Strange Case of Dr. Jekyll
and Mr. Hyde LCI

Strange Case of Dr Jekyll
and Mr Hyde is the
original title of a novella
written by the Scottish
author Robert Louis
Stevenson that was first
published in 1886. The
work is commonly known
today as The Strange

Case of Dr. Jekyll and Mr.
Hyde, Dr. Jekyll and Mr.
Hyde, or simply Jekyll &
Hyde. It is about a London
lawyer named Gabriel
John Utterson who
investigates strange
occurrences between his
old friend, Dr. Henry
Jekyll, and the evil Edward
Hyde. The work is
commonly associated with
the rare mental condition
often spuriously called
"split personality",
referred to in psychiatry

as dissociative identity
disorder, where within the
same body there exists
more than one distinct
personality. In this case,
there are two
personalities within Dr
Jekyll, one apparently
good and the other evil.
The novella's impact is
such that it has become a
part of the language, with
the very phrase "Jekyll
and Hyde" coming to
mean a person who is
vastly different in moral

character from one situation to the next. title: The Strange Case of Dr. Jekyll and Mr. Hyde by Robert Louis Stevenson **Classics Reimagined, The Strange Case of Dr. Jekyll and Mr. Hyde** Orbis Books This Top Five Classics edition of Robert Louis Stevenson's The Strange Case of Dr. Jekyll and Mr. Hyde includes: • More than 20 illustrations by Charles Raymond Macauley • Introduction • Author bio and bibliography Dr. Jekyll and Mr. Hyde, first published

in 1886, has been and remains one of the most well-known works of popular fiction in the English language, having spawned hundreds of dramatic adaptations and inspired countless other works—beginning with the first stage production less than a year after the original book was published. It is also one of the most widely translated works in English literature. But if you've never read Stevenson's Dr. Jekyll and Mr. Hyde, you might be surprised at just how

riveting the tale remains—as well as how different it is from what you've come to expect. *Strange Case of Dr. Jekyll and Mr. Hyde* Sterling Publishing Company, Inc. Bold visionary, Henry Jekyll, believes he can use his scientific knowledge to divide a person into two beings--one of pure good and one of pure evil. Working tirelessly in his secret laboratory, concocting a potion that would tear at the core of what makes a man human, he eventually succeeds--but only

halfway. Instead of separating the good and evil halves, Jekyll isolates only the latter. What seems at first a relief to the doctor becomes a nightmare as he loses control of the transformation. His friends feel Jekyll will waste away and fear the worst. Can Jekyll undo what he has done? Or will it change things forever?

The Strange Case of Dr Jekyll and Mr Hyde and the Suicide Club Xist Publishing

Dr. Jekyll, a brilliant scientist, is transformed

by a self-administered drug into the twisted Mr. Hyde, the incarnation of evil. Presented in comic book format.

The Strange Case Of Dr. Jekyll And Mr. Hyde ABDO

One pitch-black London morning, a ghoulish little man tramples a young girl and continues heedlessly on his way. Caught by a passerby and returned to the scene of the crime, the man is forced to pay £100 in restitution. He produces ten pounds in gold and a check for the remainder. Curiously, the

check bears the signature of the well-regarded Dr. Henry Jekyll. Even stranger, Dr. Jekyll's will names this same awful and mysterious little man, Mr. Hyde, as the sole beneficiary. Troubled by the coincidence, Dr. Jekyll's attorney visits his client. What he uncovers is a tale so strange and terrifying it has seeped into the very fabric of our consciousness. An immediate success upon its publication in 1886 and a cultural touchstone to this day, The Strange Case of Dr. Jekyll and Mr.

Hyde is one of the most disturbing stories ever told. This ebook has been professionally proofread to ensure accuracy and readability on all devices. The novella's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next. title: Robert Louis Stevenson's The Strange Case of Dr. Jekyll and Mr. Hyde **Dr. Jekyll and Mr. Hyde** Independently Published Stevenson's short novel, published in 1886, became an instant classic. It was a Gothic horror originating in a feverish

nightmare, that has thrilled readers ever since. Also included in this edition are a number of short stories and essays of the 1880s and extracts from writings on personality disorder that set the works in their historical context. - ;'Instantly the spirit of hell awoke in me and raged...I was suddenly struck through the heart by a cold thrill of terror.' Stevenson's short novel, published in 1886, became an instant classic. It was a Gothic horror that originated in a feverish

nightmare, whose hallucinatory setting in the murky back streets of London gripped a nation mesmerized by crime and violence. The respectable doctor's mysterious relationship with his disreputable associate is finally revealed in one of the most original and thrilling endings in English literature. In addition to *Jekyll and Hyde*, this edition also includes a number of short stories and essays written by Stevenson in the 1880s, minor masterpieces of fiction and comment: 'The

Body Snatcher', 'Markheim', and 'Olalla' feature grave-robbing, a sinister double, and degeneracy, while 'A Chapter on Dreams' and 'A Gossip on Romance' discuss artistic creation and the 'romance' form. Appendixes provide extracts from contemporary writings on personality disorder, which set Stevenson's tale in its full historical context. - ;The best edition of Stevenson's supernatural fiction so far. The texts are very well edited, the notes are

significant and unobtrusive for the average reader, and the appendices provide the perfect complementation for Stevenson's narratives of the uncanny. Roger Luckhurst's introduction is fascinating. A must. - Dr. Antonio Ballesteros-González, Universidad de Castilla-La Mancha
The Strange Case of Dr Jekyll and Mr Hyde and Weir of Hermiston Prabhat Prakashan
 Everyone has a dark side. Dr Jekyll has discovered the ultimate drug. A chemical that can turn

him into something else. Suddenly, he can unleash his deepest cruelties in the guise of the sinister Hyde. Transforming himself at will, he roams the streets of fog-bound London as his monstrous alter-ego. It seems he is master of his fate. It seems he is in complete control. But soon he will discover that his double life comes at a hideous price...

