How casual games like Guitar Hero, Bejeweled, and those for Nintendo Wii are expanding the audience for video games. We used to think that video games were mostly for young men, but with the success of the Nintendo Wii, and the proliferation of games in browsers, cell phone games, and social games video games changed fundamentally in the years from 2000 to 2010. These new casual games are now played by men and women, young and old. Players need not possess an intimate knowledge of video game history or devote weeks or months to play. At the same time, many players of casual games show a dedication and skill that is anything but casual. In *A Casual Revolution*, Jesper Juul describes this as a reinvention of video games, and of our image of video game players, and explores what this tells us about the players, the games, and their interaction. With this reinvention of video games, the game industry reconnects with a general audience. Many of today's casual game players once enjoyed Pac-Man, Tetris, and other early games, only to drop out when video games became more time-consuming and complex. Juul shows that it is only by understanding what a game requires of players, what players bring to a game, how the game industry works, and how video games have developed historically that we can understand what makes video games fun and why we choose to play (or not to play) them. Important Notice: The digital edition of

**A Casual Revolution** My Little World  
Jonah's life is about to change. Asked to preach repentance to his enemies, the Hebrew prophet tries to do what can't be done - run from God. But things don't go according to plan. He never expected to be thrown overboard into the Mediterranean. And, unfortunately for him, Jonah is swallowed by a giant fish... Trapped inside the fish for three days and nights, Jonah decides to finish the mission God gave him. He heads to Nineveh. But will his enemies change their wicked ways and turn back to God? Filled with colorful illustrations and biblical truth, *Swallowed by a Fish* is part of the Bible Pathway Adventures' series of biblical adventures. If your children like gripping action and courageous Israelites, then they'll love this biblical adventure series from Bible Pathway Adventures™. The search for truth is more fun than tradition!

When his attempts to get to know his dying father fail, William Bloom makes up stories that recreate his father's life in heroic proportions.

**How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work**

Del Rey

"A top-notch literary brainteaser." –New York Times Soon to be a major motion picture sequel to *Murder on the Orient Express* with a screenplay by Michael Green, directed by and starring Kenneth Branagh alongside Gal Gadot—coming February 11, 2022! Beloved detective Hercule Poirot embarks on a journey to Egypt in one of Agatha Christie's most famous mysteries. The tranquility of a luxury cruise along the Nile was shattered by the discovery that Linnet Ridgeway had been shot through the head. She was young, stylish, and beautiful. A girl who had everything . . . until she lost her life. Hercule Poirot recalled an earlier outburst by a fellow passenger: "I'd like to put my dear little pistol against her head and just press the trigger." Yet under the searing heat of the Egyptian sun, nothing is ever quite what it seems. A sweeping mystery of love, jealousy, and betrayal, *Death on the Nile* is one of Christie's most legendary and timeless works. "Death on the Nile is perfect." —The Guardian "One of her best. . . First rate entertainment." —Kirkus Reviews *Quick Knits for Kids and Grown-Ups* Bible Pathway Adventures With a single kiss, a young maid saves her beloved from the Snow Queen's icy imprisonment. When splinters from an evil troll's magic mirror get into the

heart and eye of Kai, he is tricked into accompanying the Snow Queen to her palace, and only the innocence and kindness of Gerda's heart can save him. The inspiration for Frozen, Hans Christian's Andersen's "The Snow Queen" is one of the most beloved fairy tales in history. HarperPerennialClassics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

The New Rules for Engaging Mom Influencers Who Drive Brand Choice

RH/Disney

What happens when you disobey God? Author Susan Collins Thoms and illustrator Naoko Stoop answer the question in the most inviting, child-friendly retelling of Jonah and the Big Fish ever created. This lush edition of the classic Biblical story captures the tale's watery world in jewel-toned illustrations by Stoop, who paints her incredible images directly on wood planks--each chosen specifically for its unique character. Perfect for parents and children to share, it makes a beautiful companion to our All Creatures Great and Small and Noah's Ark.

*Hercule Poirot Investigates* John Wiley & Sons

In the new country, Shirley and her family all have big dreams. Take the family store: Shirley has great ideas about how to make it more modern! Prettier! More profitable! She even thinks she can sell the one specialty no one seems to want to try: Mama's homemade gefilte fish. But her parents think she's too young to help. And anyway they didn't come to America for their little girl to work. "Go play with the

cat!" they urge. This doesn't stop Shirley's ideas, of course. And one day, when the rest of the family has to rush out leaving her in the store with sleepy Mrs. Gottlieb...Shirley seizes her chance! Arima Pub

"A 22-volume, highly illustrated, A-Z general encyclopedia for all ages, featuring sections on how to use World Book, other research aids, pronunciation key, a student guide to better writing, speaking, and research skills, and comprehensive index"--

The exciting world of Olobob Top comes in all shapes, colours and sizes! Say hello to Tib, Lalloo, Bobble and all their friends! They are made of shapes too. Who wears a triangle dress? Who is sleeping underneath a semi-circle shell? And what are those BIG long rectangle shapes stomping through the Olobob Forest? Lift the flap to find out... Olobob Top is the exciting new CBeebies animated pre-school TV series that follows Tib, Lalloo and Bobble, which has already received an overwhelmingly positive response. There are lots of adventures to be had, but there are often some problems to face along the way. Don't worry, the Olobobs know that the right amount of imagination, inventiveness and creativity can solve anything - from building a new house for a friend, to planning a party to finding

something lost. Bloomsbury's Olobob Top series allows children to extend and explore their own creativity, just like the Olobobs, whether it's by learning new shapes and numbers or creating their own imaginative world.

