The purpose of Psychic Supremacy is to introduce the reader to the Psychic Eagle Theory. The Psychic Eagle Theory will be defined as the spiritual theories delineated by the author of this book: Antonio Bilardi (The Psychic Eagle). The Psychic Eagle Theory has been shaped by militant paranormal experiences; therefore, the hidden powers of the mind have been examined from a radically new perspective. It must be emphasized that the theories formulated in Psychic Supremacy wholly represent the psychic experiences of the author. The Psychic Eagle will always challenge his rivals in ways they consider to be impossible. The Psychic Eagle will ruthlessly shatter the fallacies perpetuated by the enemies of psychic power... Psychic Supremacy will offer the masses a detailed manual on what constitutes the hidden powers of the mind. Psychic power is more complicated and dynamic than anyone could possibly imagine. Psychic power has been discussed by the many, but it has only been understood by the few. The many fallacies of psychic power will only impede spiritual and psychic development. Those who fail the Holy Quest will never be granted access to the Divine. All the students of the Psychic Eagle will be shown the path to true spiritual glory. Long Live Operation TEPCOT... Those who read these words will quickly realize that this is no normal book; this is a book of unimaginable power. It is a book of psychic conquest, but it is still a book of secrets; the seeker will need to be smart if they want to enjoy the spoils of this war. This book will mark the rise of a new era in the supremacy of psychic power. Behold the psychic battlefield; for no common coward will belong here. This book, 'Time Traveling is about Astral Projection into the past, present and future. Witnessing the truth about event, while traveling through time and space. The soul or consciousness extending far beyond the physical realm like a light beaming through the cracks, while being propelled by God into unknown adventures. Causing the soul to gather truth concerning certain events, as in the case of the holy Prophet Enoch (AS), who learned Astronomy from the Angels. During the course of Time Traveling, the soul becomes a witness to many strange things and events, unknown to the average person. The soul learns of many true facts, such as Heaven and Hell, and the questioning in the grave. Facts which are not yet proven by humans, but yet exist. These true facts are taught by Angels and those who have already pass on to the after life. Astral Projection or astral travel is an out-of-body experience called OBE. The soul or consciousness has the ability to assume the existence of an Astral or Etheric body, with only a silver cord or rope connecting it to the physical body. Thus, the soul or consciousness can travel outside the physical realm into the Astral and Celestial realms of time and space. The idea of time travel is rooted in all religions concerning the after life in which the soul is rewarded or punished for the deeds of the physical body and mind. It take a great deal of self-control, pure foods and a lot of meditation (prayer) to reach the stage of the energy frequency of light, in order for one to do such space and time travel. Often, Almighty God gifts the pure soul with a special glad tidings for their spiritual growth. God then helps the pure soul to draw closer to Him, i.e. His obedience. The successful time traveler finds much rest and peace of mind after learning these true facts, and while drawing close to the Divine Love of God (Qur'an 89:27-30). It at this point that God sends Angels to bring that soul of peace the Glad-Tidings that God is pleased with it. That is truly something to aspire for.

Where do we go when we die? Everything we know about the afterlife is based on someone else's spiritual experiences: near-death experiences (NDEs) and out-of-body experiences (OBEs) aka astral projection. Most of the information has been distorted by religious agendas, centuries of time, ancient language misinterpretations, cultural differences, and just plain lack of words for what really happened. Wouldn't it be great if you could get your own answers without coming close to death? Now you can. This book will teach you how to temporarily exit your physical body and explore the world beyond. Many books claim to teach you how to induce OBEs, but fail to deliver. Most sell you superstitious nonsense, occult rituals, or new-age mumbo-jumbo. Even the best seem to parrot the same stale techniques that don't work, and usually without any explanation of how they're supposed to work. This book is different. Hacking the Out of Body Experience is the best and most complete collection of no-nonsense techniques to induce OBEs. There is no cruft. It's one hundred percent OBE techniques, based on Peterson's 40 years of firsthand experience, solid principles of neuroscience, bio-hacking, and information gleaned from all the experts in the field. Best of all, each technique contains a detailed explanation of the principles behind it and how it works.
