been made abundantly clear—she is now his

acquisition and every action has consequences. Learn the rules to survive. Facing incomprehensible circumstances, Claire must learn to survive her new reality—every aspect of her livelihood depends upon the tall, dark-eyed tycoon who is a true master of deception. Driven by unknown demons, he has no tolerance for imperfection, in any aspect of his life, including his recent acquisition. Anthony may appear to the world as a handsome, benevolent businessman, but in reality Claire knows firsthand that he's a menacing, controlling captor with very strict rules: do as you're told, public failure is not an option, and appearances are of the

utmost importance. Captivate the captor. To fit together the pieces of the puzzle, Claire must follow his rules. Will her plan work, or will Anthony become enthralled by Claire's beauty, resilience, and determination, changing the game forever? If that happens, will either of them survive the consequences? Nobody ever did or ever will escape the consequences of his choices.—Alfred A. Montapert

Romance Reviews
Today 2004 Best Small Press Romance Award Winner 4.5 Stars "This is an exceptionally well-written novel. It's Clark's third book about the lives of the compelling Kinncaid brothers, but it easily stands alone. The main

characters are subtle and complex from page one, especially the particularly strong, emotionally full-ranged heroine. The dialogue is outstanding, and the pacing both realistic and highly suspenseful." —Marilyn Weigel, Romantic Times

Ripples: A

Consequences Stand-alone Novel You don't have to read the Consequences series to enjoy this stand-

alone novel, but if you know Tony Rawlings, you know that disappointing him isn't an option. Imagine being his youngest daughter...imagine telling him the unimaginable... "Those who don't know history are doomed to repeat it." Sometimes ideas find you, and dreams begin as nightmares. Sometimes the truth that has been kept hidden is the key to opening a door you never knew existed. "You might not know me. I'm the baby of the Rawlings family, the princess, the daughter who came along later. I'm not like my older siblings, successful at everything they touch. My mother and father have provided me with every luxury as well as their unyielding love and support, but I'm

not spoiled. I'm also not content. By example, my parents have shown me how love should be. I don't know their past, and that doesn't matter. I know what I've seen—two people devoted to one another. I don't believe that I'll ever find that kind of love, the kind that forgives and accepts all. And as my life falls to pieces and I travel to visit my family to face their disappointment, I'm not even looking for it. I'm looking for an escape...from my life as a Rawlings...from the pressure to achieve and not let others down. I dream of the time I can live for my own desires without the expectations that come with my name. I don't find what I'm seeking...it finds me.

Or should I say...he finds me. This time is different. I have a family who will search for me and find the answers. Little do we know—any of us—that my father set my journey into motion long before I was born." "Just as ripples spread out when a single pebble is dropped into water, the actions of individuals can have far-reaching effects." ~Dalai Lama Ripples (Unabridged Version) is Natalie's story, the youngest of Tony and Claire's children—their baby. This story first appeared in shorter form in *Glamour: Contemporary Fairytale Retellings*. Due to the length restriction of each novella in that anthology, many scenes in *Ripples* were shortened or omitted
