HINES KAYLYN

Beating the Wheel HarperCollins

A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like

what you expect.

The Beautiful Ones HarperCollins

Dropping Acid: The Reflux Diet Cookbook & Cure is the first book to explain how acid reflux, particularly silent reflux, is related to dietary and lifestyle factors. It also explains how and why the reflux epidemic is related to the use of acid as a food preservative. Dr. Koufman defines the symptoms this shockingly common disease and explains why a change in diet can alleviate some of the most common symptoms. *Dropping Acid* offers a dietary cure for acid reflux, as well as lists of the best and worst foods for a reflux sufferer. The book’s recipes use tasty fats as flavorings, not as main ingredients; included are the recipes for tasty dishes that prove living with reflux doesn’t mean living without delicious food.

Dynamite! Crown Archetype

One Last Hail Mary attack by those on Earth goes awry when the Queen herself shows up with John Grimes along for the ride. Five puppies have plans that surprise everyone. The Queen has a problem, and her closest friends travel to Earth to find her a solution. It's time for an audience with the King of Yoll, and he isn't going to like the outcome. Not one bit. He has a secret he has been hiding, and those sneaky Aliens in space find out what it is, and turn it against him. It's time to release the Queen Bitch for her final clean-up of Kurtherians - This area of the Galaxy will never be the same, again. So grab your favorite drink, recline in your favorite chair or bed or couch, and relax for just a moment or two, because... Bethany Anne is BACK!

The Web Almanac is an annual research project by the web development community to better understand how the web is built and experienced. Industry experts and a team of peer reviewers and data analysts research the state of the web, one chapter at a time, focused in areas of web page composition, user experience, content publishing, and content delivery. The result is a richly detailed report brimming with insightful analysis written by subject matter experts built on a solid foundation of statistics aggregated over millions of top websites.

Athenaeum HarperCollins

If you're tired of staring at the same mess every day, but struggling to find the time and willpower to clean it, you probably have a very good reason: anxiety, fatigue, depression, ADHD, or lack of support. Designed by therapist KC Davis, this revolutionary method of cleaning and organizing helps end the stress-mess cycle. After KC Davis gave birth to her second child, she didn't fold a single piece of laundry for seven months. Between postpartum depression and ADHD, she felt numb and overwhelmed. She regained her sanity--and the functionality of her home--after one life-changing realization: You don't work for your home; your home works for you. In other words, messiness is not a moral failing. A new sense of calm washed over her as she let go of the shame-based messaging that interpreted a pile of dirty laundry as "I can never keep up" and a chaotic kitchen as "I'm a bad mother." Instead, she looked at unwashed clothes and thought, "I am alive," and at stacks of dishes and thought, "I cooked my family dinner three nights in a row." Building on this foundation of self-compassion, KC devised the powerful practical approach that has exploded in popularity through her TikTok account, @domesticblisters. The secret is to stop following perfectionist rules that don't make sense for you--like folding clothes that don't wrinkle anyway, or thinking that every room has to be clean at the same time--and to find creative solutions that accommodate your needs, pet peeves, daily rhythms, and attention span. Inside, you'll learn exactly how to customize your approach and rebuild your relationship with your home, including: -How to stop seeing care tasks as a reflection of your worth, but rather as kindnesses to your future self -How to use calming rituals to keep you from feeling overwhelmed when you look at a big mess -How to stagger tasks that are easy to procrastinate throughout the week and month -How to quickly transform a room from messy to fully functional through the "5 Things" tidying method, and other shortcuts requiring minimal energy Read this book to make home feel like a sanctuary again: where you can move with ease, where guilt, self-criticism, and endless checklists have no place, and where you always have permission to rest, even when things aren't finished.

