**Must Love Otters** HarperChristian + ORM

Siblings Bert, Willet, and Pansy know better than to go swimming at the old rock quarry. According to their father, it's the Devil's place, a place that's been cursed and forgotten. But Mississippi Delta summer days are scorching hot and they can't resist cooling off in the dark, bottomless water. Until the day six-year-old Pansy disappears. Not drowned, not lost . . . simply gone. After years with no sign, no hope of ever finding Pansy alive, Bert and Willet have tried to move on. But as surely as their mother died of a broken heart, they can't let go. So when clues surface drawing them to the remote tip of Florida, they drop everything and drive south. Deep in the murky depths of the Florida Everglades they may find the answer to Pansy's mysterious disappearance . . . but truth, like the past, is sometimes better left where it lies. Perfect for fans of Flannery O'Connor and Dorothy Allison, *The Past Is Never* is an atmospheric, haunting story of myths, legends, and the good and evil we carry in our hearts.

Hollie Porter is the chairwoman of Generation Disillusioned. At 25, she's saddled with a job she hates, a boyfriend who's all wrong for her, and a vexing inability to say no. She's already near her breaking point, so when one caller too many kicks the bucket during Hollie's 911 shift, she cashes in the Sweethearts' Spa & Stay gift certificate from her dad and heads to Revelation Cove, British Columbia. One caveat: she's going solo. Any sweethearts will have to be found on site. Hollie hopes to find her beloved otters in the wilds of the Great White North, but instead she's providing comic relief for staff and guests alike. Even Concierge Ryan, a former NHL star with bad knees and broken dreams, can't stop her from stumbling from one (mis)adventure to another. Just when Hollie starts to think that a change of venue doesn't mean a change in circumstances, the island works its charm and she starts to think she might have found the rejuvenation she so desperately desires. But then an uninvited guest crashes the party, forcing her to step out of the discomfort zone where she dwells and save the day ... and maybe even herself in the process.

An exquisite collection of the very best writing on love. THE LOVE BOOK presents a new anthology of writing on all aspects of the most important emotion on earth. There's true love, unrequited love, erotic love, platonic love, thwarted love, comic love, mourned love and just about every other type of love, explored here in poetry, prose, letters and lyrics from the greatest writers in the English language. In one fabulously comprehensive volume, Allie Esiri brings together texts ancient and modern, from William Shakespeare to Sharon Olds, Catullus to Carol Ann Duffy, the bible to Bob Dylan; she offers us sonnets for wooing, lamentations for loss and perfect passages for weddings. Full of classics and all-time favourites, THE LOVE BOOK also includes lesser-known marvels, such as Mozart's love notes, Sappho's lesbian odes and a letter from Napoleon. Forget corny greeting cards and chocolate box cliché, this is the literature of love at its finest. Beautifully presented and helpfully

divided into themed sections, it's an indispensable collection for anyone who's ever had a heart.

*Invisible Man* is a milestone in American literature, a book that has continued to engage readers since its appearance in 1952. A first novel by an unknown writer, it remained on the bestseller list for sixteen weeks, won the National Book Award for fiction, and established Ralph Ellison as one of the key writers of the century. The nameless narrator of the novel describes growing up in a black community in the South, attending a Negro college from which he is expelled, moving to New York and becoming the chief spokesman of the Harlem branch of "the Brotherhood", and retreating amid violence and confusion to the basement lair of the Invisible Man he imagines himself to be. The book is a passionate and witty tour de force of style, strongly influenced by T.S. Eliot's *The Waste Land*, Joyce, and Dostoevsky.

A trans boy enters a throw-down battle for the title of Homecoming King with the boy he dumped last summer in ZR Ellor's contemporary YA debut. Jeremy Harkiss, cheer captain and student body president, won't let coming out as a transgender boy ruin his senior year. Instead of bowing to the bigots and outdated school administration, Jeremy decides to make some noise—and how better than by challenging his all-star ex-boyfriend, Lukas for the title of Homecoming King? Lukas Rivers, football star and head of the Homecoming Committee, is just trying to find order in his life after his older brother's funeral and the loss of his long-term girlfriend—who turned out to be a boy. But when Jeremy threatens to break his heart and steal his crown, Lukas kick starts a plot to sabotage Jeremy's campaign. When both boys take their rivalry too far, the dance is on the verge of being canceled. To save Homecoming, they'll have to face the hurt they're both hiding—and the lingering butterflies they can't deny.

