 A cultural history of the last forty years, *The Age of American Unreason* focuses on the convergence of social forces—usually treated as separate entities—that has created a perfect storm of anti-rationalism. These include the upsurge of religious fundamentalism, with more political power today than ever before; the failure of public education to create an informed citizenry; and the triumph of video over print culture. Sparing neither the right nor the left, Jacoby asserts that Americans today have embraced a universe of “junk thought” that makes almost no effort to separate fact from opinion.

 Bukowski in Pictures is the first pictorial biography of Bukowski, telling the story of his life with approximately two hundred photographs, both colour and black and white, most of which are published here for the first time. Friends of Bukowski, members of his family, and former lovers have contributed candid photographs. There are powerful new portraits by leading photographers such as Gottfried Helnwein, former Rolling Stone art director Tony Lane, and Andy Warhol's former assistant, Gerard Malanga. Artists Dave Geiser and R. Crumb have provided illustrations. Extracts from personal letters and rare documents, including Bukowski's recently declassified FBI file, offer new insights that delve behind the public personae. Biographer Howard Sounes - author of *Charles Bukowski: Locked in the*

Arms of a Crazy Life - has edited and introduced Bukowski in Pictures, weaving new research and quotations from Bukowski's work into introductory essays and extensive photo captions.

 Unmasks the tough, street-smart persona of Charles Bukowski—America's "Ultimate Outsider" Amazing letters filled with passionate, literary, and personal observation Insights into the author of *Tales of Ordinary Madness*, *Notes of a Dirty Old Man*, and *Run with the Hunted* Insights into Sheri Martinelli: the protege of Anais Nin, an accomplished painter, and the mistress of Ezra Pound Charels Bukowski's persona as the Dirty Old Man of American Literature is just that: a persona, a mask beneath which there was a man better read and more cultured than most people realize. Sheri Martinelli was

one of the favored few for whom Bukowski dropped the mask and engaged in serious discussion of literature and art, and for that reason the discovery and publication of his letters to her give us a more complete picture of this complicated man. [Hollywood](#) HarperCollins

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

One Woman's Fight Against America's Dirty Secret Harper Collins

A compilation of Charles Bukowski's underground articles from his column "Notes of a Dirty Old Man" appears here in book form. Bukowski's reasoning for self-describing himself as a 'dirty old man' rings true in this book. "People come to my door—too many of them really—and knock to tell me Notes of a Dirty Old Man turns them on. A bum off the road brings in a gypsy and his wife and we talk . . . drink half the night. A long distance operator from Newburgh, N.Y. sends me money. She wants me to give up drinking beer and to eat well. I hear from a madman who calls himself 'King Arthur' and lives on Vine Street in Hollywood and wants to help me write my column. A doctor comes to my door: 'I read your column and think I can help you. I used to be a psychiatrist.' I send him away . . ." "Bukowski writes like a latter-day Celine, a wise fool talking straight from the gut about the futility and beauty of life . . ." —Publishers Weekly "These disjointed stories gives us a glimpse into the brilliant and highly disturbed mind of a man who will drink anything, hump anything and say anything without the slightest tinge of embarrassment, shame or remorse. It's actually pretty hard not to like the guy after reading a few of these semi-ranting short stories." —Greg Davidson, curriculummag.com Charles Bukowski was born in Andernach, Germany on August 16, 1920, the only child of an American soldier and a German mother. Bukowski published his first story when he was twenty-four and began writing poetry at the age of thirty-five. His first book of poetry was published in 1959; he went on to publish more than forty-five books of poetry and prose, including *Pulp* (Black Sparrow, 1994), *Screams from the Balcony: Selected Letters 1960-1970* (1993), and *The Last Night of the Earth Poems* (1992). Other Bukowski books published by City Lights Publishers include *More Notes of a Dirty Old Man*, *The Most Beautiful Woman in Town*, *Tales of Ordinary Madness*, *Portions from a Wine-*

Stained Notebook, and *Absence of the Hero*. He died of leukemia in San Pedro on March 9, 1994.

