### GAIGE WARREN

---

*Say It Now* Simon and Schuster

Correct English usage as it's never been taught before: lucidly, memorably, and humorously -- for all ages.

#### **Creative Is a Verb**

Namaskar Book

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

#### **Must You Go?** Tiny Press

Trebia. Trasimene. Cannae. With three stunning victories, Hannibal humbled Rome and nearly shattered its empire. Even today Hannibal's brilliant, if ultimately unsuccessful, campaign against Rome during the Second Punic War (218-202 BC) make him one of history's most celebrated military

leaders. This biography by Cornelius Nepos (c. 100-27 BC) sketches Hannibal's life from the time he began traveling with his father's army as a young boy, through his sixteen-year invasion of Italy and his tumultuous political career in Carthage, to his perilous exile and eventual suicide in the East. As Rome completed its bloody transition from dysfunctional republic to stable monarchy, Nepos labored to complete an innovative and influential collection of concise biographies. Putting aside the detailed, chronological accounts of military campaigns and political machinations that characterized most writing about history, Nepos surveyed Roman and Greek history for distinguished men who excelled in a range of prestigious occupations. In the exploits and achievements of these illustrious men, Nepos hoped that his readers would find models for the honorable conduct of their own lives. Although most of Nepos' works have been lost, we are fortunate to have his biography of Hannibal. Nepos offers a

surprisingly balanced portrayal of a man that most Roman authors vilified as the most monstrous foe that Rome had ever faced. Nepos' straightforward style and his preference for common vocabulary make *Life of Hannibal* accessible for those who are just beginning to read continuous Latin prose, while the historical interest of the subject make it compelling for readers of every ability.

#### *Inner Excavation*

HarperCollins

To live, every being must put out a line, and in life these lines tangle with one another. This book is a study of the life of lines. Following on from Tim Ingold's groundbreaking work *Lines: A Brief History*, it offers a wholly original series of meditations on life, ground, weather, walking, imagination and what it means to be human. In the first part, Ingold argues that a world of life is woven from knots, and not built from blocks as commonly thought. He shows how the principle of knotting underwrites both the way things join with one another, in walls, buildings and bodies, and the composition of the

ground and the knowledge we find there. In the second part, Ingold argues that to study living lines, we must also study the weather. To complement a linealogy that asks what is common to walking, weaving, observing, singing, storytelling and writing, he develops a meteorology that seeks the common denominator of breath, time, mood, sound, memory, colour and the sky. This denominator is the atmosphere. In the third part, Ingold carries the line into the domain of human life. He shows that for life to continue, the things we do must be framed within the lives we undergo. In continually answering to one another, these lives enact a principle of correspondence that is fundamentally social. This compelling volume brings our thinking about the material world refreshingly back to life. While anchored in anthropology, the book ranges widely over an interdisciplinary terrain that includes philosophy, geography, sociology, art and architecture.

**Fahrenheit 451** Penguin DigiCat Publishing presents to you this special edition of "The Old

Man and the Sea" by Ernest Hemingway. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

**Reminiscences of School Life, and Hints on Teaching** Cambridge University Press

Following in the tradition of her bestselling *Life Is a Verb*—a guide to living life more consciously—Patti Digh returns with this deceptively simple gathering of touchstones, *Your Daily Rock*. With her signature gift of presenting truths in concise heartspeak, she provides short meditations to ground each day in more mindful and intentional living. The three hundred and sixty-six reflections (one for each date, including February 29th), lead readers to open space in their lives in order to love well, live fully, let go deeply, and make a difference.

Rowman & Littlefield

Set in the future when "firemen" burn books forbidden by the totalitarian "brave new world" regime.

*Long Way Down* Scholastic Inc.

