A year ago, Cal Thompson was a college freshman more interested in meeting girls and partying than in attending biology class. Now, after a fateful encounter with a mysterious woman named Morgan, biology has become, literally, Cal's life. Cal was infected by a parasite that has a truly horrifying effect on its host. Cal himself is a carrier, unchanged by the parasite, but he's infected the girlfriends he's had since Morgan. All three have turned into the ravening ghouls Cal calls Peeps. The rest of us know them as vampires. It's Cal's job to hunt them down before they can create more of their kind. . . . Bursting with the sharp intelligence and sly humor that are fast

becoming his trademark, Scott Westerfeld's novel is an utterly original take on an archetype of horror.

A #1 NEW YORK TIMES BEST SELLER The Selection meets Reign in this dazzling trilogy of interwoven novels about three girls on a quest for freedom and true love from #1 internationally bestselling author Richelle Mead. "Brilliant and original, Mead's new series starts off with a bang and will leave readers on the edge of their seats until the very end." —School Library Journal For a select group of girls, the Glittering Court offers a shot at a life they've only ever dreamed of, one of luxury, glamour, and leisure. To high-born Adelaide, whose wealthy family is forcing her into a loveless marriage, the Glittering Court represents something else: the chance to chart her own destiny, and adventure in an unspoiled, prosperous new land across the sea. After a chance meeting with the dazzling Cedric Thorn, Adelaide poses as a servant to join the crop of impoverished girls he promises to transform into proper ladies. But her familiarity with upper class life comes with a price: she must hide her identity from her new friends, mysterious refugee Mira and fiery former laundress Tamsin, and most importantly, from Cedric himself—even though she's falling in love with him. Everything begins to crumble when Cedric discovers Adelaide's ruse, and

she catches the eye of a powerful young governor, who wants her for a wife. She didn't leave the gilded cage of her old life behind just to become someone else's property. But nothing is as daunting—or as wonderful—as the potent, forbidden attraction simmering between Adelaide and Cedric. One that, if acted on, would make them both outcasts in a wild, dangerous, uncharted world, and possibly lead them to their deaths.

Georgina Kincaid est succube. A priori un choix de carrière plutôt sympa : la jeunesse éternelle, l'apparence de son choix et des hommes prêts à tout pour un simple effleurement. Pourtant, sa vie n'est pas si glamour : pas moyen de décrocher un rencard sans mettre en péril l'âme de l'heureux élu. Heureusement son travail en librairie la passionne. Mais pour l'heure, Georgina est propulsée

au coeur de la tourmente, et ses sortilèges sexy et sa langue bien pendue ne lui seront d'aucun secours.

If I Lie Penguin

A magical mercenary is crowned a queen of the Otherworld—an honor could cost her life—in the New York Times bestselling author's paranormal thriller. Eugenie Markham is a shaman for hire, paid to bind and banish creatures from the Otherworld. But after her last battle, she's also become queen of the Thorn Land. It may sound nice, but her kingdom is in tatters, her love life is in chaos, and Eugenie is eager to avoid a prophecy about her firstborn destroying mankind. Now young girls are disappearing from the Otherworld, and no one—except Eugenie—is willing to find out why. Eugenie has spilled plenty of fey blood in her time, but this enemy is shrewd, subtle, and nursing a very personal grudge. And the men in her life aren't making things any easier. Her boyfriend Kiyo is preoccupied with his pregnant ex, and sexy fey king Dorian always poses a dangerous distraction. With or without their help, the reluctant queen has a sworn duty to uphold, even if it means facing the darkest and deadliest side of her nature.

Milady

A succubus must balance a burgeoning romance as she fights to save a co-worker's soul in this urban fantasy from a #1 New York Times-bestselling author. Love hurts, and no one knows it better than Georgina Kincaid. If she so much as kisses Seth Mortensen, the shy, sexy writer she's been dating, she'll drain his life force. Admittedly, the shapeshifting and immortality perks of a succubus are terrific, but it's completely unfair that a she-demon whose purpose is seduction can't get down with the one mortal who accepts her for who she is... It's not just her personal life that's in chaos. Doug, Georgina's co-worker at a local bookstore, has been exhibiting bizarre behavior, and Georgina suspects something far more demonic than double espressos. She could use an assist from Bastien, an irresistibly charming incubus and her best immortal friend, but he's giving Georgina some highly distracting come-hither vibes. Georgina is going to have to work solo on this one-and fast, because soon, Doug's life won't be the only one on the line... Praise for Richelle Mead and her Succubus series "Richelle Mead delivers sexy action and tongue-in-cheek hellish humor—if damnation is this fun, sign me up!"—Lilith Saintcrow, author of *The Devil's Right Hand* "This is one of those series I'm going to keep following."—Jim Butcher, New York Times bestselling author of the Harry Dresden series "The mix of supernatural mystery, romance, and reluctant succubus is great fun."—Locus "Mead cooks up an appetizing debut that blends romantic suspense with a fresh twist on the paranormal, accented with eroticism."—Booklist *Thorn Queen* Kensington Publishing Corp.
