Teaching Reading in Small Groups Carson-Dellosa Publishing

What's the big idea? That's a question students are asked all the time in papers, assessments, and standardized writing tests of every sort. Whether summarizing research sources or synopsisizing the plot of a two-hundred page novel, the ability to cut through extraneous details and describe the major themes and highlights of a text is key to success in school and in life. Until now, however, summarization has been difficult to teach and learn, but with Summarizing, Paraphrasing, and Retelling, you'll discover a powerful and practical way to teach these vital skills. Summarizing, Paraphrasing, and Retelling is a slim, do-it-all guide that presents everything you need for teaching kids to separate out trivial items in their reading and then identify and communicate the main ideas and crucial details. Emily Kissner breaks summarization down into smaller, more manageable skills-such as paraphrasing, writing synopses, retelling, and restating the main-idea-illustrating what good summarization looks like and how to adjust your teaching to fit your students' needs. She offers not only methods for individual and group instruction, but also handy, reproducible resources, such as assessment checklists, forms for group work, peer-response sheets, and sample passages for students to practice with. Best of all, Kissner's approach is a student-centered alternative to more traditional skill-and-drill preparations. Supported by research and tested in classrooms, Summarizing, Paraphrasing, and Retelling gives you both big ideas for powerful teaching and important particulars to help you plan instruction and analyze your

students' progress. What's the big idea behind teaching summarizing? Read Summarizing, Paraphrasing, and Retelling and find out.

Guided Reading Program Corwin

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

Fountas and Pinnell Leveled Literacy Intervention (LLI) Orange (Grade K) Program Guide Teaching Resources

An Orton-Gillingham approach to teaching the six syllable types

The Impact of Fifth Grade Reading Strategies Acquired Through Guided Reading on Oral and Written Responses in Literature

Discussion Groups Heinemann Educational Books

Improve your guided reading lesson plans with Guided Reading: Infer for grades five and six. This reading comprehension book includes 36 leveled readers—six sets of two each for below-, on-, and above-level student readers—and it also features charts, photos, and maps. Ready to Go Guided Reading: Infer makes it easy for you to create a comprehensive guided reading program by offering everything you need to help students at various reading levels. This small group reading resource book contains: -leveled readers with intriguing topics -discussion guides -prompts to encourage students to work with the text and text features -graphic organizers and an observation sheet The readers are separated by below-, on-, and above-level comprehension skills and feature callout boxes to direct students to apply guided reading strategies to the texts. Each nonfiction text addresses fascinating topics and includes a writing prompt so students can show what they know. The 12-book Ready to Go: Guided Reading series for grades 1–6 is designed to help you with guided reading organization. Each 80-page book is a guided reading set, complete with six discussion guides and three reproducible pages. Four books are included in each grade span, focusing on the essential reading comprehension strategies: -Infer -Connect - Question -Summarize Each nonfiction reader contains short nonfiction texts, callout boxes, photographs, charts, and maps.

Mosaic of Thought Guilford Press

The Reading Minilessons Book

First Grade Essentials Heinemann Educational Books

As a teacher of literacy, you transform the lives of the children in your classroom. The Reading Minilessons Book offers short, concise, purposeful lessons with a practical application in a specific area of literacy. Each minilesson engages children in inquiry that leads to the discovery and understanding of a general principle. Growing out of the interactive read-aloud experience and linked to independent reading, teachers use many of these texts as examples from which they generalise the understanding. Each of the four types of reading minilessons (management, literary analysis, strategies and skills, and writing about reading) in The Reading Minilessons Book is organised into broad categories, or "umbrellas." An umbrella helps children develop a deeper understanding of concepts and their application. As lessons build on each other, teachers will often make an anchor chart, or visual representation, that can be referenced again and again as children encounter new texts and/or minilessons. The Fountas & Pinnell Classroom(tm) Reading Minilessons Book, Grade 5 contains 225 reading minilessons.

Effects of Guided Reading Group Structure on Comprehension Scholastic Inc.

Jan Richardson, best-selling author of The Next Step in Guided Reading and Next Step Guided Reading Assessment shows teachers how to plan and teach successful, well-paced lessons from start to finish.

The Ultimate Guided Reading How-To Book Teaching Resources

A combination assessment tool and guide for teaching identifies the literacy goals appropriate to grades PreK-eight and offers tools to help analyze students' strengths and identify areas needing teaching support.

Interpretation Book Clubs The Reading Minilessons Book"Engages students in inquiry that leads to the discovery and understanding of a general principle they can apply to their own independent reading" --Responsive Guided Reading in Grades K-5

This is an utterly original and completely beguiling prose novel about a boy who has to write a poem, and then another, and then even more. Soon the little boy is writing about all sorts of things he has not really come to terms with, and astounding things start to happen.

Next Step Guided Reading in Action, Grades K-2 Teaching Resources

A fast, fun, friendship read from the Newbery-award winning author of Maniac Magee. Fourth graders are tough. They aren't afraid of spiders. They say no to their moms. They push first graders off the swings. And they never, ever cry. Suds knows that now that he's in fourth grade, he's supposed to be a rat. But whenever he tries to act like one, something goes wrong. Can Suds's friend Joey teach him to toughen up...or will Suds remain a fourth grade wimp?

A Is for Apple Heinemann Educational Books

Discusses the use of leveled texts in kindergarten through eighth-grade classrooms, examines the "text base" needed for effective language literacy instruction, provides guidelines for creating a high-quality leveled book collection and matching books to readers, and explains how to analyze and level books.

Journeys Penguin

Intended for K-3 classroom teachers, explains how to create a balanced literacy program based on guided reading and supported by reading aloud, shared reading, interactive writing, and other approaches.

The Reading Minilessons Book Heinemann Educational Books

Guided reading is a staple of elementary literacy instruction, yet planning and conducting reading groups can be time consuming and challenging. This hands-on book presents an innovative approach to guided reading that is manageable even for teachers who are new to small-group, differentiated reading instruction. Numerous classroom examples illustrate how to organize groups and select suitably challenging materials, structure group sessions, provide scaffolding and cues while listening to students read, and balance small-group with whole-class instruction. Special features include scheduling aids and lists of common cues for beginning and older readers, as well as suggestions for further reading at the end of each chapter.