A startling and eye-opening look into America's First Family, *Never Caught* is the powerful story about a daring woman of "extraordinary grit" (The Philadelphia Inquirer). When George Washington was elected president, he reluctantly left behind his beloved Mount Vernon to serve in Philadelphia, the temporary seat of the nation's capital. In setting up his household he brought along nine slaves, including Ona Judge. As the President grew accustomed to Northern ways, there was one change he couldn't abide: Pennsylvania law required enslaved people be set free after six months of residency in the state. Rather than comply, Washington decided to circumvent the law. Every six months he sent the slaves back down south just as the clock was about to expire. Though Ona Judge lived a life of

relative comfort, she was denied freedom. So, when the opportunity presented itself one clear and pleasant spring day in Philadelphia, Judge left everything she knew to escape to New England. Yet freedom would not come without its costs. At just twenty-two-years-old, Ona became the subject of an intense manhunt led by George Washington, who used his political and personal contacts to recapture his property. “A crisp and compulsively readable feat of research and storytelling” (USA TODAY), historian and National Book Award finalist Erica Armstrong Dunbar weaves a powerful tale and offers fascinating new scholarship on how one young woman risked everything to gain freedom from the famous founding father and most powerful man in the United States at the time. [English as a Global Language](#) Open Book Publishers

Behind nearly every adult who is accused of a crime, becomes addicted to drugs or alcohol, or who is severely mentally ill and acting out in public, there is usually at least one extremely stressed-out parent. This parent may initially react with the bad

news of their adult child behaving badly with, "Oh no!" followed by, "How can I help to fix this?" A very common third reaction is the thought, "Where did I go wrong-- was it something I said or did, or that I failed to do when my child was growing up that caused these issues? Is this really somehow all my fault?" These parents then open their homes, their pocketbooks, their hearts, and their futures to "saving" their adult child-- who may go on to leave them financially and emotionally broken. Sometimes these families also raise the children their adult children leave behind: 1.6 million grandparents in the U.S. are in this situation. This helpful book presents families with quotations and scenarios from real suffering parents (who are not identified), practical advice, and tested strategies for coping. It also discusses the fact that parents of adult children may themselves need therapy and medications, especially antidepressants. The book is written in a clear, reassuring manner by Dr. Joel L. Young, medical director of the Rochester Center for Behavioral Medicine in Rochester

Hills, Michigan; with noted medical writer Christine Adamec, author of many books in the field. In the wake of the Newtown shooting and the viral popularity of the post "I Am Adam Lanza's Mother," America is now taking a fresh look, not only at gun control, but also on how we treat mental illness. Another major issue is our support or stigmatization of those with adult children who are a major risk to their families as well to society itself. This book is part of that conversation. *Transitive and Intransitive Verbs: English Verb Types* Capital Books

National Bestseller Best Book of the Year: NPR, Shelf Awareness “I didn't know how much I needed a laugh until I began reading Stephen McCauley's new novel, *My Ex-Life*. This is the kind of witty, sparkling, sharp novel for which the verb ‘chortle’ was invented.” —Maureen Corrigan, *Fresh Air* “McCauley fits neatly alongside Tom Perrotta and Maria Semple in the category of ‘Novelists You’d Most Like to Drive Across the Country With.’” —The New York Times Book Review David Hedges’s life is coming apart at the seams. His job helping

San Francisco rich kids get into the colleges of their (parents') choice is exasperating; his younger boyfriend has left him; and the beloved carriage house he rents is being sold. His solace is a Thai takeout joint that delivers 24/7. The last person he expects to hear from is Julie Fiske. It's been decades since they've spoken, and he's relieved to hear she's recovered from her brief, misguided first marriage. To him, Julie definitely doesn't have a problem with marijuana (she's given it up completely, so it doesn't matter if she gets stoned almost daily) and the Airbnb she's running out of her seaside house north of Boston is neither shabby nor illegal. And she has two whole months to come up with the money to buy said house from her second husband before their divorce is finalized. She'd just like David's help organizing college plans for her seventeen-year-old daughter. That would be Mandy. To quote Barry Manilow, Oh Mandy. While she knows she's smarter than most of the kids in her school, she can't figure out why she's making so many incredibly dumb and increasingly dangerous

choices? When David flies east, they find themselves living under the same roof (one David needs to repair). David and Julie pick up exactly where they left off thirty years ago—they're still best friends who can finish each other's sentences. But there's one broken bit between them that no amount of home renovations will fix. In prose filled with hilarious and heartbreakingly accurate one-liners, Stephen McCauley has written a novel that examines how we define home, family, and love. Be prepared to laugh, shed a few tears, and have thoughts of your own ex-life triggered. (Throw pillows optional.) Marley & Me Simon and Schuster Don't miss one of America's top 100 most-loved novels, selected by PBS's The Great American Read. This beloved book by E. B. White, author of *Stuart Little* and *The Trumpet of the Swan*, is a classic of children's literature that is "just about perfect." Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Some Pig. Humble. Radiant. These are the words in

