Dr. R.C. Sproul is one of today's preeminent theologians. For more than fifty years his solid, practical messages have impacted and inspired generations of believers. The "Classic Theology Series" continues Dr. Sproul's legacy. How Then Shall We Worship? is a landmark look at God's design for authentic worship. Today's church cannot seem to agree on what corporate worship should look like. Some choose contemporary forms, others prefer traditional expressions. Yet pop culture or the status quo do not hold the answers. God's Word does. Dr. Sproul digs deep into rich Scripture passages to provide a guide for worship today. Readers will discover that God intends worship to be an unforgettable encounter between Himself and His people—a joyous experience engaging the worshiper's entire being.

 What beliefs are core to the Christian faith? This book is here to help you understand the reason for your hope as a Christian so that you can see it with fresh sight and invite others into the conversation. A lot of Christians take their story—the narratives that give rise to their beliefs—for granted. They pray, go to church, perhaps even read their Bible. But they might be stuck if a stranger asked them to explain what they believe and why they believe it. Author, pastor, and theologian Mike Horton unpacks the essential and basic beliefs that all Christians share in a way that is easy to understand and applicable to our lives today. And in a way that will make you excited to be a Christian! Core Christianity

covers topics like: Jesus as both fully God and fully man. The doctrine of the Trinity. The goodness of God despite a broken world. The ways God speaks. The meaning of salvation. What is the Christian calling? Includes discussion questions for individual or group use. This introduction to the basic doctrines of Christianity is perfect for those who are new to the faith, as well as those who have an interest in deepening their understanding of what it means to be a follower of Jesus Christ.

Inside Islam: A Guide for Catholics World Federation of the KSIMC Followers of Jesus need not fear hard questions or objections against Christian belief. In *A Reasonable Response*, renowned Christian philosopher and apologist William Lane Craig offers dozens of examples of how some of the most common challenges to Christian thought can be addressed, including: Why does God allow evil? How can I be sure God exists? Why should I believe that the Bible is trustworthy? How does modern science relate to the Christian worldview? What evidence do we have that Jesus rose from the dead? Utilizing real questions submitted to his popular website ReasonableFaith.org, Dr. Craig models well-reasoned, skillful, and biblically informed interaction with his inquirers. *A Reasonable Response* goes beyond merely talking about apologetics; it shows it in action. With cowriter Joseph E. Gorra, this book also offers advice about envisioning and practicing the ministry of answering people's questions through the local church, workplace, and in online environments. Whether you're struggling to respond to tough objections or looking for answers to your own intellectual questions, *A Reasonable Response* will equip you with sound reasoning and biblical truth. *God Is Not Nice* New Leaf Publishing Group

The ancient problem of fatalism, more particularly theological fatalism, has resurfaced with surprising vigour in the second half of the twentieth century. Two questions predominate in the debate: (1) Is divine foreknowledge compatible with human freedom and (2) How can God foreknow future free acts? Having surveyed the historical background of this debate in "The Problem of Divine Foreknowledge" and "Future Contingents from Aristotle to Suarez" (Brill: 1988), William Lane Craig now attempts to address these issues critically. His wide-ranging discussion brings together a thought-provoking array of related topics such as logical fatalism, multivalent logic, backward causation, precognition, time travel, counterfactual logic, temporal necessity, Newcomb's Problem, middle knowledge, and relativity theory. The present work serves both as a useful survey of the extensive literature on theological fatalism and related fields and as a stimulating assessment of the possibility of divine foreknowledge of future free acts.

"The question I am asking in this book—Do we worship the same

 Are you a Catholic curious to learn more about Islam? What exactly do Muslims believe? How do those beliefs differ from your own? What do Muslims believe about Jesus? Mary? Satan? Creation? The Holy Spirit? Do we worship the same God? In *Do We Worship the Same God? Comparing the Bible and the Qur'an*, George Dardess, a Christian expert on Islam, provides a wealth of information about the teachings of both Christianity and Islam to help readers themselves discern if Christians and Muslims worship the same God. He gives a brief introduction to the history of Islam, draws parallels between Jesus and the prophet Muhammad, and compares what the Bible and the Qur'an (the holy book of Islam) teach about creation, Satan, Jesus, the Holy Spirit, prayer, the Jihad, judgment, heaven and hell, and more. In clear and easy-to-understand language, Dardess guides readers who want to engage in dialogue with Muslims on how to answer the question "Do we worship the same God?"—a question of increasing importance since September 11. Chapters end with guided discussion questions.

