Studies in the Apostolic Church Crossway

This first volume in the Seeing Jesus in the Old Testament Bible study series guides women through a Christ-centered study of Genesis. The Promised One provides a fresh look at the book of Genesis, leading women in discovering how its stories, symbols, people, and promises point to Christ. Over ten weeks of study, participants will see Christ as the agent of creation, the offspring who will crush the head of the serpent, the ark of salvation, the source of the righteousness credited to Abraham, the substitutionary sacrifice provided by God, the Savior to whom the whole world must come for life, and much more. Each weekly lesson includes questions for personal study, a contemporary teaching chapter that emphasizes how the passage fits into the bigger story of redemptive history, a brief section on how the passage uniquely points to what is yet to come at the consummation of Christ's kingdom, and a leader's guide for group discussion. A ten-session DVD companion set is also available.

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." - Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage* [Select Notes on the International Sunday School Lessons ...](#) CreateSpace
