you'll have good luck...except, of course,  
if that Penny is charming and pretty and  
funny, and the person picking her up just  
happens to be your boyfriend. Alice

### **Freud's Mistress**

"A thrilling story of seduction, betrayal, and loss, Freud's Mistress will titillate fans of *Memoirs of a Geisha* and *The*

*Other Boleyn Girl*."—Booklist In fin-de-siècle Vienna, it was not easy for a woman to find fulfillment both intellectually and sexually. But many believe that Minna Bernays was able to find both with one man—her brother-in-law, Sigmund Freud. At once a portrait of two sisters—the rebellious, independent Minna and her inhibited sister, Martha—and of the compelling and controversial doctor who would be revered as one of the twentieth century's greatest thinkers, *Freud's Mistress* is a novel rich with passion and historical detail and "a portrait of forbidden desire [with] a thought-provoking central question: How far are you willing to go to be happy?"\*
