Origami paper with stunning Japanese

traditional prints and fun and simple folding instructions! Amazing Origami is designed for origami paper folders of all ages and all skill levels—from novices up to more experienced folders. It provides everything you need to create exciting and original origami art. The gorgeous folding papers feature delicate patterns with gold detailing, recalling the one-of-a-kind traditional designs used in the Japanese kimono fabrics from a bygone era. This origami ebook contains: A full-

colored 64-page booklet Clear step-by-step instruction and diagrams 17 fun-to-do projects Downloadable folding sheets One of the wonderful aspects of origami is it's simplicity. The paper folder needs nothing more than something to fold—no glue, no tape, no string or wire—just a piece of paper! Though the materials are simple, origami exemplifies the ability of the human mind to solve problems and create beautiful harmony. Origami is relaxing and peaceful, but it is also fun and exciting to

discover new ways to fold paper. With Amazing Origami's simple instructions, origami beginners will be able to get started immediately. With the beautiful, Japanese origami paper, experienced paper folders can create unique origami art. Origami projects include: Luna Moth Tortoise Carp Leaf Peacock Butterfly Koi Chinese Pinwheel And many more... *Origami Jungle Kit* Courier Corporation Created by an origami master, these 23 models offer a menagerie of easy-to-fold animals. Figures include birds—a cardinal, parrot, bald eagle, and cranes—and a fox, pig, hippo, elephant, lion, and others. Diagrams illustrate every step of the folding process, and full-color pictures depict the completed models. Internationally renowned author John Montroll has significantly increased the origami repertoire with his original designs. Best known as the inspiration behind the single-square, no-cuts, no-glue approach, the American origami expert offers readers meticulously developed folding sequences that allow them to create better models with fewer steps. The Ultimate Book of Origami Animals Holiday House

"Through the intricate art of origami, LaFosse and Alexander succeed in educating all ages about wildlife conservation and the importance of preserving our Earth's endangered animals." --Jack Hanna A portion of the proceeds benefit wildlife conservation. An interactive way to foster appreciation and understanding of our planet's endangered species! Origami Endangered Animals Kit, from master origami artists Michael LaFosse and Richard Alexander, is designed to educate and entertain in equal measure. This origami kit includes everything you need: 48 large sheets of high-quality double-sided folding paper A full-color 64-page instruction book Free online video demonstrations Educational notes about endangerment and threatened species The 12 animals featured in this kit range from the diminutive Macaque to the massive Blue

Whale, and also include: The Leopard: These big cats are the victims of shrinking habitats and trophy hunters. Only 12,000 to 14,000 remain in the world. The Rhinoceros: These animals are frequent targets of poachers. There are 28,000 to 30,000 individuals remaining. The Macaque: These clever primates suffer from disease and shrinking habitats as farmlands expand. The Gorilla: These critically endangered primates are being rapidly hunted to extinction. The Sea Turtle: Ungainly on land, these reptiles are victims of beach development, bycatch, poaching, marine debris, and more. The Tiger: A ferocious apex predator, these big cats suffer from shrinking habitats, hunting, and poaching. Only 8,000 to 10,000 individuals remain, half of them in captivity. The Elephant: The largest land mammal, these massive herbivores are threatened by habitat loss and poaching. The Great White Shark: These impressive predators are critically endangered due from overfishing, and slow reproductive maturity. Only around 3,500 individuals remain. The Blue Whale: The largest animal on earth, tipping the scales at over 120 tons! These giants were nearly hunted

to extinction and are now recovering their numbers, but face many environmental challenges. There are estimated to be 10,000 to 25,000 individuals remaining in the world. The Emperor Penguin: These majestic flightless birds live exclusively in the southern hemisphere. Not yet endangered, but severely threatened. The Giant Panda: These cuddly bears are threatened by habitat pressure and low birthrates. Only around 1,200 remain in the world. The Australian Sea Lion: These mammals spend most of their time in the water and are heavily hunted, their food sources heavily fished out until recently. Fewer than 15,000 individuals remain. These fun-to-fold paper animals are an ideal way to bring natural beauty into your home or office, while also highlighting the plight of endangered wildlife species. Animal figures are the most popular form of origami, and now anyone can use them to learn more about these important species.