He analyses the history of the movement, examines membership profiles and modes of expression, and constructs and proposes a new framework for discussing the movement. *Allah* Monarch Books

The Qur'an makes extensive use of older religious material, stories, and traditions that predate the origins of Islam, and there has long been a fierce debate about how this material found its way into the Qur'an. This unique book argues that this debate has largely been characterized by a failure to fully appreciate the Qur'an as a predominately oral product. Using innovative computerized linguistic analysis, this study demonstrates that the Qur'an displays many of the signs of oral composition that have been found in other traditional literature. When one then combines these computerized results with other clues to the Qur'an's origins (such as the demonstrably oral culture that both predated and preceded the Qur'an, as well as the "folk memory" in the Islamic tradition that Muhammad was an oral performer) these multiple lines of evidence converge and point to the conclusion that large portions of the Qur'an need to be understood as being constructed live, in oral performance. Combining historical, linguistic, and statistical analysis, much of it made possible for the first time due to new computerized tools developed specifically for this book, Bannister argues that the

implications of orality have long been overlooked in studies of the Qur'an. By relocating the Islamic scripture firmly back into an oral context, one gains both a fresh appreciation of the Qur'an on its own terms, as well as a fresh understanding of how Muhammad used early religious traditions, retelling old tales afresh for a new audience.

Ulrich L. Lehner reintroduces Christians to the true God—not the polite, easygoing, divine therapist who doesn't ask much of us, but the Almighty God who is unpredictable, awe-inspiring, and demands our entire lives. Stripping away the niceties with a sling blade, Lehner shows that God is more strange and beautiful than we imagine, and wants to know and transform us in the most intimate way. With his iconoclastic new book *God Is Not Nice*, Lehner, one of the most promising young Catholic theologians in America, challenges the God of popular culture and many of our churches and reintroduces the God of the Bible and traditional Christianity. As Lehner writes in the book's introduction, "We all need the vaccine of the true transforming and mysterious character of God: The God who shows up in burning bushes, speaks through donkeys, drives demons into pigs, throws Saul from his horse, and appears to St. Francis. It's only this God who has the power to challenge us, change us, and make our lives dangerous. He sweeps us into a great adventure that will make us into different people." This book is not safe. It may startle and annoy many people—including those who purport to teach and preach the Gospel, but are missing it, according to Lehner. *God Is Not Nice* intends to overthrow all of our popular misconceptions about God, inviting us to ask deeper questions about the nature of our lives and our relationship with him. When you're finished with *God Is Not Nice*, you may find the idols you constructed in God's name smashed, replaced with a God who will ask you to live an entirely different life full of hope and transformation.

BONUS: This eBook includes downloadable videos and a Q&A with Nabeel Qureshi that are not found in the print edition. Having shared his journey of faith in the New York Times bestselling *Seeking Allah, Finding Jesus*, Nabeel Qureshi now examines Islam and Christianity in detail, exploring areas of crucial conflict and unpacking the relevant evidence. In this anticipated follow-up book, Nabeel reveals what he discovered in the decade following his conversion, providing a thorough and careful comparison of the evidence for Islam and Christianity—evidence that wrenched his heart and transformed his life. In *Seeking Allah, Finding Jesus*, Nabeel Qureshi recounted his dramatic journey, describing his departure from Islam and his decision to follow Christ. In the years that followed, he realized that the world's two largest religions are far more different than they initially appeared. *No God but One: Allah or Jesus?* addresses the most important questions at the interface of Islam and Christianity: How do the two religions differ? Are the differences significant? Can we be confident that either Christianity or Islam is true? And most important, is it worth sacrificing everything for the truth? Nabeel shares stories from his life and ministry, casts new light on current events, and explores pivotal incidents in the histories of both religions, providing a resource that is gripping and thought-provoking, respectful and challenging. Both Islam and Christianity teach that there is No God but One, but who deserves to be worshiped, Allah or Jesus? This eBook includes the full text of the book plus bonus content not found in the softcover! Bonuses include a Q&A with Nabeel Qureshi and downloadable videos that answer important questions about Islam and Christianity. Please note that some e-reader devices do not accommodate video play. You can still access the bonus videos by copying the web address provided into an internet browser on a device or computer that accommodates video content.

From Miroslav Volf, one of the world's foremost Christian theologians—and co-teacher, along with Tony Blair, of a groundbreaking Yale University course on faith and globalization—comes Allah, a timely and provocative argument for a new pluralism between Muslims and Christians. In a

penetrating exploration of every side of the issue, from New York Times headlines on terrorism to passages in the Koran and excerpts from the Gospels, Volf makes an unprecedented argument for effecting a unified understanding between Islam and Christianity. In the tradition of Seyyed Hossein Nasr's *Islam in the Modern World*, Volf's Allah is essential reading for students of the evolving political science of the twenty-first century.