Previously uncollected pulp fiction by the 20th-century American master. "The uncollected gutbucket ramblings of the grand dirty old man of Los Angeles letters have been gathered in this characteristically filthy, funny compilation . . . Bukowski's gift was a sense for the raunchy absurdity of life, his writing a grumble that might turn into a belly laugh or a racking cough but that always throbbled with vital energy."--Kirkus Reviews From the self-illustrated, unpublished work written in 1947 to hardboiled contributions to 1980s adult magazines, *The Bells Tolls for No One* presents the entire range of Bukowski's talent as a short story writer, from straight-up genre stories to postmodern blurring of fact and fiction. An informative introduction by editor David Stephen Calonne provides historical context for these seemingly scandalous and chaotic tales, revealing the hidden hand of the master at the top of his form. Born in Andernach, Germany, and raised in Los Angeles, Charles Bukowski published his first story when he was twenty-four and began writing poetry at the age of thirty-five. His first book of poetry was published in 1959; he would eventually publish more than forty-five books of poetry and prose. He died of leukemia in San Pedro, California on March 9, 1994. David Stephen Calonne is the author of several books and has edited three previous collections of the uncollected work of Charles Bukowski for *City Lights: Absence of the Hero*, *Portions from a Wine-Stained Notebook*, and *More Notes of a Dirty Old Man*.

Beerspit Night and Cursing City Lights Books

Everyone's favorite Dirty Old Man returns with a new volume of uncollected work. Charles Bukowski (1920-1994), one of the most outrageous figures of twentieth-century American literature, was so prolific that many significant pieces never found their way into his books. *Absence of the Hero* contains much of his earliest fiction,

unseen in decades, as well as a number of previously unpublished stories and essays. The classic Bukowskian obsessions are here: sex, booze, and gambling, along with trenchant analysis of what he calls "Playing and Being the Pet." Among the book's highlights are tales of his infamous public readings ("The Big Dope Reading," "I Just Write Poetry So I Can Go to Bed with Girls"); a review of his own first book; hilarious installments of his newspaper column, *Notes of a Dirty Old Man*, including meditations on neo-Nazis and driving in Los Angeles; and an uncharacteristic tale of getting lost in the Utah woods ("Bukowski Takes a Trip"). Yet the book also showcases the other Bukowski—an astute if offbeat literary critic. From his own "Manifesto" to his account of poetry in Los Angeles ("A Foreword to These Poets") to idiosyncratic evaluations of Allen Ginsberg, Robert Creeley, LeRoi Jones, and Louis Zukofsky, *Absence of the Hero* reveals the intellectual hidden beneath the gruff exterior. Our second volume of his uncollected prose, *Absence of the Hero* is a major addition to the Bukowski canon, essential for fans, yet suitable for new readers as an introduction to the wide range of his work. "He loads his head full of coal and diamonds shoot out of his finger tips. What a trick. The mole genius has left us with another digest. It's a full house--read 'em and weep."—Tom Waits "This second volume of Bukowski's uncollected stories and essays offers all that Bukowski is known for—wry obscenity, smutty wisdom, seeming ramblings whose hidden smarts catch you unaware--but in addition there are moments here in which he takes off the mask and strips away the bravado to show himself at his most vulnerable and human. A must for Bukowski aficionados."—Brian Evenson, author of *Last Days and The Open Curtain* "Like a brass-rail Existentialist or a skid-row Transcendentalist, [Bukowski] is candid, unblinking, leaving it to his readers to cast their own judgment about his mishaps, his drinking, his sexual appetite or his own pessimism. He is Ralph Waldo Emerson as a Dirty Old Man, not lounging in the grape-arbor of Concord, Massachusetts, but bent-over a table in an L.A. flophouse scribbling in pencil to the strains of Sibelius."—Paul Maher Jr., *Phawker* "[Bukowski] could be generous and mean-spirited, heroic and defensive, spot-on and slanted, but he became the world-class writer he had set out to be; he has joined the permanent anti-canon or shadow-canon whose denizens had shown him the way. Today the frequent allusions to him in both popular and mainstream culture