Unconquered Simon and Schuster

"In this eBook, you'll learn the principles of grammar and how to manipulate your words until they're just right. Strengthen your revising and editing skills and become a clear and consistent writer." --

Chasing Lincoln's Killer Simon and Schuster

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Proofreading, Revising & Editing Skills Success in 20 Minutes a Day One World

New York Times Bestseller Iconoclastic entrepreneur and New York legend Ken Langone tells the compelling story of how a poor boy from Long Island became one of America's most successful businessmen. Ken Langone has seen it all on his way to a net worth beyond his wildest dreams. A pillar of corporate America for decades, he's a co-founder of Home Depot, a former director of the New York Stock Exchange, and a world-class philanthropist (including \$200 million for NYU's Langone Health). In this memoir he finally tells the story of his unlikely rise and controversial career. It's also a passionate defense of the American Dream -- of preserving a country in which any hungry kid can reach the maximum potential of his or her talents and work ethic. In a series of fascinating stories, Langone shows how he struggled to get an education, break into Wall Street, and scramble for an MBA at night while competing with privileged competitors by day. He shares how he learned how to evaluate what a business is worth and apply his street smarts to 8-figure and 9-figure deals . And he's not shy about discussing, for the first time, his epic legal and PR battle with former NY Governor Eliot Spitzer. His ultimate theme is that free enterprise is the key to giving everyone a leg up. As he writes: This book is my love song to capitalism. Capitalism works! And I'm living proof -- it works for everybody. Absolutely anybody is entitled to dream big, and absolutely everybody should dream big. I did. Show me where the silver spoon was in my mouth. I've got to argue profoundly and passionately: I'm the American Dream.

How to Keep House While Drowning Office of the Secretary, Historical Offi

The New York Times bestselling true story that inspired the major motion picture—an “unforgettable tale of hope, heart and humanity”(People).

Journalist Steve Lopez discovered of Nathaniel Ayers, a former classical bass student at Julliard, playing his heart out on a two-string violin on Los Angeles's Skid Row. Deeply affected by the beauty of Ayers's music, Lopez took it upon himself to change the prodigy's life—only to find that their relationship would have a profound change on his own. “An intimate portrait of mental illness, of atrocious social neglect, and the struggle to resurrect a fallen prodigy.”—Mark Bowden, author of *Black Hawk Down*

Who's who in America Triumph Books

NEW YORK TIMES bestselling author James Swanson delivers a riveting account of the chase for Abraham Lincoln's assassin. Based on rare archival material, obscure trial manuscripts, and interviews with relatives of the conspirators and the manhunters, CHASING LINCOLN'S KILLER is a fast-paced thriller about the pursuit and capture of John Wilkes Booth: a wild twelve-day chase through the streets of Washington, D.C., across the swamps of Maryland, and into the forests of Virginia.

Inside the Star Wars Empire BrownBooks.ORM

The most comprehensive account to date of the 9/11 attack on the Pentagon and aftermath, this volume includes unprecedented details on the impact on the Pentagon building and personnel and the scope of the rescue, recovery, and caregiving effort. It features 32 pages of photographs and more than a dozen diagrams and illustrations not previously available.

Dropping Acid Penguin

#1 NEW YORK TIMES BESTSELLER • The brilliant coming-of-age-and-into-superstardom story of one of the greatest artists of all time, in his own

words—featuring never-before-seen photos, original scrapbooks and lyric sheets, and the exquisite memoir he began writing before his tragic death NAMED ONE OF THE BEST MUSIC BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND THE GUARDIAN • NOMINATED FOR THE NAACP IMAGE AWARD Prince was a musical genius, one of the most beloved, accomplished, and acclaimed musicians of our time. He was a startlingly original visionary with an imagination deep enough to whip up whole worlds, from the sexy, gritty funk paradise of “Uptown” to the mythical landscape of Purple Rain to the psychedelia of “Paisley Park.” But his most ambitious creative act was turning Prince Rogers Nelson, born in Minnesota, into Prince, one of the greatest pop stars of any era. The Beautiful Ones is the story of how Prince became Prince—a first-person account of a kid absorbing the world around him and then creating a persona, an artistic vision, and a life, before the hits and fame that would come to define him. The book is told in four parts. The first is the memoir Prince was writing before his tragic death, pages that bring us into his childhood world through his own lyrical prose. The second part takes us through Prince's early years as a musician, before his first album was released, via an evocative scrapbook of writing and photos. The third section shows us Prince's evolution through candid images that go up to the cusp of his greatest achievement, which we see in the book's fourth section: his original handwritten treatment for Purple Rain—the final stage in Prince's self-creation, where he retells the autobiography of the first three parts as a heroic journey. The book is framed by editor Dan Piepenbring's riveting and moving introduction about his profound collaboration with Prince in his final months—a time when Prince was thinking deeply about how to reveal more of himself and his ideas to the world, while retaining the mystery and mystique he'd so carefully cultivated—and annotations that provide context to the book's images. This work is not just a tribute to an icon, but an original and energizing literary work in its own right, full of Prince's ideas and vision, his voice and image—his undying gift to the world.