*Charlotte's Web*, high up in Zuckerman's barn. *Charlotte's spiderweb* tells of her feelings for a little pig named Wilbur, who simply wants a friend. They also express the love of a girl named Fern, who saved Wilbur's life when he was born the runt of his litter. E. B. White's Newbery Honor Book is a tender novel of friendship, love, life, and death that will continue to be enjoyed by generations to come. It contains illustrations by Garth Williams, the acclaimed illustrator of E. B. White's *Stuart Little* and Laura Ingalls Wilder's *Little House* series, among many other books. Whether enjoyed in the classroom or for homeschooling or independent reading, *Charlotte's Web* is a proven favorite. Start with Why Manik Joshi When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe members through southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery

Medal-winning author. *Breaking the Argument Cycle* DigiCat

Moving to America turns H&A's life inside out. For all the 10 years of her life, H&A has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&A and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&A discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

*Cornelius Nepos, Life of Hannibal* Houghton Mifflin Harcourt

A verb can be described as transitive or intransitive based on whether it requires an object to express a complete thought or not. A transitive verb is a verb that requires (takes or allows) an object to receive the action.

“Object” may be in the form of a noun, phrase, or pronoun that refers to the person or thing that is affected by the action of the verb. A sentence with a transitive verb can generally be changed into passive voice (however, sometimes a transitive verb cannot be used in the passive voice). A transitive verb can't stand alone with only a subject. An intransitive verb does not take an object. However, there may take prepositional phrases or adverbs. Adding adverbs or prepositional phrases modifies the verb but doesn't change its meaning. A sentence with an intransitive verb can never be changed into a passive voice. Some verbs have multiple meanings and can be transitive or intransitive, depending on the sense in which they are used. In some instances, a verb may require an object, while in others it does not require an object. Based on their transitive or/and intransitive uses, verbs may be categorized as follows: 01. Verbs that are usually used only transitively for all their meanings/senses. 02. Verbs that are usually used only intransitively for all their meanings/senses. 03. Verbs that are usually

used both transitively and intransitively for all their meanings/senses. 04. Verbs that are used only transitively for one or more particular meanings/senses but also used only intransitively for one or more particular meanings/senses. 05. Verbs that are used only transitively for one or more particular meanings/senses but also used both transitively and intransitively for one or more particular meanings/senses. 06. Verbs that are used only intransitively for one or more particular meanings/senses but also used both transitively and intransitively for one or more particular meanings/senses. 07. Verbs that are used only transitively for one or more particular meanings/senses but also used only intransitively for one or more particular meanings/senses and also used both transitively and intransitively for one or more particular meanings/senses. You will find the detailed list of verbs under each of these 7 categories. (Very Important Note: Verbs have been generally categorized based on their usual meanings/senses. You may find some variation

with the other resources.) In this book, you will find the list of transitive verbs that may take two objects. You will also find the list of transitive and intransitive verbs that are used with prepositional phrases or adverbs. Following are some verbs that are usually used only transitively for all their meanings/senses:

abandon / abase / typecast / typeset / outrun / rerun / overlay / underpay / misspend / rend / withhold / behold / outgrow / befall / underlie / outdo / abbreviate / abduct / abet / abhor / abolish / abominate / abrade / abridge / abrogate / absent / absolve / absorb / abstract / abuse / accent / accentuate / access / accompany / accomplish / accost / account / accredit / accuse / acquaint / acquire / acquit / action / actuate / addle / address / adduce / adjudge / adjure / administer / admire / adore / adorn / adulterate / adumbrate / advantage / advocate / aerate / affect / affirm

Following are some Verbs that are usually used only intransitively for all their meanings/senses:

abscond / abseil / abstain / accede / acquiesce / adhere / alight / amble / apologize / fall / dwell / appeal / appear / arc /

arise / arrive / aspire / assent / atone / atrophy / augur / backfire / backpack / back-pedal / backspace / backtrack / balloon / banter / barf / bargain / barrel / bask / bay / beef / beetle / belly / bellyache / belong / bet / bicker / bicycle / bifurcate / billet / billow / binge / biodegrade / bitch / bivouac / blabber / blare

