Create an exhilarating, feel-good experience for singers and audiences alike with this bright arrangement of the seasonal classic paired with a clever

original melody. The optional accompaniment puts the final tinsel on the tree and guarantees fun for all at your next holiday concert.

The British Journal of Photography  
Respected economist and journalist Loretta Napoleoni shows how the world is being reshaped by dark economic forces creating victims out of millions of ordinary people whose lives have become trapped

inside a fantasy world of consumerism. A world built by organisations both private and public which have accumulated vast fortunes and enormous political influence by regulating, containing and manipulating the market to their own advantage.
