More than 10 years after *Parenting Your Adult Child* was published, much has changed - including young adults themselves, as well as their parents. Economic upheavals, challenges to traditional values and beliefs, the phenomenon of over-involved "helicopter parenting" - all make relating to grown children more difficult than ever. Yet at the same time, being a parent of an adult child can bring great rewards. This revised and updated version of Dr. Gary Chapman's and Dr. Ross Campbell's message will help today's parents explore how to really love their adult child in today's changing world. The book includes brief sidebars from parents of adult children and adult children themselves with their own stories. An online study guide will also be available.

Could Your Love Language Guide You to a Meaningful Life? In a world of varying beliefs and endless opportunities, determining how to spend our lives can seem impossible. And even more difficult than finding direction can be finding meaning. Perhaps we know what we're most interested in, but how do we know if it has purpose? These longings are rooted in our desire to feel God's presence in our lives, which begins when we know how He communicates with us. *Seen. Known. Loved.* examines how God—the Creator of the universe—intimately communicates with each of His people. Relationships expert Gary Chapman and coauthor R. York Moore offer practical insights for how to know your own love language and how God uses it to communicate with you. When we come to understand our own unique love language, we discover how God both speaks and listens. And, therefore, how He is intimately involved in our lives in ways we have never before identified. The first step to living with meaning is living in union with our God—the source of meaning.

Fight the Way Jesus Fought For many believers, times of unrest simply mean that darkness is on the rise. But what if the growing violence in the world today means something different? What if our "signs of the times" mean that the Spirit of God is on the move? Author and trusted prophet Kim Maas reveals one of the mysteries of the Kingdom: When light breaks through the gates of darkness, the result is violence. This is spiritual warfare, and it signals a fresh awakening. It means that the Kingdom of God is advancing and that you are advancing! Engage in Kingdom violence the way Jesus taught—with violent love, violent forgiveness, violent healing, violent deliverance, violent peace. If answering violence with violence sounds like war, it is. You are already in position. Overturn the works of darkness in every area of your life, and watch for a great move of God!

Navigating the Four Critical Seasons of Relationship The vast majority of young people will still pass through the key phases of singleness, dating, engagement and marriage in their twenties. Yet they are delaying marriage longer than any generation in human history. Why? For the first time in history, the average age for an American woman having her first child, 26, is younger than the average age of her first marriage, 27. More children than ever are growing up in fatherless homes, despite the overwhelming evidence that in every measurable way this is bad for the child. The Center for Disease Control also recently reported a dramatic rise in sexually transmitted disease nationwide. In Rhode Island alone, since the onset of online dating, reported cases of Syphilis has risen 79%, and HIV has increased by 33%. Though many young people can avoid early pregnancy and STDs, most cannot dodge the depression and feelings of isolation that characterize this modern generation. Studies show a dramatic rise in self-reported loneliness among the young. All of our technological connectivity has not made us feel more connected. In many ways, the very screens that are meant to link us to others have become shields blocking us from the deep intimacy we crave. Many have discovered that where there is a lack of intimacy, addiction often rises to take its place. How can a young person navigate such troubled waters? Is there hope out there? Like a sailor on turbulent seas, we need to look up and see the North Star: the fixed points in the sky whereby we might navigate the objective realities in life. We need the skill-set to know how to journey through life and how to select the right people to journey alongside. In this book we will chart a course through the four relational phases that the vast majority of human beings on the planet will pass through in their twenties: singleness, dating, engaged and married. In each of these phases, we will look at what eternal purposes should be pursued in each stage, and how to pursue them.

SINGLENES: DEVOTION DATING: EVALUATION ENGAGED: UNIFICATION MARRIED: MISSION Our desires for intimacy are powerful. This power can be constructive or destructive. Our satisfaction and our safety will be ensured if we can aim these powerful desires toward divine purposes.