The Psalms and the Life of Faith Harper Collins

Step into the enchanting world of Avonlea with "Anne of Green Gables" by Lucy Maud Montgomery. Join the beloved character Anne Shirley on her captivating journey of self-discovery, friendship, and adventure in the picturesque landscapes of Prince Edward Island. As you delve into Montgomery's timeless classic, prepare to be transported to a world of imagination and wonder. From Anne's vivid imagination to her indomitable spirit, each page is filled with heartwarming moments and unforgettable characters that will capture your heart. But beyond the idyllic setting of Green Gables and the charming village of Avonlea, "Anne of Green Gables" delves into deeper themes of love, resilience, and the power

of belonging. Montgomery's evocative prose and rich storytelling resonate with readers of all ages, inviting them to embrace Anne's zest for life and her unwavering belief in the beauty of the world. Yet, amidst the laughter and tears, a profound question emerges: How can Anne's journey inspire us to embrace our own uniqueness, overcome adversity, and find joy in the everyday? Engage with Montgomery's beloved characters through heartfelt conversations and poignant moments that capture the essence of friendship and family. As you follow Anne on her adventures, you'll discover the transformative power of love, imagination, and the bonds that unite us all. Now, as you immerse yourself in "Anne of Green Gables," consider this: How will Anne's story inspire you to embrace the beauty of life's imperfections and celebrate the magic of being yourself? Don't miss the opportunity to experience the timeless magic of "Anne of Green Gables." Acquire your copy today and embark on a journey of discovery, where every page is a

reminder that with a little imagination and a lot of heart, anything is possible. ````

Walter Brueggemann's unique gift of joining historical-exegetical insights to penetrating observations about the traumas and joys of contemporary life?both personal and social?is here forcefully displayed. Everyone who is familiar with his work knows the power of his speech about "doxological, polemical, political, subversive, evangelical faith: and about the ways such faith is enacted in the praise of ancient Israel and in the church. Readers of this book will find fresh insight into:the Psalms as prayer and praisethe categories of the Psalmsthe social context in which psalms were prayed and sungthe theology of the Psalmsthe dialogical character of the Psalmsjustice and injustice in the Psalmsthe study and "use" of the Psalms by the churchpraise as an act of basic trust and abandonmentthe impossible wonders of God's activity that overturn conventional ways of

**A Grammar Book for You and I-- Oops, Me!**

Penguin  
The instant New York

Times, Wall Street Journal, and USA Today Bestseller! Ryan Holiday's bestselling trilogy—The Obstacle Is the Way, Ego is the Enemy, and Stillness is the Key—captivated professional athletes, CEOs, politicians, and entrepreneurs and helped bring Stoicism to millions of readers. Now, in the first book of an exciting new series on the cardinal virtues of ancient philosophy, Holiday explores the most foundational virtue of all: Courage. Almost every religion, spiritual practice, philosophy and person grapples with fear. The most repeated phrase in the Bible is "Be not afraid." The ancient Greeks spoke of phobos, panic and terror. It is natural to feel fear, the Stoics believed, but it cannot rule you. Courage, then, is the ability to rise above fear, to do what's right, to do what's needed, to do what is true. And so it rests at the heart of the works of Marcus Aurelius, Aristotle, and CS Lewis, alongside temperance, justice, and wisdom. In *Courage Is Calling*, Ryan Holiday breaks down the elements of fear, an expression of cowardice, the elements of courage, an expression of bravery, and lastly, the

elements of heroism, an expression of valor. Through engaging stories about historic and contemporary leaders, including Charles De Gaulle, Florence Nightingale, and Dr. Martin Luther King Jr., Holiday shows you how to conquer fear and practice courage in your daily life. You'll also delve deep into the moral dilemmas and courageous acts of lesser-known, but equally as important, figures from ancient and modern history, such as Helvidius Priscus, a Roman Senator who stood his ground

against emperor Vespasian, even in the face of death; Frank Serpico, a former New York City Police Department Detective who exposed police corruption; and Frederick Douglass and a slave named Nelly, whose fierce resistance against her captors inspired his own crusade to end slavery. In a world in which fear runs rampant—when people would rather stand on the sidelines than speak out against injustice, go along with convention than bet on themselves, and turn a blind eye to the ugly

realities of modern life—we need courage more than ever. We need the courage of whistleblowers and risk takers. We need the courage of activists and adventurers. We need the courage of writers who speak the truth—and the courage of leaders to listen. We need you to step into the arena and fight.
