Experiencing the Power of God's Love Harvest House Publishers  
Finding God's presence in everyday moments is fundamental to every Christian's life. It's also one of the areas that millions of American Christians struggle with most. Popular author, theologian, and pastor Gregory Boyd knows this firsthand. After two decades of teaching, preaching, and welcoming the presence of God, Boyd considers himself a fellow pilgrim with his readers,

whom he invites to join him on the journey. Christians will discover the transforming power of God's presence as he distills the teachings of classical spiritual giants such as Brother Lawrence, Jean-Pierre de Caussade, and Frank Laubach in this thoughtful and accessible Ebook. Boyd writes simply and clearly, making his ideas accessible to nonacademic readers. His practical suggestions for implementing the presence of God into daily living move his meditations from purely theoretical to effective, down-to-earth, and doable. Read these meditations prayerfully. Apply the practical suggestions. See the results. Embrace the "holy habit" of inviting God's presence into

your life and experience true spiritual transformation.

A disquieting question persists: "What if I should die before I feel life is full?" It is deeply personal, hauntingly spiritual. It's a challenge to re-visit beliefs and the dynamics of faith, love, hope. Exploration brings a fresh encounter: the human and spiritual elements of "self." These are not contending identities; each supplies unique initiatives for life's fullness. Both need nurturing; either can be ignored. Spiritual experience makes promise and mystery real; this enhances earthly achievements. These Meditations focus on spiritual vitality—especially for seniors. They reach beyond a biological birth-death time-frame. They touch on continuity beyond earth-time. God's initiatives enrich the spiritual self—grace energizes faith. This generates and motivates people to offer acts of love. Love fosters grander character and perspective, wholesome relationships, healing for the heart-hungry/heart-broken. The outcome: a healthier self experiencing

joy and peace—wholeness for life beyond death. Richard Smyth's missionary service in India was designated "church development." The Indian church prepared for autonomy, to assure continuity of American mission initiatives. "Development" involved identifying and implementing specific ministries. The challenge: match peoples' needs with relevant opportunities. This affected worship/activity in local congregations as well as their outreach efforts. The goal: design culturally valid strategies, structures and services for the church's mission, organization, workers. An emphasis was proper leadership and resources. He built up a multi-cultural congregation in one of New Delhi's new suburban areas. This housed government, business and military personnel called to national offices. The congregation's focus: build strong fellowship ties and initiate outreach services in the community. This pattern was used for nation-wide training programs by denominational and para-church groups. The last 15 years expanded the ministry to facilitate similar transitions by mission institutions in 14 Asia/Pacific nations. Richard and Sylvia Smyth retired in 1998; they reside in Asheville, North Carolina. Their family of 5 Indian children and spouses, grandchildren and great-grandchildren live in New Delhi, Manila, Dubai and Stockholm.

2021 Illumination Book Awards, Silver Medal: Theology God's presence is not "out there" but right here. We tend to look for God in dramatic or miraculous moments, but such expectations can blind us to God's ongoing presence. What if God is already with us, in the life we have this moment? When we experience ordinary but meaningful events, such as our first love or a

favorite novel, we are in fact encountering God's presence. As we learn to notice spiritual movement within and around us, we can recognize the many facets of God's love that touch us daily. "As a priest and spiritual director of many decades, my driving desire is for people to experience God's limitless love for them and to recognize it when it emerges in what they consider just ordinary life happenings and conversations." —William A. Barry, SJ

Whether we are in pain or crisis, questioning if we are really worthy of God's attention, or are simply wondering why God would be in the mundane details of our lives, *Experiencing God in the Ordinary* can nurture our hope—that God is always present and can be found in an ordinary day. Complete with personal stories and various suggestions for prayer and meditation, this book is perfect for devotional reading, retreat, or small-group discussion.

*He Holds My Hand* is a page-per-day 365-day devotional. Based on Scripture, this devotional is written as if God the Father is speaking His words of comfort and protection directly over you. When Carol Kent's son was sentenced to life in prison without parole, Carol was consumed with grief, sadness, and despair. She was distraught wondering why God permitted this to happen. She had prayed for her son since he was a small child. He had been raised with biblical principles and daily prayer. As Carol tried to make sense of everything, she couldn't help asking, Where's God when it hurts so much? In the middle of her sorrow, Carol turned to the place where she had always gone for comfort—the Bible. She was desperate to hear God's voice. She soon discovered that the best way for her to "listen" to His voice was to meditate on Scripture and then write out what she believed He was saying. She wrote it as if it was His prayer over her life, and it comforted her. It was as if He took her by the hand, as a father would guide a child, and He gently led her in the direction of unconditional love, renewed hope, and fresh faith. Know without a doubt that God is with you and stands ready to protect and guide you. He holds your hand, and He won't let go. Listen to God's voice and put your hand in His. He is your Comforter, your Healer, your Teacher, and your Joy. Remember He holds your hand, and He won't let go.

Christian Prose and Poetry Poetry captures our thoughts and emotions, expressing them in words which we cannot sometimes find. Poetry has a way of entering the word, keeping the word present to us in a similar way that music, by its rhythm and repetition, presents to us a feeling, a mood, a happening, capturing a memory throughout the twists and turns of the Spiritual journey back to God. Life is ongoing, bringing changes, some we long for, others we would rather not experience. This book reflects times and seasons that touch most of our lives in one way or another. Placed in no particular order, there is something for everyone to dip into, touching a chord, bringing out the pain and beauty of a soul while welcoming the Holy Spirit within and letting Him shine forth His healing rays of Light.

Walk with God You wake up, and your mind is already racing. Your schedule is packed with all that the day holds. In the jumble of carpools, projects, dinner, work, and time with your family, God is often pushed to the side--or out of the picture completely. Matthew Henry was a man who awoke to thoughts of God, went

to bed with God on his mind, and filled every hour in between with the same godly focus. Despite hardships, his life was fulfilled and joyful. Learn from him the importance of godly conversation, true devotions, and effective communication, and find a life that is completely pleasing to God.
