HINTON DANIKA

Offering Smoke World Wisdom, Inc

At this very moment over fifty million women are going through menopause. Pharmaceutical companies are mass marketing hormones as fast as doctors can prescribe them, and menopausal seminars sponsored by these companies are crisscrossing the country in an effort to educate women on easing the physical

pains of hormone deficiencies. Books like *The Silent Passage*, *What Your Doctor Won't Tell You About Menopause*, and *Listening To Your Hormones* are flying off the shelves because women are desperate to learn even more. And yet, these doctors, seminars, and books still haven't addressed what every transitional woman instinctively knows: Menopause is much more than just a list of physical ailments, menopause is a spiritual journey. *The Seven Sacred Rites of Menopause: The Spiritual Journey to the Wise-Woman Years* is a groundbreaking work that will usher in a new way for women to cope with the emotional and physical challenges of menopause. Venturing into uncharted territory,

Kristi Meisenbach Boylan takes an intriguing and original look at the seven rituals that menopausal women move through on their voyage to the wise-woman years. Author Meisenbach Boylan believes that these seven ceremonial milestones should be viewed as celebrations--not as symptoms of an illness--and that the menopausal life passage isn't just about a woman's body fighting to correct hormonal imbalances, but is really about the soul trying to find its spiritual balance.

The seven, stories on the seven sacred rites of the Church Bear
The story of the Lakota Sioux's loss of their spiritual homelands and their remarkable legal battle to regain it The Lakota Indians counted among their number some of the most famous Native Americans, including Sitting Bull and Crazy Horse. Their homeland was in the magnificent Black Hills in South Dakota, where they found plentiful game and held religious ceremonies at charged locations like Devil's Tower. Bullied by settlers and the U. S. Army, they refused to relinquish the land without a fight, most famously bringing down Custer at Little Bighorn. In 1873, though, on the brink of starvation, the Lakotas surrendered the Hills. But the story does not end there. Over the next hundred years, the Lakotas waged a remarkable campaign to recover the Black Hills, this time using the weapons of the law. In *The Lakotas and the Black Hills*, the latest addition to the Penguin Library of American Indian History, Jeffrey Ostler moves with ease from battlefields to reservations to the Supreme Court, capturing the enduring spiritual strength that bore the Lakotas through the worst times and kept alive the dream of reclaiming their cherished homeland. *The Year the Stars Fell* Cambridge University Press

"The real value of Lakota Belief and Ritual is that it provides raw

narratives without any pretension of synthesis or analysis, as well as insightful biographical information on the man who contributed more than any other individual to our understanding of early Oglala ritual and belief." *Plains Anthropologist*"In the writing of Indian history, historians and other scholars seldom have the opportunity to look at the past through 'native eyes' or to immerse themselves in documents created by Indians. For the Oglala and some of the other divisions of the Lakota, the Walker materials provide this kind of experience in fascinating and rich detail during an important transition period in their history." *Minnesota History*"This collection of documents is especially remarkable because it preserves individual variations of traditional wisdom from a whole generation of highly developed wicasa wakan (holy men). . . . Lakota Belief and Ritual is a wasicun (container of power) that can make traditional Lakota wisdom assume new life." *American Indian Quarterly*"A work of prime importance. . . its publication represents a major addition to our knowledge of the Lakotas' way of life" *Journal of American Folklore*Raymond J. DeMallie, director of the American Indian Studies Research Institute and a professor of anthropology at Indiana University, is the editor of James R. Walker's *Lakota Society* (1982) and of *The Sixth Grandfather: Black Elk's Teachings Given to John G. Neihardt* (1984, a Bison Book), both published by the University of Nebraska Press. Elaine A. Jahner, a professor of English at Dartmouth College, has edited Walker's *Lakota Myth* (1983), also a Bison Book.

This Companion offers an up-to-date overview of the beliefs, doctrines, and practices of the key philosophical concepts at the

heart of Christian theology. The sixteen chapters, commissioned specially for this volume, are written by an internationally recognized team of scholars and examine topics such as the Trinity, God's necessary existence, simplicity, omnipotence, omniscience, omnipresence, goodness, eternity and providence, the incarnation, resurrection, atonement, sin and salvation, the problem of evil, church rites, revelation and miracles, prayer, and the afterlife. Written in non-technical, accessible language, they not only offer a synthesis of scholarship on these topics but also suggest questions and topics for further investigation.

