I'm a lone wolf, and I like it that way. Banished from my birth pack after a bloodbath, I never wanted a mate. Then I meet Kylie. My temptation. We're trapped in an elevator together, and her panic

almost makes her pass out in my arms. She's strong, but broken. And she's hiding something. My wolf wants to claim her. But she's human, and her delicate flesh won't survive a wolf's mark. I'm too dangerous. I should stay away. But when I discover she's the hacker who nearly took down my company, I demand she submit to my punishment. And she will. Kylie belongs to me. Book 2 - Alpha's

Danger "YOU BROKE THE RULES, LITTLE HUMAN. I OWN YOU NOW." I am an alpha wolf, one of the youngest in the States. I can pick any she-wolf in the pack for a mate. So why am I sniffing around the sexy human attorney next door? The minute I catch Amber's sweet scent, my wolf wants to claim her. Hanging around is a bad idea, but I don't play by the rules. Amber acts all prim and proper, but she has a

secret, too. She may not want her psychic abilities, but they're a gift. I should let her go, but the way she fights me only makes me want her more. When she learns what I am, there's no escape for her. She's in my world, whether she likes it or not. I need her to use her gifts to help recover my missing sister—and I won't take no for an answer. She's mine now. Book 3 - Alpha's Prize

Davis Raynes Publishing Group, LLC NEW YORK TIMES BESTSELLER • From J. Kenner comes the second novel in the fast-paced trilogy that started with Release Me. This sexy, emotionally charged romance continues the story of Damien Stark, the powerful multimillionaire who's never had to take "no" for an answer, and Nikki Fairchild, the Southern belle who only says "yes" on her own terms. For

Damien, our obsession is a game. For me, it is fiercely, blindingly, real. Damien Stark's need is palpable—his need for pleasure, his need for control, his need for me. Beautiful and brilliant yet tortured at his core, he is in every way my match. I have agreed to be his alone, and now I want him to be fully mine. I want us to possess each other beyond the sweetest edge of our ecstasy, into the deepest desires of our

souls. To let the fire that burns between us consume us both. But there are dark places within Damien that not even our wildest passion can touch. I yearn to know his secrets, yearn for him to surrender to me as I have surrendered to him. But our troubled pasts will either bind us close . . . or shatter us completely. NOTE: This edition includes an excerpt from J. Kenner's *Say My Name*.

the eyes of your dog so you can finally eliminate problem behaviors. From his appearances on The Oprah Winfrey Show to his roster of celebrity clients to his reality television series, Cesar Millan is America's most sought-after dog-behavior expert. But Cesar is not a trainer in the traditional sense—his expertise lies in his unique ability to comprehend dog psychology.

Tracing his own amazing journey from a clay-walled farm in Mexico to the celebrity palaces of Los Angeles, Cesar recounts how he learned what makes dogs tick. In *Cesar's Way*, he shares this wisdom, laying the groundwork for you to have stronger, more satisfying relationships with your canine companions. Cesar's formula for a contented and balanced dog seems

impossibly simple: exercise, discipline, and affection, in that order.

Taking readers through the basics of dog psychology and behavior, Cesar shares the inside details of some of his most fascinating cases, using them to illustrate how common behavior issues develop and, more important, how they can be corrected.

You'll learn: • What your dog really needs may not be

what you're giving him • Why a dog's natural pack instincts are the key to your happy relationship • How to relate to your dog on a canine level • There are no "problem breeds," just problem owners • How to choose a dog who's right for you and your family • The difference between discipline and punishment • And much more! Filled with fascinating anecdotes about Cesar's longtime

clients, and including forewords by the president of the International Association of Canine Professionals and Jada Pinkett Smith, this is the only book you'll need to forge a stronger, more rewarding connection with your four-legged companion.  Alphas? Wolf shifter Virginia Battle has had her fill of them. She's grown up with an Alpha dad and four bossy, overprotective older brothers - so there's no way in hell she's going to give arrogant, sexy Carver Lawrence the time of day. Yet he keeps

showing up everywhere she goes, scaring off all the guys who want to date her - and not making a single move on her. Then after one drunken night in a casino, she wakes up next to him in bed...with a wedding ring on her finger. Now her pack is howling for his blood (literally), he's insisting that she's really his wife, and before she knows it she's whisked off to a sexy honeymoon at a mountain resort.

Carver's known from the minute he laid eyes on Virginia that she was meant to be his - but can a strong-willed woman (with some pretty big secrets) and a demanding dominant Alpha ever find love? Just when Virginia's starting to think that being married to a man who comes equipped with his own handcuffs might not be the worst thing in the world, she and Carver learn

that there's something very wrong at Honeymoon Mountain. Does it have anything to do with the secret she's been keeping from her family? And with the townspeople hiding a deadly secret of their own, and someone - or something - very scary sniffing around at her cabin, will she survive long enough to find out?