New York Magazine Scholastic Inc.

From the author of *A Christmas Gift from Bob*, the original bestseller and heartwarming story of the life-saving friendship between a man and his streetwise cat '[Bob] has entranced London like no feline since the days of Dick Whittington.' (Evening Standard) 'A heartwarming tale with a message of hope' (Daily Mail) 'Reminded me how amazing having a cat can be' (Glamour) * * * * * The uplifting true story of an unlikely friendship between a man on the streets of Covent Garden and the ginger cat who adopts him and helps him heal his life. Now a major motion picture starring Luke Treadaway. When James Bowen found an injured, ginger street cat curled up in the hallway of his sheltered accommodation, he had no idea just how much his life was about to change. James was living hand to mouth on the streets of London and the last thing he needed was a pet. Yet James couldn't resist helping the strikingly intelligent tom cat, whom he quickly christened Bob. He slowly nursed Bob back to health and then sent the cat on his way, imagining he would never see him again. But Bob had other ideas. Soon the two were inseparable and their diverse, comic and occasionally dangerous adventures would transform both their lives, slowly healing the scars of each other's troubled pasts. *A Street Cat Named Bob* is a moving and uplifting story that will touch the heart of anyone who reads it. IF you love *A Street Cat Named Bob*, don't miss *The Little Book of Bob*, the new book from James and Bob.

Weddiculous U of Nebraska Press

In this irreverent wedding guide, the star of Netflix's “The Wedding Coach” and comedian Jamie Lee offers practical advice and hilarious insights on how to stay sane while planning your “big day.” Weddings. What was once a beautiful celebration of a couple coming together for a lifetime of happiness has become a bit ridiculous, complete with the whimsical monogrammed mason jars and unconventional photo shoots. The Epic task of creating that special event can be nightmarish—a dizzying maze of minutiae and seemingly endless choices that might tempt you to say yes to a quickie drive-through chapel in Vegas. But weddings don't have to be stressful. You don't have to give in to the crazy—or give up completely. Famous funny gal Jamie Lee learned much more than she counted on pulling together her own wedding, and in *Weddiculous* she shares her first-hand experiences and hilarious hard-won insights with every girl who just said “yes.” Jamie gives you the real low-down, puts the madness into perspective, and walks you through the process step by step in a calm, realistic, and highly entertaining way. *Weddiculous* includes helpful checklists, timelines, and suggestions on everything from what questions to ask vendors to how to handle difficult bridesmaids to what's worth the extra cost (and more importantly, what's not). Throughout, Jamie provides guidance on when you should trust your gut and when you need to listen to others. What Amy Sedaris has done for hospitality and crafting, Jamie Lee now does for weddings. *Weddiculous* will help remind you what's really important about your wedding day: it's just the first day in a long and happy marriage.

Jazz, as recorded 1948-1950 for the album of same title; for alto and baritone saxophones, trumpet, horn, trombone, tuba, piano, bass, and drums; with chord symbols.

Quill & Quire Authentic Media Inc

Now completely up-to-date with the latest research advances, the Seventh Edition retains the distinctive character of earlier editions. Twenty-two concise chapters, co-authored by six highly distinguished biologists, provide current, authoritative coverage of an exciting, fast-changing discipline.