The Strange Case of Dr. Jekyll and Mr. Hyde
Lindhardt og Ringhof
Robert Louis Stevenson originally wrote "Dr. Jekyll

And Mr Hyde" as a "chilling shocker." He then burned the draft and, upon his wife's advice, rewrote it as the darkly complex tale it is today. Stark, skillfully woven, this fascinating novel explores the curious turnings of human character through the strange case of Dr. Jekyll, a kindly scientist who by night takes on his stunted evil self, Mr. Hyde. Anticipating modern psychology, "Jekyll And Hyde" is a brilliantly original study of man's dual nature -- as well as

an immortal tale of suspense and terror. Published in 1866, "Jekyll And Hyde" was an instant success and brought Stevenson his first taste of fame. Though sometimes dismissed as a mere mystery story, the book has evoked much literary admirations. Vladimir Nabokov likened it to "Madame Bovary" and "Dead Souls" as "a fable that lies nearer to poetry than to ordinary prose fiction." "From the Paperback edition."

The Strange Case of Dr Jekyll and Mr Hyde and Other Tales of Terror

Independently Published
The book which put Stevenson's name in the mouth of the ' man in the

street,' lifted him at a single bound to a place among men of the time and, by the still greater sensation which it created in America, led to the large income which soon afterwards he drew from the United States. The ear of a great public to whom his earlier writings were unknown was captured by this intense picture of the elements of good and evil in man's nature. It was hailed from pulpits and in the religious press as a great moral parable; though its moral quality, on close analysis, is seen

to be more an illusion, due to the art of its writing, than the essence of the fable. Reduced to its simplest formula Jekyll and Hyde is a cry of terror at the potency for evil latent in the human soul. Such moral force as it has depends upon its assault on the nerves, not on its appeal to the heart. If not thus interpreted by the preachers of the time, it yet served the purpose of moving their hearers by the spectacle of the evil partner in the human ego, indulged in a moment 'when virtue slumbered,'

coming in the end to destroy the good.

Strange Case of Dr Jekyll

and Mr Hyde is the

original title of a novella

written by the Scottish

author Robert Louis

Stevenson that was first

published in 1886. The

work is commonly known today as The Strange Case of Dr. Jekyll and Mr. Hyde, Dr. Jekyll and Mr. Hyde, or simply Jekyll & Hyde. It is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. The work is commonly associated with the rare mental condition often spuriously called "split personality", referred to in psychiatry as dissociative identity disorder, where within the

same body there exists more than one distinct personality. In this case, there are two personalities within Dr Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novella's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next. John Utterson, a prosecutor, is on his weekly walk with

his relative, who proceeds to tell him of an encounter with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister figure named Edward Hyde who tramples a young girl, disappears into a door on the street, and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable gentleman Dr. Henry Jekyll (a client and friend of Utterson's) for 90 pounds. Jekyll had recently and suddenly

changed his will to make Hyde the sole beneficiary. This development concerns and disturbs Utterson, who makes an effort to seek out Hyde. Utterson fears that Hyde is blackmailing Jekyll for his money. Upon finally managing to encounter Hyde, Hyde's ugliness, as if deformed, amazes Utterson. Although Utterson cannot say exactly how or why, Hyde provokes an instinctive feeling of revulsion in him. Much to Utterson's surprise, Hyde willingly offers Utterson his

address. After one of Jekyll's dinner parties, Utterson stays behind to discuss the matter of Hyde with Jekyll. Utterson notices Jekyll turning pale, yet he assures Utterson that everything involving Hyde is in order and that he is to be left alone. A year passes uneventfully. One night, a servant girl witnesses Hyde beat a man to death with a heavy cane. The victim was MP Sir Danvers Carew, who was also Utterson's client. The police, who suspect Hyde, contact Utterson. He leads

the officers to Hyde's apartment, feeling a sense of foreboding amid the eerie weather (the morning is dark and wreathed in fog). When they arrive at the apartment, the murderer has vanished, but they find half of the cane (described as being made of a strong wood but broken due to the beating) left behind a door. It is revealed to have been given to Jekyll by Utterson. Shortly thereafter, Utterson again visits Jekyll, who now claims to have ended all

relations with Hyde. Jekyll shows Utterson a note, allegedly written to Jekyll by Hyde, apologizing for the trouble that he has caused him and saying goodbye. That night, however, Utterson's clerk points out that Hyde's handwriting bears a remarkable similarity to Jekyll's own. For a few months, Jekyll reverts to his former friendly and sociable manner, as if a weight has been lifted from his shoulders. Later, Jekyll suddenly starts refusing visitors, and Dr. Hastie Lanyon, a mutual

acquaintance of Jekyll and Utterson, dies suddenly of shock after receiving information relating to Jekyll. Before his death, Lanyon gives Utterson a letter, with instructions that he should only open it after Jekyll's death or his disappearance.
