MARSHALL JOHNNY

My Revision Notes: WJEC GCSE Biology Heinemann

This brand new series consists of five textbooks, each with corresponding Teacher Support. GCSE Double Award is delivered by the Year 10 and 11 Higher texts. The Foundation Tier Double Award is delivered by the Year 10 and 11 Foundation texts. The Foundation and Higher texts can be used in parallel to cover a wide ability range.

Revise for Geography GCSE OCR Specification C (Bristol Project) Nelson Thornes

A CD-ROM is included in the book and provides interactive self-assessment, guidance on completing a portfolio, reference and research materials and more challenging resources for higher tier students. The price includes a single-user licence.

Work Out Chemistry GCSE Hodder Education

Written by experienced authors to cover the new WJEC GCSE Additional Science specification in full, this title provides all the ingredients for successful exam revision: relevant and accessible notes, examiner advice, and questions and answers on each key topic. This revision guide complements the WJEC GCSE Additional Science students textbook.

GCSE in Applied Science for OCR Letts and Lonsdale

This biology extension file includes teaching notes, guidance on coursework activities and equipment. It has at least one assignment for each topic in the textbooks - suitable for classwork and homework. A comprehensive range of practical activities are included. It contains extensive Key Skills and ICT materials. An exam file resource containing a complete set of exam style questions, in a format that can be used throughout Years 10 and 11, or as a resource for a revision programme is included.

Practice makes permanent: 600+ questions for AQA GCSE Combined Science Trilogy Letts and Lonsdale

Helps students manage their revision and prepare for exams efficiently. This title offers content that is broken into manageable sections. It provides exam tips and techniques to support students in the revision process.

Biology for OCR A for Separate Award Heinemann

Build essential maths, literacy and working scientifically skills to boost marks in GCSE Biology and ensure that students reach their full potential. Suitable for all specifications, this skills book provides additional support and will help to: - Sharpen mathematical skills with plenty of practice questions and coverage of all the maths techniques needed for the exams. - Improve literacy skills with tips on how to write longer answers, plus peer-assessment marking activities. - Develop the working scientifically skills needed to plan, carry out and evaluate practical experiments, in order to secure the maximum number of marks. - Build confidence by putting skills into practice; using our three-step formula students will progress from worked examples to guided questions and exam-style questions, with fully-worked solutions in the book. - Raise performance in the exams with practical advice on how to revise effectively and tips on understanding the questions, command words and assessment objectives.

GCSE Science Heinemann

This Success Revision Guide offers accessible content to help students manage their revision and prepare for the exam efficiently. The content is broken into manageable sections and advice is offered to help build students' confidence. Exam tips and techniques are provided to support students throughout the revision process.
