*How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* Harper Collins

THIS ISN'T A PHRASEBOOK, THIS IS A SYSTEM DESIGNED TO TEACH THE READER HOW TO COMBINE WORDS IN ORDER TO CREATE THEIR OWN SENTENCES! Have you always wanted to learn how to speak Spanish but simply didn't have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary methods that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally

interrelated and, when combined, form sentences. Through various other discoveries about how real conversations work--discoveries that are detailed further in this book--Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant--now. If you want to learn complicated grammar rules, or to speak perfectly proper and precise Spanish, this book is not for you. However, if you need to actually hold a conversation while on a trip to a Spanish-speaking country, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. This is one of the several, in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With Conversational Spanish Quick and Easy, all you need are fifty-three pages. Learn Spanish today, not tomorrow, and get started now!

\*\*\* New Intermediate Edition! \*\*\* Improve your spoken Spanish from home with 101 real-world conversations in intermediate Spanish. Real Spanish people don't speak like your textbook... so it's no wonder you feel unprepared when it's your turn to speak! This book fixes that. For the first time, you'll learn to move beyond beginner level, and speak Spanish in the real world! With 101 authentic conversations in intermediate Spanish, you'll become confident in the words, phrases and expressions you need to communicate like a local. 101 Conversations in Intermediate Spanish transports you into a real-world story that unfolds between six Spanish characters, told by the people themselves. Over 15,000 words of real Spanish, you'll immerse yourself in a gripping Spanish drama and get an education in natural Spanish in the process. Here's what you'll get: 101 conversations in intermediate Spanish, so you can learn the real Spanish spoken in the street, understand spoken Spanish with ease, and have Spanish roll off your tongue more fluently Over 15,000 words of dialogue - an unparalleled resource that will immerse you in Spanish, at a level you can understand. You'll learn real spoken Spanish without getting lost or overwhelmed Real, daily

spoken Spanish throughout - it's as if we held up a microphone and recorded the exact words coming out of people's mouths - so you can learn the expressions that real people use on the street (not in textbooks). You'll sound more authentic when you speak and make Spanish-speaking friends more easily. Situational dialogues from typical daily circumstances, so you can prepare yourself to survive realistic Spanish encounters, in shops, cafés, and on the street, making meeting people second nature Conversations that are carefully written to be accessible for intermediate learners (B1-B2 on the CEFR), so you can learn from real, spoken conversations, without having to go through the rollercoaster of difficult conversations with strangers Each conversation is limited to around 15 lines of dialogue (150 words), so you can get that crucial sense of achievement and motivation when you finish each conversation, and say "I actually understood all of that!" Word lists with English definitions in every chapter, so you can get instant translations of any difficult words. This means you can focus on enjoying the story rather than wasting time in a dictionary. Summaries of each conversation which contextualise each dialogue, so you can easily follow the plot and enjoy the story without getting lost The story is set in Spain and includes expressions that are typical in Castilian Spanish. However, since the conversations use mostly "neutral" Spanish, you'll have plenty to learn, whether you're learning the Spanish of Mexico, Colombia, or Costa Rica. Created by Olly Richards, internationally-renowned language teacher and author, 101 Conversations in Intermediate Spanish gives you an experience in real Spanish that you won't find anywhere else. You Are About To Discover The Little Known Secrets To Learning Spanish Within Just 7 Days! As the second most spoken language in the world, the second most used language for international communication and the most learned second language in the world, it makes sense that you've set your eyes on learning Spanish, either as a second, third or fourth language; it really doesn't matter. But if you've ever tried to study a foreign language in school, you are probably aware of how difficult it can be. Indeed, learning a new language is a complex, time-consuming task that requires hard work, persistence, and dedication. But sometimes the biggest setback to learning new languages is our own fears: The fear of saying the wrong thing The fear of making a mistake The fear of being unable to find the right word The fear of embarrassing yourself And so forth It is perfectly okay to have these fears; they are a normal part of the learning process. What you need is to take a new

