Soon after his popular *A Travel Guide to Heaven* was published, bestselling author Anthony DeStefano recognized that children also have many questions about heaven. In celebration of the tenth anniversary of that book, Anthony wrote this fun-filled, action story about a little boy named Joey who gets to take a whirlwind tour of heaven with his guardian angel, Gabby. Artist Erwin Madrid's stunning illustrations bring the story to life, showing heaven to be a place where everyone is happy, the animals all get along, and God's glory is more amazing than anything Joey had ever seen in his whole life. This long-awaited children's edition will quickly become a favorite for the reader and the child alike. Imagine the comfort and peace children will experience when they hear about this incredible place God has prepared for them.

6 lectures and an essay, 1919-1920 (CW 297) World War I destroyed the structures, values, and self-confidence that created the seeming greatness of the nineteenth century. In its place stood ruins and the shards of a civilization. In response to this, Emil Molt--the director of the Waldorf-Astoria Cigarette Factory and a student of Rudolf Steiner--decided to establish a school to educate people who could create a new culture. Thus, the Waldorf school movement was begun. Rudolf Steiner agreed to act as the school's consultant, and his insights guided the school in accomplishing this ambitious task. The goal of this education was that, through living inner work guided by the insights of Rudolf Steiner, the teachers would develop in the children such power of thought, depth of feeling, and strength of will that they would emerge from their school years as full members of the human community, able to meet and transform the world. These lectures occurred around the opening of the first Waldorf school. They serve as an excellent, inspiring introduction to Waldorf education as a whole. Here Steiner outlines--with freshness, immediacy, and excitement--the goals and intentions of a new form of education and speaks to parents of

prospective students. He explains the school's guiding principles and describes how parents must participate, with understanding and interest, in the awakening of their children's creative forces so that a healthier society can come about. Visions of Hell... In *A Divine Revelation of Hell*, over a period of thirty nights, God gave Mary K. Baxter visions of hell and commissioned her to tell people still alive on earth to reject sin and evil, and to choose life in Christ. Here is an account of the place and beings of hell contrasted with the glories of heaven. Follow Mary in her supernatural journey as she enters with Jesus into a gateway to hell and encounters the sights, sounds, and smells of that dark place of torment, including its evil spirits, cells, pits, jaws, and heart. Be an eyewitness to the various punishments of lost souls and hear their shocking stories. This book is a reminder that each of us needs to accept the miracle of salvation before it is too late—and to intercede for those who do not yet know Christ.

Time is running out.

Start seeing God's goodness all around you! In God is Really Good, discover that God's goodness is all around us—we just need to learn how to see it! Get ready to follow Sparrow and his friends as they go on a journey to learn just how good God really is. The world can feel like a very big, scary place for kids sometimes and it can be easy to get wrapped up in its big problems but, we can rest safely knowing that that even when things worry us, God takes care of everything and that He is always good. Based on the teaching of Pastor Bill Johnson, God is Really Good features a fun new story written by Seth Dahl, Bethel Church's children's pastor, and illustrations by Lamont Hunt. This inspiring story will help children learn to see the presence of God's goodness all around them and tell the difference between the good things that come from God and the bad things that do not.

A young boy emerges from life-saving surgery with remarkable stories of his visit to heaven. Heaven Is for Real is the true story of the four-year old son of a small town Nebraska pastor who during emergency surgery slips from consciousness and enters heaven. He survives and begins talking about being able to look down and see the doctor operating and his dad praying in the waiting room. The family didn't know what to believe but soon the evidence was clear. Colton said he met his miscarried sister, whom no one had told him about, and his great grandfather who died 30 years before Colton was born, then shared impossible-to-know details about each. He describes the horse that only Jesus could ride, about how "reaaally big" God and his chair are, and how the Holy Spirit "shoots down power" from heaven to help us. Told by the father, but often in Colton's own words, the disarmingly simple message is heaven is a real place, Jesus really loves children, and be ready, there is a coming last battle.

Children ask a lot of questions. When a death occurs in their family or circle of friends, those questions inevitably turn toward heaven. Is heaven real? Where is it? What will we do there? How do we get there? And more. Parents and grandparents often find themselves at a loss to explain a place that they suddenly may realize they don't know much about either. Colorfully illustrated and using simple concepts and language that children ages 4-7 can understand, A Place Called Heaven for Kids provides answers to 10 of these common questions. In doing so, it gives children peace of mind about their lost loved one as well as a comforting, biblical picture of their forever home. For parents, grandparents, and caregivers, it offers a positive, constructive way to grieve, hope, and grow with the children in their lives.

Mothering is messy. Our joy and hope in raising children doesn't change the reality that being a mom can be frustrating, stressful, and tiring. But just as God is using us to shape our children, God is using our children and motherhood to shape us. In The Better Mom, author Ruth Schwenk, herself a mother of four children, encourages us with the good news that there is more to being a mom than the extremes of striving for perfection or simply embracing the mess. We don't need to settle for surviving our kids' childhood. We can grow through it. With refreshing and heartfelt honesty Ruth emboldens moms to: Find freedom and walk confidently in purpose Create a God-honoring home environment Overcome unhealthy and destructive emotions such as anger, anxiety, and more Avoid glorifying the mess of mom-ing or idolizing perfection Cultivate life-giving friendships At the heart of The Better Mom is the message that Jesus calls us to live not a weary life, but a worthy life. We don't have to settle for either being apathetic or struggling to be perfect. Both visions of motherhood go too far. Ruth offers a better option. She says, "It's okay to come as we are, but what we're called to do and be is far too important to stay there! The way to becoming a better mom starts not with what we are doing, but with who God is inviting us to become."

-I had a dream about heaven!- exclaimed Priyanka. Running up to her mom one morning, four-year-old Priyanka nonchalantly mentioned that Jesus had taken her and her two-year-old sister Deepika to heaven during the previous night. In the days that followed, the sisters amazed their parents with their vivid descriptions of what they saw and experienced in heaven and hell over the course of several visits there. Within the constraints of their limited preschool vocabulary, the girls described deep theological truths about eternity that often belied their years, speaking with remarkable clarity and boldness. Their mom initially recorded their testimonies in a written journal as well as a video log. Now, for the first time, -Snatched Up to Heaven- documents their true accounts alongside the purifying lens of the Word of God. While much of the narrative focuses on our after-life destinies, -Snatched Up to Heaven- will give you a fresh perspective on how to live a life of eternal significance today.

"What is heaven like?" A young boy and his sister, missing their recently departed grandfather, ponder heaven. In a quest for understanding, the boy sets off to ask everyone he encounters all about it--his teachers, the ice cream truck driver, the dentist, his family--and each person offers a different yet insightful response. For any child who is coming to terms with the loss of a loved one, or even those young ones who are simply curious, *What Is Heaven Like?* poignantly addresses the questions kids ask most often. The final page offers suggestions for parents and Christian educators. "There are many rooms in my Father's house. If this were not true, I would have told you." John 14:2
