*Sergei Rachmaninoff*  
Wipf and Stock  
Publishers  
An examination of the  
popular music culture  
of the post-Bolshevik  
Russian emigration and  
the impact made by

this group on American  
culture and politics.  
Performing Tsarist  
Russia in New York  
begins with a rich  
account of the musical  
evenings that took  
place in the Russian  
émigré enclave of  
Harlem in the 1920s  
and weaves through  
the world of  
Manhattan's Russian

restaurants, Tin Pan Alley industry, Broadway productions, 1939 World's Fair, Soviet music distributors, postwar Russian parish musical life, and Cold War radio programming to close with today's Russian ball scene, exploring how the idea of Russia Abroad has taken shape through various spheres of music production in New York over the course of a century. Engaging in an analysis of musical styles, performance practice, sheet music cover art, the discourses surrounding this music, and the sonic, somatic, and social realms of dance, author Natalie K. Zelensky demonstrates the central role played by music in shaping and maintaining the Russian émigré

diaspora over multiple generations as well as the fundamental paradox underlying this process: that music's sustaining power in this case rests on its proclivity to foster collective narratives of an idealized prerevolutionary Russia while often evolving stylistically to remain relevant to its makers, listeners, and dancers. By combining archival research with fieldwork and interviews with Russian émigrés of various generations and emigration waves, Zelensky presents a close historical and ethnographic examination of music's potential as an aesthetic, discursive, and social space through which diasporans can engage

with an idea of a mythologized homeland, and, in turn, the vital role played by music in the organization, development, and reception of Russia Abroad.

Ideal for teachers who have been searching for a way to inspire students with a love for writing--and reading--contemporary poetry.It is a book about shaping your memories and passions, your pleasures, obsessions, dreams, secrets, and sorrows into the poems you have always wanted to write. If you long to create poetry that is magical and moving, this is the book you've been looking for.Here are chapters on the language and music of

poetry, the art of revision, traditional and experimental techniques, and how to get your poetry started, perfected, and published. Not the least of the book's pleasures are model poems by many of the best contemporary poets, illuminating craft discussions, and the author's detailed suggestions for writing dozens of poems about your deepest and most passionate concerns.

Ballantine Books  
Pulitzer Prize-winning author Annie Proulx brings the immigrant experience to life in this stunning novel that traces the ownership of a simple green accordion. E. Annie Proulx's *Accordion Crimes* is a masterpiece of

storytelling that spans a century and a continent. Proulx brings the immigrant experience in America to life through the eyes of the descendants of Mexicans, Poles, Africans, Irish-Scots, Franco-Canadians and many others, all linked by their successive ownership of a simple green accordion. The music they make is their last link with the past—voice for their fantasies, sorrows and exuberance. Proulx's prodigious knowledge, unforgettable characters and radiant language make *Accordion Crimes* a stunning novel, exhilarating in its scope and originality.

River Flows in You  
Sheet Music Alfred Music

In an engaging screenplay style, American Headhunter is based upon a true story, the untold account of P-38 pilot Kenneth Lloyd Sr. in WWII air combat in New Guinea, Dutch East Indies, and the Philippines. The story captures the amazing transition of a young boy into a man to become one of the

"greatest generations."

The exciting story captures the boy's love for the P-38 fighter aircraft, the first airplane to be developed by Clarence "Kelly" Johnson from the "Skunk Works" of Lockheed Aircraft Corporation, Burbank, California. The young pilot also miraculously finds the love his life on a blind date on New Year's Eve, 1943. You are there with this pilot—in the air, in the jungles—cussing, singing, and fighting a relentless foe as well as his human insecurities and fears. You will experience firsthand the true story of the fierce night air battle off the island of Mindoro, Philippines, December 26, 1944. You will be mad, sad, but glad you read this story as told by the

pilot's son in memory of his father.

BEST YA BOOKS OF ALL  
TIME The

extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist-books. With the help of her accordion-playing

foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF. **Dark eyes** Penguin (Guitar Sheet). Solo guitar sheet music for

the popular song by composer Yiruma. Accordion Crimes Rowman & Littlefield No other instrument has witnessed such a dramatic rise to popularity--and precipitous decline--as the accordion. Squeeze This! is the first history of the piano accordion and the first book-length study of the accordion as a uniquely American musical and cultural phenomenon. Ethnomusicologist and accordion enthusiast Marion Jacobson traces the changing idea of the accordion in the United States and its cultural significance over the course of the twentieth century. From the introduction of elaborately decorated European models imported onto the American

vaudeville stage and the instrument's celebration by ethnic musical communities and mainstream audiences alike, to the accordion-infused pop parodies by "Weird Al" Yankovic, Jacobson considers the accordion's contradictory status as both an "outsider" instrument and as a major force in popular music in the twentieth century. Drawing on interviews and archival investigations with instrument builders and retailers, artists and audiences, professionals and amateurs, Squeeze This! explores the piano accordion's role as an instrument of community identity and its varied musical and cultural environments. Jacobson concentrates

