This highly practical book, paired with its online companion, will teach you the processes and tools you need to create products that sell. Using the same stunning visual format as the authors' global bestseller, Business Model Generation, this sequel explains how to use the "Value Proposition Canvas" to design, test, create, and manage products and services customers actually want. Value Proposition Design is for anyone who has been frustrated by new product meetings based on hunches and intuitions; it's for anyone who has watched an expensive new product launch fail in the market. The book will help you understand the patterns of great value propositions, get closer to customers, and avoid wasting time with ideas that won't work. You'll learn the simple process of designing and testing value propositions, that perfectly match customers' needs and desires. In addition the book gives you exclusive access to an online companion on Strategyzer.com. You will be able to assess your work, learn from peers, and download pdfs, checklists, and more. Doing research can make all the difference between a great design and a good design. By engaging in competitive intelligence, customer profiling, color and trend forecasting, etc., designers are able to bring something to the table that reflects a commercial value for the client beyond a well-crafted logo or brochure. Although scientific and analytical in nature, research is the basis of all good design work. This book provides a

comprehensive manual for designers on what design research is, why it is necessary, how to do research, and how to apply it to design work.

Headway : [CEF u. CEFR ed.]. A2 : Workbook [with Audio CD & Interactive CD-ROM] John Wiley & Sons

The spine-tingling, bone-chilling novel of supernatural suspense from the #1 New York Times bestselling author of The Fireman and Horns—now an AMC original series starring Zachary Quinto, Ebon Moss-Bachrach, and Ashleigh Cummings. "A masterwork of horror."—Time Victoria McQueen has an uncanny knack for finding things: a misplaced bracelet, a missing photograph, answers to unanswerable questions. When she rides her bicycle over the rickety old covered bridge in the woods near her house, she always emerges in the places she needs to be. Charles Talent Manx has a gift of his own. He likes to take children for rides in his 1938 Rolls-Royce Wraith with the vanity plate NOS4A2. In the Wraith, he and his innocent guests can slip out of the everyday world and onto hidden roads that lead to an astonishing playground of amusements he calls Christmasland. The journey across the highway of Charlie's twisted imagination transforms his precious passengers, leaving them as terrifying and unstoppable as their benefactor. Then comes the day when Vic goes looking for trouble...and finds her way to Charlie. That was a lifetime ago. Now, the only kid ever to escape Charlie's evil is all grown up and desperate to forget. But Charlie Manx hasn't stopped thinking about Victoria McQueen. On the road again, he won't slow down until he's taken his revenge. He's after something very special—something Vic can never replace. As a life-and-death battle of wills builds, Vic McQueen prepares to destroy Charlie once and for all—or die trying.