tend more to respect than mockery. If scholarship has lagged, this book would indicate that this situation is changing."—Gerald Locklin, Resources for American Literary Study "The pieces range over nearly half a century, and include a story about a baseball player seized by a sudden bout of existential paralysis, along with early, graphically sexual (and masterfully comic) stories published in such smut mags as *Candid Press*."—Penthouse "An absolute must for fans of Charles Bukowski's work, *Absence of a Hero* is also a welcome addition to public and college library literary studies shelves."—Midwest Book Review *Tales of Ordinary Madness* Penguin 'What will you do?' 'Oh, hell, I'll write a novel about writing the screenplay and making the movie.' 'What are you going to call it?' 'Hollywood.' Henry Chinaski has a penchant for booze, women and horse-racing. On his precarious journey from poet to screenwriter he encounters a host of well-known stars and lays bare the absurdity and egotism of the film industry. Poetic, sharp and dangerous, *Hollywood* – Bukowski's fictionalisation of his experiences making the film *Barfly* – explores the many dark shadows to be found in the neon-soaked glare of Hollywood's limelight.

On Drinking The New Press

A raw and tenderly funny look at the human-cat relationship, from one of our most treasured and transgressive writers. "The cat is the beautiful devil." Felines touched a vulnerable spot in Charles Bukowski's crusty soul. For the writer, there was something majestic and elemental about these inscrutable creatures he admired, sentient beings whose searing gaze could penetrate deep into our being. Bukowski considered cats to be unique forces of nature, elusive emissaries of beauty and love. *On Cats* offers Bukowski's musings on these beloved animals and their toughness and resiliency. He honors them as fighters, hunters, survivors who command awe and respect as they grip tightly onto the world around them: "A cat is only ITSELF, representative of the strong forces of life that won't let go." Funny, moving, tough, and caring, *On Cats* brings together the acclaimed writer's reflections on these animals he so admired. Bukowski's cats are fierce and demanding—he captures them stalking their prey; crawling across his typewritten pages; waking him up with claws across the face. But they are also affectionate and giving, sources of inspiration and gentle, insistent care. Poignant yet free of treacle, *On Cats* is an illuminating portrait of this one-of-a-kind

artist and his unique view of the world, witnessed through his relationship with the animals he considered his most profound teachers.

cesspools brimmed with "night soil," graveyards teemed with rotting corpses, the air itself was choked with smoke. In this intimately visceral book, Lee Jackson guides us through the underbelly of the Victorian metropolis, introducing us to the men and women who struggled to stem a rising tide of pollution and dirt, and the forces that opposed them. Through thematic chapters, Jackson describes how Victorian reformers met with both triumph and disaster. Full of individual stories and overlooked details—from the dustmen who grew rich from recycling, to the peculiar history of the public toilet—this riveting book gives us a fresh insight into the minutiae of daily life and the wider challenges posed by the unprecedented growth of the Victorian capital. *Sketchbook* Notes of a Dirty Old Man Notes of a Dirty Old Man City Lights Publishers Conceptual Drawings from the World's Most Influential Designers Harper Collins NATIONAL BESTSELLER "Defiantly populated with living women . . . beautifully drawn, dense with detail and specificity . . . In the tradition of *Long Bright River* and *The Mars Room*, a gripping and atmospheric work of literary suspense that deconstructs the story of a serial killer on death row, told primarily through the eyes of the women in his life—from the bestselling author of *Girl in Snow*. Ansel Packer is scheduled to die in twelve hours. He knows what he's done, and now awaits execution, the same chilling fate he forced on those girls, years ago. But Ansel doesn't want to die; he wants to be celebrated, understood. Through a kaleidoscope of women—a mother, a sister, a homicide detective—we learn the story of Ansel's life. We meet his mother, Lavender, a seventeen-year-old girl pushed to desperation; Hazel, twin sister to Ansel's wife, inseparable since birth, forced to watch helplessly as her sister's relationship threatens to devour them all; and finally, Saffy, the detective