Indigenist Critical Realism Simon and Schuster

NEW YORK TIMES BOOK REVIEW EDITORS' CHOICE • How did the party of Lincoln become the party of Trump? From an acclaimed political reporter for The New York Times comes the definitive story of the mutiny that shattered American politics. “A bracing account of how the party of Lincoln and Reagan was hijacked by gadflies and grifters who reshaped their movement into becoming an anti-democratic cancer that attacked the U.S. Capitol.”—Joe Scarborough An epic narrative chronicling the fracturing of the Republican Party, Jeremy Peters's *Insurgency* is the story of a party establishment that believed it could control the dark energy it helped foment—right up until it suddenly couldn't. How, Peters asks, did conservative values that Republicans claimed to cherish, like small government, fiscal responsibility, and morality in public service, get completely eroded as an unshakable faith in Donald Trump grew to define the party? The answer is a tale traced across three decades—with new reporting and firsthand accounts from the people who were there—of populist uprisings that destabilized the party. The signs of conflict were plainly evident for anyone who cared to look. After Barack Obama's election convinced many Republicans that they faced an existential demographics crossroads, many believed the only way to save the party was to create a more inclusive and diverse coalition. But party leaders underestimated the energy and popular appeal of

those who would pull the party in the opposite direction. They failed to see how the right-wing media they hailed as truth-telling was warping the reality in which their voters lived. And they did not understand the complicated moral framework by which many conservatives would view Trump, leading evangelicals and one-issue voters to shed Republican orthodoxy if it delivered a Supreme Court that would undo *Roe v. Wade*. In this sweeping history, Peters details key junctures and episodes to unfurl the story of a revolution from within. Its architects had little interest in the America of the new century but a deep understanding of the iron will of a shrinking minority. With Trump as their polestar, their gamble paid greater dividends than they'd ever imagined, extending the life of far-right conservatism in United States domestic policy into the next half century.

The 2022 Web Almanac Da Capo Press

In this revealing biography, the exhaustive research of acclaimed sports historian Carlo DeVito sheds new light on football coaching legend Bill Parcells, exposing the two-time Super Bowl-winning coach's moxie and lifelong dedication to football. The book digs deep into Bill Parcells' past to unlock the secrets of what made him who he is today, following him from his childhood, through 15 years of college coaching, to his first big chance in the pros and the year that almost broke him. With more than 3,000 interviews, newspaper and magazine articles, and scores of primary resources, DeVito's book brings Parcells to life as readers have never seen him before.

Famous Father Girl Hal Leonard Publishing Corporation

Bill Kimberlin may refer to himself as "one of those names on the endless list of credits at the close of blockbuster movies." In reality though, he's a true insider on some of the most celebrated and popular movies and franchises of the past century. *Jurassic Park*. *Star Trek*. *Jumanji*. *Schindler's List*. *Saving Private Ryan*. Even *Forrest Gump*. And perhaps most notably, *Star Wars*. Inside the *Star Wars* Empire is the very funny and insightful tell-all

about the two decades Kimberlin spent as a department director at LucasFilm Industrial Light and Magic (ILM), the special effects studio founded by the legendary filmmaker George Lucas.

Molecular Biology of the Gene Pelican Publishing

THE #1 NEW YORK TIMES BESTSELLER IS NOW A MAJOR-MOTION PICTURE DIRECTED BY RON HOWARD AND STARRING AMY ADAMS, GLENN CLOSE, AND GABRIEL BASSO "You will not read a more important book about America this year."—*The Economist* "A riveting book."—*The Wall Street Journal* "Essential reading."—David Brooks, *New York Times* *Hillbilly Elegy* is a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The disintegration of this group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of *Hillbilly Elegy* plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and, most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his chaotic family history. A deeply moving memoir, with its share of humor and vividly colorful figures, *Hillbilly Elegy* is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.
