The New Illustrated Encyclopedia of World History Southwater Pub

A comprehensive visual directory presents the fossils in easy to follow chronological order. Each entry has its own full color identification photograph, an artwork reconstruction showing just what the fossilized plant or animal may have looked like and a factfile of essential information.

The World Encyclopedia of Musical Instruments McClelland & Stewart

The art of music-making has existed for thousands of years. This fascinating book begins with a history of music-making, posing the questions What is music? and What is a musical instrument? . A visual directory is organized according to families of instruments: strings, woodwind and brass, percussion and keyboards, as well as a section on the voice.

Comprehensively written and beautifully illustrated with over 450 photographs, the book covers a wide range of instruments and their historical relatives. It also provides a complete history of music-making and the orchestra, making it an indispensable reference for music lovers everywhere.

Pistols, Rifles, Revolvers, Machine and Submachine Guns Through History in 1100 Clear Photographs Southwater

This history of the origins and evolution of bomber aircraft encompasses a century of innovation. The first section covers their development and the major conflicts in which they have been used, from the Blitz and Dambusters missions of World War II to the Libyan raids and Gulf War of modern times. The second section is a comprehensive A-Z of World

War bombers 1914-45, and the third section focuses on modern jet bombers and the latest developments in warfare. With specification boxes providing at-a-glance information and 750 photographs this fully illustrated reference book is for every enthusiast or war historian.

The Illustrated Encyclopedia of the World's Modern Locomotives Southwater

This encyclopedia is both a reference work and visual display, explaining the development of arms and showing the individual specifications of modern weapons. Grouped according to country of origin, each gun's features are listed, as are the military, political and technological context in which each gun was developed.

[The World Encyclopedia of Christmas](#)
Lorenz Books

Introduces various programs and activities designed to awaken the links between mind, body, and spirit, including sensory therapies, subtle energy practices, massage, movement therapy methods, martial arts, yoga, meditation, and creative arts therapies

The World Encyclopedia of Wild Flowers and Flora Lorenz Books

At last, a truly comprehensive look at Christmas and all of its customs with its long history around the world. The World Encyclopedia of Christmas contains articles on the history of Christmas baking, drinking, and merrymaking, and Christmas dramas, music, literature, art, and films. It includes entries on the evolution of the Christmas tree and the Christmas card, gift-giving, and decoration of church and home. There

are profiles of the many gift-bringers, from Santa Claus to Babouschka, and miraculous tales of the numerous saints associated with the season. And there are histories of seasonal celebrations and folk customs around the world, from the United States to Japan, from Egypt to Iceland. Who, for example, knew the links between the Punch and Judy show and Christmas? That the medieval Paradise tree hung with tempting apples was the forerunner of the Christmas tree? About the Peerie Guizers, who terrorized the Shetland Islands, going door-to-door for Christmas charity? Or what Freudians make of our interest in Christmas stockings and Santa's entrance through the chimney? There are detailed accounts of Wren Boys and Star Boys, mumming and wassailing, the

Feast of Fools and the origins of eggnog. And of course stories of the Nativity and legends of the Magi. With beautifully illustrated accounts ranging from the pagan roots of Yuletide, through the birth of Christ, and the long and fascinating history of the festival ever since, *The World Encyclopedia of Christmas*, is a rich and continually surprising array of religious and secular history, trivia, literature, and art. This wonderful book deserves to find a home with every family that celebrates Christmas.

[The Complete Illustrated World](#)

[Encyclopedia of Insects](#) Lorenz Books

"A 22-volume, highly illustrated, A-Z general encyclopedia for all ages, featuring sections on how to use World Book, other research aids, pronunciation

key, a student guide to better writing, speaking, and research skills, and comprehensive index"--