hot on his trail, who has devoted herself to bringing bad men to justice but struggles to see her own life clearly. As the clock ticks down, these three women sift through the choices that culminate in tragedy, exploring the rippling fissures that such destruction inevitably leaves in its wake. Blending breathtaking suspense with astonishing empathy, *Notes on an Execution* presents a chilling portrait of womanhood as it simultaneously unravels the familiar narrative of the American serial killer, interrogating our system of justice and our cultural obsession with crime stories, asking readers to consider the false promise of looking for meaning in the psyches of violent men. "Poetic and mesmerizing . . . Powerful, important, intensely human, and filled with a unique examination of tragedy, one where the reader is left with a curious emotion: hope." —USA TODAY "A profound and staggering experience of empathy that challenges us to confront what it means to be human in our darkest moments. . . . Sharp and moving reflections and ruminations on the artistry and craft of writing from one of our most iconoclastic, riveting, and celebrated masters. Charles Bukowski's stories, poems, and novels have left an enduring mark on our culture. In this collection of correspondence—letters to publishers, editors, friends, and fellow writers—the writer shares his insights on the art of creation. *On Writing* reveals an artist brutally frank about the drudgery of work and canny and uncompromising about the absurdities of life—and of art. It illuminates the hard-edged, complex

humanity of a true American legend and counterculture icon—the "laureate of American lowlife" (Time)—who stoically recorded society's downtrodden and depraved. It exposes an artist grounded in the visceral, whose work reverberates with his central ideal: "Don't try." Piercing, poignant, and often hilarious, *On Writing* is filled not only with memorable lines but also with Bukowski's trademark toughness, leavened with moments of grace, pathos, and intimacy.

A former postman and long-term alcoholic who did not become a full-time writer until middle age, Charles Bukowski was the author of autobiographical novels that captured the low life—including *Post Office*, *Factotum*, and *Women*—and made him a literary celebrity, with a major Hollywood film (*Barfly*) based on his life. Drawing on new interviews with virtually all of Bukowski's friends, family, and many lovers; unprecedented access to his private letters and unpublished writing; and commentary from Norman Mailer, Allen Ginsberg, Sean Penn, Mickey Rourke, Lawrence Ferlinghetti, R. Crumb, and Harry Dean Stanton, Howard Sounes has uncovered the extraordinary true story of the Dirty Old Man of American literature. Illustrated with drawings by Bukowski and over sixty photographs, Charles Bukowski is a must for Bukowski devotees and new readers alike. "Bukowski is one of those writers people remember more for the legend than for the work . . . but, as Howard Sounes shows in this exhaustively researched biography, it wasn't the whole story." —Los Angeles Times "Engaging . . . The MacArthur grant-winning environmental justice activist's riveting memoir of a life fighting for a cleaner future for America's most vulnerable
A Smithsonian Magazine Top Ten Best

Science Book of 2020 Catherine Coleman Flowers, a 2020 MacArthur "genius," grew up in Lowndes County, Alabama, a place that's been called "Bloody Lowndes" because of its violent, racist history. Once the epicenter of the voting rights struggle, today it's Ground Zero for a new movement that is also Flowers's life's work—a fight to ensure human dignity through a right most Americans take for granted: basic sanitation. Too many people, especially the rural poor, lack an affordable means of disposing cleanly of the waste from their toilets and, as a consequence, live amid filth. Flowers calls this America's dirty secret. In this "powerful and moving book" (Booklist), she tells the story of systemic class, racial, and geographic prejudice that foster Third World conditions not just in Alabama, but across America, in Appalachia, Central California, coastal Florida, Alaska, the urban Midwest, and on Native American reservations in the West. In this inspiring story of the evolution of an activist, from country girl to student civil rights organizer to environmental justice champion at Bryan Stevenson's Equal Justice Initiative, Flowers shows how sanitation is becoming too big a problem to ignore as climate change brings sewage to more backyards—not only those of poor minorities.

In a world where his three true, bitter pleasures are women, booze, and racetrack betting, he somehow drags his hangover out of bed every dawn to lug waterlogged mailbags up mud-soaked mountains, outsmart vicious guard dogs, and pray to survive the day-to-day trials of sadistic bosses and certifiable coworkers. This classic 1971 novel—the one that catapulted its author to national fame—is the perfect introduction to the grimly hysterical world of legendary writer, poet, and Dirty Old Man Charles Bukowski and his fictional alter ego, Chinaski.