Often the differences between the three Abrahamic religions -- Judaism, Christianity, and Islam -- seem more obvious than their commonalities, leading to the question "Do we worship the same God?" Can the answer be "yes" without denying our differences? This volume brings Jewish, Christian, and Muslim philosophers and theologians together to answer this question, offering rare insight into how representatives of each religion view the other monotheistic faiths. Each of their contributions uniquely approaches the primary question from a philosophical perspective that is informed by the practice of worship and prayer. Concepts covered include "sameness" and "oneness," the nature of God, epistemology, and the Trinity. *Do We Worship the Same God?* models serious-minded, honest, and respectful interreligious dialogue and gives us new ways to address an ongoing question.

Do We Worship the Same God? Thomas Nelson

Have you ever wondered why, following 9/11, world leaders, including President George W. Bush, were so quick to say that the three major world religions—Christianity, Islam, and Judaism—all worship the same God? Christians were especially vocal in espousing a tolerant worldview toward Muslims, stating that Allah and Jehovah God were the same deity, ostensibly to avert violence directed against Muslims. Having studied the major world religions, Michael J. Oldham simply could not accept the premise that Christians could believe that the God of the Bible could be the same God as the Qur'an's Allah. This fascinating read takes an in-depth look at each religion's descriptions of God, providing clear support with verses from the Bible and the Qur'an. Dr. Michael J. Oldham provides readers with a comprehensive study of Allah and Elohim, what they claim to be, what their followers believe, and the message of each. Allah and Elohim is thoroughly researched and its conclusions are drawn from the works of many Christian and Muslim scholars. While founded on much research, this book is easily read, and no matter your religion, you will find the book's conclusions compelling. This book outlines the truths about Islam and Christianity and clarifies the major attributes of each God and why they do not correspond. Ground yourself in a thorough understanding of Allah and Elohim so you can competently appreciate the tenets of each.

Over 3 million copies sold! Essential reading for Catholics of all walks of life. Here it is - the first new Catechism of the Catholic Church in more than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index, footnotes and cross-references for a fuller understanding of every subject. The word catechism means "instruction" - this book will serve as the standard for all future catechisms. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord's Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in learning about the mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation.

Sheltering Mercy helps us rediscover the rich treasures of the Psalms--through free-verse prayer renderings of their poems and hymns--as a guide to personal devotion and meditation. The church has always used the Psalms as part of its prayer life, and they have inspired countless other prayers. This book contains 75 prayers drawn from Psalms 1-75, providing lyrical sketches of what authors Ryan Smith and Dan Wilt have seen, heard, and felt while sojourning in the Psalms. While each prayer corresponds to a particular psalm and touches on its themes and ideas, it is not a new translation of the Psalms or an attempt to modernize or contextualize their content or language. Rather, the prayers are responses to the Psalms written in harmony with Scripture. These prayers help us quiet our hearts before God and welcome us into a safe place amid the storms of life. This artful, poetic, and classic devotional book features compelling custom illustrations and beautiful hardcover binding, offering a fresh way to reflect on and pray the Psalms.

A new commentary for today's world, *The Story of God Bible Commentary* explains and illuminates each passage of Scripture in light of the Bible's grand story. The first commentary series to do so, SGBC offers a clear and compelling exposition of biblical texts, guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts. Its story-centric approach is ideal for pastors, students, Sunday school teachers, and laypeople alike. Each volume employs three main, easy-to-use sections designed to help readers live out God's story: **LISTEN to the Story:** Includes complete NIV text with references to other texts at work in each passage, encouraging the reader to hear it within the Bible's grand story. **EXPLAIN the Story:** Explores and illuminates each text as embedded in its canonical and historical setting. **LIVE the Story:** Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers, teachers, and students. —Ephesians— Like all of Paul's letters, Ephesians is centered in the gospel and its implications. It tells the story of what God has done in Christ and spells out the ethical implications of this story. But the letter to the Ephesians is unique among Paul's letters in many ways, including in how it tells of the story of God, beginning "before the creation of the world" and ending in eternity. Edited by Scot McKnight and Tremper Longman III, and written by a number of top-notch theologians, *The Story of God Bible Commentary* series will bring relevant, balanced, and clear-minded theological insight to any biblical education or ministry.

Now with a fresh cover! The nearly 200,000-selling *Grace Walk* has helped thousands of believers leave behind the "manic-depressive" Christian walk: either running around trying to perform to be acceptable to God—or thinking they've failed Him again and wondering if they'll ever measure up. Living the grace walk gets Christians off this religious roller coaster. Using his own journey from legalism into grace, Steve McVey illustrates the foundational, biblical truths of who believers are in Jesus Christ and how they can let Him live His life through them each day. As they experience their identity in Jesus Christ, Christians will come to know "Amazing Grace" as not just a song but as their true way of life.