*Big Fish, Little Fish* Ballantine Books

This short story, told in the Gothic tradition represents Poe's first work to be printed, and represents the foundation of what would constitute much of his future work. The tale, set in Hungary, recounts the later years of an interminable feud between two noble houses, the Metzengersteins and the Berlifitzings. This third person narration follows the young orphaned Baron of the Metzengersteins, Frederick, as he inherits his family's fortune and their feud. An ancient prophecy is all that remains of the origins of this feud, one that has seemingly come true when Frederick is suspected of the murder of the Berlifitzings patriarch. It is this prophecy that drags these two families to a conclusion teeming with tragedy, mystery, violence, madness and the supernatural. For any fans of Poe, mystery or the supernatural it is a must read. Edgar Allan Poe (1809-1849) is a titan of literature. Most famous for his poetry, short stories, and tales of the supernatural and macabre, his body of work continues to resonate to this day. Poe is widely regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1945), "The Black Cat" (1943), and "The Gold-Bug" (1843).

### **Fish Sunday Thinking** Cartwheel Books

The communications world is undergoing a seismic shift. The Web is colliding with the old way of doing things, shaking and rolling the marketing landscape as we know it. As the collision subsides and the market forces settle, PR is rising up to a new level of importance. Why exactly is this happening? For one, fragmentation. A new set of communication mediums ranging from blogs to podcasts to satellite radio are fragmenting the media landscape, making it harder to reach customers than ever before. Second, saturation. Advertising, which once reigned supreme in the marketing mix, is failing to have the impact it once had thanks to intense competition for consumer attention and the rising popularity of technologies like TiVo, which make it easy to block out TV ads. Third, reputation. With an overabundance of products from which to choose, consumers increasingly want to buy from companies they deem socially responsible, and they're using the Internet to learn the details. The new world order has created a new set of challenges, and PR is emerging as the marketing discipline best positioned to respond. Consider this: in a recent study by the USC Annenberg Strategic Public Relations Center, CEOs rated PR as one of the top contributors to organizational success. That's right, PR was right at the top of a list that included other major

corporate functions, including human resources, legal, sales, strategic planning, information systems, and security. Just a few years ago, CEOs ranked PR near the bottom of these same corporate functions. PR has come a long way in a short amount of time. Increasingly, companies are backing their commitment to PR with their wallets. PR salaries are on the rise, and companies are adding staff to their ranks. Over the next five years, PR spending is expected to increase 11.8 percent to \$4.26 billion, according to a recent Veronis Suhler Stevenson Communications Industry Forecast. But while companies are starting to see the connection between PR and organizational success, most continue to take a tactical approach to this medium, failing to harness the full power it can provide. If used strategically, PR can dramatically improve almost every facet of a business. It can expand customer base, increase revenue, boost reputation, attract first-rate talent, and enhance the perceived value of a company, to name just a few. The power of PR is astounding. Yet few companies leverage its fullest potential. In the new marketing landscape, companies that fail to treat PR strategically are putting themselves at risk. Unlike most other books on the market that focus on developing press releases and other PR tactics, *Strategic Public Relations* connects the dots to show you how you can more fully leverage the power of PR to achieve your most important business objectives. The initial pages of the book explain why a strategic approach to PR is critical to your success. Specifically, you'll learn what PR can do and what it can't, and why harnessing your PR program to your broader business strategy is your golden key to success.

The book then provides ten guiding principles designed to help you take your PR program to the next level. Each of these principles is designed to be straightforward and simple so they can easily be applied to achieve better results. The lessons offered in this book are based on a tried-and-true approach to PR the authors have developed and perfected over the course of their careers. Over the last two decades, Jennifer Gehrt and Colleen Moffitt have worked on the inside of worldwide PR agencies such as Waggener Edstrom and within the walls of influential corporations such as Microsoft, RealNetworks, AT&T Wireless, and Tegic Communications/AOL. They have worked in the trenches with small and medium-size businesses and major corporations in a variety of industries, helping them to develop thoughtful PR programs that accr

You are in a job you do not enjoy. You are surrounded by colleagues you do not

respect. You feel you can do better. Your life feels directionless. You feel trapped. You drink to take your mind off it all. You dread Mondays. You hate your alarm clock with a passion. You worship Friday afternoons. You cherish the weekend. You loathe the inevitability of ironing, always ironing. You assess where you are going on every Sunday. You know you're not the big fish. You wonder if you ever want to be. You are stuck on repeat. You are in an endless cycle of working, drinking and making coffee. You want a way out. You want to escape this way of thinking. You want to enjoy life, all the time. You want fulfilment. You want freedom. You want to read this book. In a large London law firm, trainee solicitor Denton Voyle contemplates why he is pursuing a career in law. Every Sunday afternoon, with nothing better to look forward to than the ironing, he questions his miserable, listless, alcohol fuelled existence and wonders if the pursuit of being the big fish could ever really satisfy him. He soon finds he is not alone and sets out to escape his fish Sunday thinking.