on six key moments of transition: the Americanization of the piano accordion, originally produced and marketed by sales-savvy Italian immigrants; the transformation of the accordion in the 1920s from an exotic, expensive vaudeville instrument to a mass-marketable product; the emergence of the accordion craze in the 1930s and 1940s, when a highly organized "accordion industrial complex" cultivated a white, middle-class market; the peak of its popularity in the 1950s, exemplified by Lawrence Welk and Dick Contino; the instrument's marginalization in the 1960s and a brief, ill-fated effort to promote the accordion to teen

rock 'n' roll musicians; and the revival beginning in the 1980s of the accordion as a "world music instrument" and a key component for cabaret and burlesque revivals and pop groups such as alternative experimenters They Might Be Giants and polka rockers Brave Combo. Loaded with dozens of images of gorgeous instruments and enthusiastic performers and fans, *Squeeze This! A Cultural History of the Accordion in America* represents the accordion in a wide range of popular and traditional musical styles, revealing the richness and diversity of accordion culture in America. *Accordion Music from Around the World* Mainstream Publishing

 Arcangelo Vidi, a  
 middle-aged man in  
 Florence, is tormented,  
 torn between a  
 painting and his wife.  
 In late-nineteenth-  
 century St. Petersburg,  
 Fyodor Petrov returns  
 from the dead and can  
 still juggle, although  
 not very well. Gabriella  
 Sammartini, a talented  
 young mezzo-soprano  
 in Venice, dreams of  
 becoming a hatcheck  
 girl. In medieval  
 England, Eldred the  
 Shoemakers Son is

blessed with an unusual number of noses and multiple pairs of shoes. A Parisian woman carries seven tears with her wherever she goes. Such are the Lives of the Saints, the matically-related, centuriesspanning character studies set mostly in Europe and almost entirely on Earth. By turns poignant and funny, tragic and absurd, Lives of the Saints is at once a thought-provoking meditation on time, mortality, and love, and an entertaining compendium of sheer silliness. In this finely crafted collection of gems, Frank Arricale displays a remarkable range of expression. Whether dealing with the heartbreak of loss or the inanity of

everyday life, he demonstrates a brilliant sense of timing and a keen awareness of the human condition.

beloved poems from books spanning half a century: representing Pulitzer Prize-winning books, debut collections, works in translation, and rare books from Copper Canyon's early days. This book is a tribute to Copper Canyon poets and readers everywhere, because, as Gregory Orr writes, "Certain poems / In an uncertain world— / The ones we cling to: // They bring us back." *Palmer-Hughes Accordion Course, Book 1* Hal Leonard Corporation

Lily gets called away from her vintage clothing store to give police a witch's take on how the leader of a rationalist society could be murdered, surrounded by superstitions he discredited. Evidence

points to dark witchcraft. Lily's determined to use magic of her own to find the murderer, before everyone's luck runs out.

Dark Eyes iUniverse

"We are presenting a collection of about 100 of the most popular melodies of all time -- arranged for the accordion."--Foreword *Billboard* Indiana University Press

An evocative tale of intrigue, romance, and treachery, Carol Goodman's spellbinding new novel, *The Night Villa*, follows the fascinating lives of two remarkable women centuries apart. The eruption of Italy's Mount Vesuvius in A.D. 79 buried a city and its people, their treasures and secrets. Centuries later, echoes of this disaster resonate with

profound consequences in the life of classics professor Sophie Chase. In the aftermath of a tragic shooting on the University of Texas campus, Sophie seeks sanctuary on the isle of Capri, immersing herself in her latest scholarly project alongside her colleagues, her star pupil, and their benefactor, the compelling yet enigmatic business mogul John Lyros. Beneath layers of volcanic ash lies the Villa della Notte—the Night Villa—home to first-century nobles, as well as to the captivating slave girl at the heart of an ancient controversy. And secreted in a subterranean labyrinth rests a cache of

antique documents believed lost to the ages: a prize too tantalizing for Sophie to resist. But suspicion, fear, and danger roam the long-untrodden tunnels and chambers beneath the once sumptuous estate—especially after Sophie sees the face of her former lover in the darkness, leaving her to wonder if she is chasing shadows or succumbing to the siren song of the Night Villa. Whatever shocking events transpired in the face of Vesuvius’s fury have led to deeper, darker machinations that inexorably draw Sophie into their vortex, rich in stunning revelations and laden with unseen menace. Praise for *The Night Villa* “Visit The Night Villa: Carol Goodman’s luminous

prose and superb storytelling will keep you entertained into the late hours.”—Nancy Pickard  
 “The pleasure of a Carol Goodman novel is in her enviable command of the

classical canon—and the deft way she [writes] a book that’s light enough for a weekend on the beach but literary enough for a weekend in the Hamptons.”—Chicago Tribune