approach and effective strategies to learning Spanish to ensure that the time and energy you put to the task does not go to waste. What are these strategies? How do you apply them in your everyday life to start speaking Spanish in as little as 7 days? How do you approach the learning process in a way that you really can grasp what you learn, apply it and master it to be able to speak Spanish in such a record time? Are there any rules you should follow as you learn to speak Spanish so that you can speak it well in a short time? If you have these and other related questions, this book is for you so keep reading, as it covers the process of speaking Spanish in a record 7 days, using an approach that will see you constructing simple and intermediate Spanish sentences with confidence. The book explains the key principles that lead to effective language learning, and provides activities that will help you practice these principles. More precisely, this book will teach you: How to make basic conversation in Spanish How to ask questions in Spanish Everything you need to know about the Spanish syntax How to converse about sports and music in Spanish How to master stress and accents in Spanish How to make comparisons in Spanish without sounding like a 2 year old Common myths about learning a new language you ought to disregard Powerful tips that will make the learning process a lot easier How to ask or give directions in Spanish without having to resort to using hand signals, single word syllables and or pointing images How to describe food, drinks, and clothes in Spanish And MUCH MORE! Indeed, learning Spanish does not have to be hard work. You can say goodbye to the old days of forcing yourself to recite verb conjugations in a never-ending loop, only to come out the other side barely being able to speak a single word. Thanks to some significant breakthroughs over the last few years that have enabled us to understand how the human mind learns languages, studying a new language has never being easier. So if you are struggling in your Spanish classes, this book will provide practical, proven methods to help you ace the language within no time! Is conversational Spanish turning a little too tricky for you? Do you have no idea on how to order a meal or book a room at a hotel? If your answer to any of the previous questions was 'Yes', then this book is for you! If there's even been something tougher than learning the grammar rules of a new

language, it's finding the way to speak with other people in that tongue. Any student knows this – we can try our best at practicing, but you always want to avoid making embarrassing mistakes or not getting your message through correctly. 'How do I get out of this situation?' many students ask themselves, to no avail, but no answer is forthcoming. Until now. We have compiled MORE THAN ONE HUNDRED Spanish Stories for Beginners along with their translations, allowing new Spanish speakers to have the necessary tools to begin studying how to set a meeting, rent a car or tell a doctor that they don't feel well! We're not wasting time here with conversations that don't go anywhere: if you want to know how to solve problems (while learning a ton of Spanish along the way, obviously), this book is for you! How Conversational Spanish Dialogues works: Each new chapter will have a fresh, new story between two people who wish to solve a common, day-to-day issue that you will surely encounter in real life. A Spanish version of the conversation will take place first, followed by an English translation. This ensures that you fully understood just what it was that they were saying! Before and after the main section of the book, we shall provide you with an introduction and conclusion that will offer you important strategies, tips and tricks to allow you to get the absolute most out of this learning material. That's about it! Simple, useful and incredibly helpful; you will NOT need another conversational Spanish book once you have begun reading and studying this one! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Do you want to be able to express yourself in Spanish with confidence and fluency? Insider's Spanish offers a local perspective on Spanish culture, opinions and language use so that you can speak confidently on today's most important and relevant topics. This intermediate Spanish conversation course, devised for all intermediate-level learners or those following on from Total or Perfect Spanish, will advance your overall fluency, listening comprehension and conversation skills, expand your vocabulary and improve your grammar. Through authentic, lively conversations around engaging topics, and the unique Michel Thomas Method for learning, this course focuses on the colloquial language and conversation strategies used by native Spanish speakers so that you can fit in and communicate more naturally. Michel Thomas, the preeminent language teacher, always said that learners start by mastering basic linguist structures (as in his Total and Perfect courses), which provide the bare walls of the house, but that that it was up to us, the learner, to decorate it in our own personal way. Insider's Spanish reflects Michel Thomas's 'Phase 2' courses that he and his team offered at his New York language school, allowing increased vocabulary, improved speaking, comprehension and reading and writing skills - the tools with which to decorate their houses. Insider's Spanish includes:

- Twenty authentic conversations around a comprehensive range of subjects that reflect contemporary Spanish culture
- Language plus: conversation strategies, pronunciation and intonation to help learners express themselves naturally
- Listening and speaking practice to help learners progress to the next level
- Cultural insights into the unspoken rules of the language

This ebook includes 10 chapters with integrated audio conversations. Why is the Michel Thomas Method so successful? The Michel Thomas Method draws on the principles of instructional psychology. Knowledge is structured and organised for the student so that you assimilate the

language easily and don't forget it. The method deconstructs the language into building blocks that are introduced sequentially in such a way that the learner creates his/her response and moves on to ever-more-complex sentences. Michel said: I will dissect everything into small parts and reassemble

it in such a way that one will understand everything step by step. He was also very clear about his ground rules: no memorisation, no drills, no homework; relax and leave off the anxiety normally associated with language learning.