The first in a spicy and unforgettable rom-com duology from #1 New York Times bestseller and TikTok favorite Tessa Bailey, in which a Hollywood "It Girl" is cut off from her wealthy family and exiled to a small Pacific Northwest beach town... where she butts heads with a surly, sexy local who thinks she doesn't belong. Piper Bellinger is fashionable, influential, and her reputation as a wild child means the paparazzi are constantly on her heels. When too much champagne and an out-of-control rooftop party lands Piper in the slammer, her stepfather decides enough is enough. So he cuts her off, and sends Piper and her sister to learn some responsibility running their late father's dive bar... in Washington. Piper hasn't even been in Westport for five minutes when she meets big, bearded sea captain Brendan, who thinks she won't last a week outside of Beverly Hills. So what if Piper can't do math, and the idea of sleeping in a shabby apartment with bunk beds gives her hives. How bad could it really be? She's determined to show her stepfather—and the hot, grumpy local—that she's more than a pretty face. Except it's a small town and everywhere she turns, she bumps into Brendan. The fun-loving socialite and the gruff fisherman are polar opposites, but there's an undeniable attraction simmering between them. Piper doesn't want any distractions, especially feelings for a man who sails off into the sunset for weeks at a time. Yet as she reconnects with her past and begins to feel at home in Westport, Piper starts to wonder if the cold, glamorous life she knew is what she truly wants. LA is calling her name, but Brendan—and this town full of memories—may have already caught her heart. As seen on E!Online, PopSugar, CNN, EliteDaily, Culture, BuzzFeed, Bustle, the Nerd Daily, PARADE, LA Magazine, Country Living, USA Today, and more!

**One Rental at a Time** Simon and Schuster

By the New York Times bestselling author of *The Bone Clocks* | Shortlisted for the Man Booker Prize A postmodern visionary and one of the leading voices in twenty-first-century fiction, David Mitchell combines flat-out adventure, a Nabokovian love of puzzles, a keen eye for character, and a taste for mind-bending, philosophical and scientific speculation in the tradition of Umberto Eco, Haruki Murakami, and Philip K. Dick. The result is brilliantly original fiction as profound as it is playful. In this groundbreaking novel, an influential favorite among a new generation of writers, Mitchell explores with daring artistry fundamental questions of reality and identity. *Cloud Atlas* begins in 1850 with Adam Ewing, an American notary voyaging from the Chatham Isles to his home in California. Along the way, Ewing is befriended by a physician, Dr. Goose, who begins to treat him for a rare species of brain parasite. . . . Abruptly, the action jumps to Belgium in 1931, where Robert Frobisher, a disinherited bisexual composer, contrives his way into the household of an infirm maestro who has a beguiling wife and a noble daughter. . . . From there we jump to the West Coast in the 1970s and a troubled reporter named Luisa Rey, who stumbles upon a web of corporate greed and murder that threatens to claim her life. . . . And onward, with dazzling virtuosity, to an inglorious present-day England; to a Korean superstate of the near future where neocapitalism has run amok; and, finally, to a postapocalyptic Iron Age Hawaii in the last days of history. But the story doesn't end even there. The narrative then boomerangs back through centuries and space, returning by the same route, in reverse, to its starting point. Along the way, Mitchell reveals how his disparate characters connect, how their fates intertwine, and how their souls drift across time like clouds across the sky. As wild as a videogame, as mysterious as a Zen koan, *Cloud Atlas* is an unforgettable tour de force that, like its incomparable author, has transcended its cult classic status to become a worldwide phenomenon.

"Caesar's Messiah," a real life "Da Vinci Code," presents the dramatic and controversial discovery that the conventional views of Christian origins may be wrong. Author Joseph Atwill makes the case that the Christian Gospels were actually written under the direction of first-century Roman emperors. The purpose of these texts was to establish a peaceful Jewish sect to counterbalance the militaristic Jewish forces that had just been defeated by the Roman Emperor Titus in 70 A.D. Atwill uncovered the secret key to this story in the writings of Josephus, the famed first-century Roman historian. Reading Josephus's chronicle, "The War of the Jews," the author found detail after detail that closely paralleled events recounted in the Gospels. Atwill skillfully demonstrates that the emperors used the Gospels to spark a new religious movement that would aid them in maintaining power and order. What's more, by including hidden literary clues, they took the story of the Emperor Titus's glorious military victory, as recounted by Josephus, and embedded that story in the Gospels - a sly and satirical way of glorifying the emperors through the ages.

This true story of an ex-Marine who fought crime as an undercover cop, a narcotics agent, and finally a federal prosecutor spans a decade of crime fighting and narrow escapes. Charlie Spillers dealt with a remarkable variety of career criminals, including heroin traffickers, safecrackers, burglars, auto thieves, and members of Mafia and Mexican drug smuggling operations. In this riveting tale, the author recounts fascinating experiences and the creative methods he used to succeed and survive in a difficult and sometimes extremely dangerous underworld life. As a young officer with the Baton Rouge Police Department, ex-Marine Charlie Spillers first went undercover to infiltrate criminal groups to gather intelligence. Working alone and often unarmed, he constantly attempted to walk the thin line between triumph and disaster. When on the hunt, his closest associates were safecrackers, prostitutes, and burglars. His abilities propelled him into years of undercover work inside drug trafficking rings. But the longer he worked, the greater the risks. His final and perhaps most significant action in Baton Rouge was leading a battle against corruption in the police department itself. After Baton Rouge, he joined the Mississippi Bureau of Narcotics and for the next five years continued working undercover, from the Gulf Coast to Memphis; and from New Orleans to Houston, Texas. He capped off a unique career by becoming a federal prosecutor and the justice attaché for Iraq. In this book, he shares his most intriguing exploits and exciting undercover stings, putting readers in the middle of the action.
