 Board Resolution  
 Template 6 Templates  
 A board resolution  
 template is a manner of documenting  
 decisions made by the company's  
 Shareholders or Board of Directors. The  
 decision can cover anything relevant to  
 the affairs of the organization like a  
 decision extending loans to other  
 companies or when voting for a new  
 member to join the board. After the Board  
 of Directors has decided upon the  
 resolution through a meeting, they write  
 the board of directors resolution which  
 contains the details of the resolution.
