Falling Into Us Simon and Schuster

The magic and wonder of winter's first snowfall is perfectly captured in Ezra Jack Keat's Caldecott Medal-winning picture book. Young readers can enjoy this celebrated classic as a full-sized board book, perfect for read-alouds of all kinds and a great gift for the holiday season. In 1962, a little boy named Peter put on his snowsuit and stepped out of his house and into the hearts of millions of readers. Universal in its appeal, this story beautifully depicts a child's wonder at a new world, and the hope of capturing and keeping that wonder forever. This big, sturdy edition will bring even more young readers to the story of Peter and his adventures in the snow. Ezra Jack Keats was also the creator of such classics as *Goggles*, *A Letter to Amy*, *Pet Show!*, *Peter's Chair*, and *A Whistle for Willie*. (This book is also available in Spanish, as *Un día de nieve*.) Praise for *The Snowy Day*: "Keats made Peter's world so inviting that it beckons us. Perhaps the busyness of daily life in the 21st century makes us appreciate Peter even more—a kid who has the luxury of a whole day to just be outside, surrounded by snow that's begging to be enjoyed."

—The Atlantic "Ezra Jack Keats's classic *The Snowy Day*, winner of the 1963 Caldecott Medal, pays homage to the wonder and pure pleasure a child experiences when the world is blanketed in snow."—*Publisher's Weekly*

Falling Into My Place Henry Holt

Jesus was quite clear that we must lose our life before we find it. This book gives a hopeful and realistic look at what losing our life entails, articulating how "growth" in the Christian life is not our ascent to God but the process by which our eyes are opened to the beauty God has already given to us. It is a book about descending into God, and into our own inner depths, about the

deep waters of the Christian faith. "Put out into the deep and let your nets down for a catch." (Luke 5:4) We live in a world that values productivity and success, and we vainly imagine that God expects us to be spiritually productive and successful, too. It doesn't matter how much we talk about grace, our conversation is often narrowly focused on what we need to do for God—so much so that we often block the work God longs to do in us. This book does not articulate God's work as a process by which we become spiritually strong, but rather as the process by which we embrace our weakness as the place where we most fully experience God's perfect strength (2 Corinthians 12:9).

Packed with helpful suggestions for those seeking love and those already in it, this book is about love's many puzzles. The second edition furthers the work of the popular and successful first edition. With expanded research, theory, and practice, this book once again provides one of a kind understandings of the experience of love. The new edition offers updated references to recent research, new chapter exercises, and "case examples" of romantic stories to begin each chapter.

How to Fall in Love with Anyone HarperCollins

One cold fall day, high school junior Liz Emerson steers her car into a tree. This haunting and heartbreaking story is told by a surprising and unexpected narrator and unfolds in nonlinear flashbacks even as Liz's friends, foes, and family gather at the hospital and Liz clings to life. This riveting debut will appeal to fans of Before I Fall, by Lauren Oliver, and 13 Reasons Why, by Jay Asher. "On the day Liz Emerson tries to die, they had reviewed Newton's laws of motion in physics class. Then, after school, she put them into practice by running her Mercedes off the road." Why did Liz Emerson decide that the world would be better off without her? Why did she give up? The nonlinear novel pieces together the short and devastating life of Meridian High's most popular junior girl. Mass, acceleration, momentum, force—Liz didn't understand it in physics, and even as her Mercedes hurtles toward the tree, she doesn't understand it now. How do we impact one another? How do our actions reverberate? What does it mean to be a friend? To love someone? To be a daughter? Or a mother? Is life truly more than cause and effect? Amy Zhang's haunting and universal story will appeal to fans of Lauren Oliver, Gayle Forman, and Jay Asher.

Falling Into You Harper Collins

"A beautifully written and well-researched cultural criticism as well as an honest memoir" (Los Angeles Review of Books) from the author of the popular New York Times essay, "To Fall in Love with Anyone, Do This," explores the romantic myths we create and explains how they limit our ability to achieve and sustain intimacy. What really makes love last? Does love ever work the way we say it does in movies and books and Facebook posts? Or does obsessing over those love stories hurt our real-life relationships? When her parents divorced after a twenty-eight year marriage and her own ten-year relationship ended, those were the questions that Mandy Len Catron wanted to answer. In a series of candid, vulnerable, and wise essays that takes a closer look at what it means to love someone, be loved, and how we present our love to the world, "Catron melds science and emotion beautifully into a thoughtful and thought-provoking meditation" (Bookpage). She delves back to 1944, when her grandparents met in a coal mining town in Appalachia, to her own dating life as a professor in Vancouver. She uses biologists' research into dopamine triggers to ask whether the need to love is an innate human drive. She uses literary theory to show why we prefer certain kinds of love stories. She urges us to question the unwritten scripts we follow in relationships and looks into where those scripts come from. And she tells the story of how she decided to test an experiment that she'd read about—where the goal was to create intimacy between strangers using a list of thirty-six questions—and ended up in the surreal situation of having millions of people following her brand-new relationship. "Perfect fodder for the romantic and the cynic in all of us" (Booklist), How to Fall in Love with Anyone flips the script on love. "Clear-eyed and full of heart, it is mandatory reading for anyone coping with—or curious about—the challenges of contemporary courtship" (The Toronto Star).

Elia is a poor university student until the night she's taken to the world of the Anima—ruled by humans whose ancient hearts pulse with the blood of animals. There she's forced into a battle to the death. But when Elia survives, and refuses to kill her final opponent, the King must either kill Elia himself, or take her as his mate. Reth, the brutal King of the Beasts with the blood of lions, shocks everyone when he chooses the weak, human Elia to become his Queen. He chose her to defeat those that were trying to corner him into blending his Leonine line with the Wolves. Elia needs the help of the Anima to become stronger and rule them well. But the vengeful Wolves see only a weak human that brought them shame. As Elia and Reth grow closer, the wolves are determined to destroy her. Will Reth and Elia admit their feelings for each in time to fight for the Kingdom—and their lives—against the villainous wolf-tribe? Or will the wolves kill Elia and steal the throne? [Mature content - no sexual violence] ***** He stalked towards her, chin low so the shadow cast by his hard jaw cut across the thick fur collar of his vest. His hair had fallen over his eyes in the scuffle, so he peered at her through it like a lion in the grass. With each step, his graceful, rolling gait reminded her of a predator stalking its prey. Despite the forest floor littered in twigs and leaves, he didn't make a sound. "Wh-who are you?" Elia stammered, backing away, her hands up. He met her step for step until she came up hard against the tree behind her—and didn't stop until he loomed over her, so broad his shoulders and chest made a wall in front of her. She could feel the heat rising off his skin in the cool, night air. "I am the Leonine King." His voice was a dark, husky gravel. Behind him a chorus of wheezes, howls, and chirps of agreement rose from the people watching. "And you are?" "Elia," she breathed. "Elia," he growled, leaning in closer, bringing with him the scent of pine and rain and the musk of something distinctly male. "I am Reth." He said the name with a strange, guttural roll in his throat. "I am King of Beasts. I am Clan Leader, and I am Alpha of WildWood." Several snarls rose from the crowds behind him then, but he ignored them. Elia swallowed as he leaned in until the scruff on his jaw rasped her cheek. "I am the King," he said, "And you will be my mate." The forest behind him erupted. (Cover Art used by permission.