Native Spirit Penn State Press

"Oceti Wakan (Sacred Fireplace) is a vision shared by Pete Catches Sr. (Petaga Yuha Mani) and his son Peter V. Catches (Zintkala Oyate), both Spotted Eagle medicine men of the Oglala Lakota. In Pete's words, Oceti Wakan is a response to events that have devastated the Dakota people over the past six generations, and is focused on creating a place "for the healing of the family as a whole by rekindling Lakota spiritual values and culture." Sacred Fireplace is part of Pete Catches' contribution to making his vision a concrete reality. A healer and teacher, Petaga Yuha Mani (He Walks With Hot Coals) was credited with reviving the traditional Sundance ceremony among the Lakota. In 1964 he was named Sundance chief by the Oglala Sioux tribal council, the only such distinction in tribal history. Pete Catches lived on the Pine Ridge Reservation in South Dakota throughout his life, and for decades healed and instructed both Native and non-Natives near his home and off the reservation. This book describes his struggles to embrace the Spotted Eagle medicine way, Lakota legends and ceremonies, and reflections on the history and

culture of his people and on his own life. Long awaited by those who knew Pete Catches and his work, Sacred Fireplace is a major legacy of his exemplary life and the essence of his teachings in his own words"--Back cover.

Sacred Fireplace (Oceti Wakan) One World

"Dimensions of the Sacred is arguably one of the most comprehensive and readable accounts of religion that we have had in the past thirty years. Not only does it provide a rich analysis of religious experience, but he also includes much that has been overlooked by other interpreters of the world's religions."—Richard D. Hecht, coauthor of *The Sacred Texts of the World*

Lakota Penguin

Much of Native American spirituality has been forced into the preconceived molds of Western religions. This book unlocks the rich spiritual heritage of the Oglala Sioux. Black Elk, the legendary Lakota holy man and spiritual leader, chose Dr. Brown to create a literary record to preserve teachings of his people. Illustrations.

Animals of the Soul University of Oklahoma Press

Winter counts? pictorial calendars by which Plains Indians kept track of their past? marked each year with a picture of a memorable event. The Lakota, or Western Sioux, recorded many different events in their winter counts, but all include the year the stars fell, the spectacular Leonid meteor shower of 1833. This volume is an unprecedented assemblage of information on the important collection of Lakota winter counts at the Smithsonian, a core resource for the study of Lakota history and culture. Fourteen winter counts are presented in detail, with a

chapter devoted to the newly discovered Rosebud Winter Count. Together these counts constitute a visual chronicle of over two hundred years of Lakota experience as recorded by Native historians. ø A visually stunning book, *The Year the Stars Fell* features full-color illustrations of the fourteen winter counts plus more than 900 detailed images of individual pictographs. Explanations, provided by their nineteenth-century Lakota recorders, are arranged chronologically to facilitate comparison among counts. The book provides ready access to primary source material, and serves as an essential reference work for scholars as well as an invaluable historical resource for Native communities.

Sacred Rites for Rejuvenation Penguin

On December 28, 1894, the day before the fourth anniversary of the massacre at Wounded Knee, Lakota chief Two Sticks was hanged in Deadwood, South Dakota. The headline in the *Black Hills Daily Times* the next day read “A GOOD INDIAN”—a spiteful turn on the infamous saying “The only good Indian is a dead Indian.” On the gallows, Two Sticks, known among his people as Can Nopa Uhah, declared, “My heart knows I am not guilty and I am happy.” Indeed, years later, convincing evidence emerged supporting his claim. The story of Two Sticks, as recounted in compelling detail in this book, is at once the righting of a historical wrong and a record of the injustices visited upon the Lakota in the wake of Wounded Knee. The Indian unrest of 1890 did not end with the massacre, as the government willfully neglected, mismanaged, and exploited the Oglala in a relentless, if unofficial, policy of racial genocide that continues to haunt the Black Hills today. In *From Wounded Knee to the Gallows*, Philip S.

Hall and Mary Solon Lewis mine government records, newspaper accounts, and unpublished manuscripts to give a clear and candid account of the Oglala’s struggles, as reflected and perhaps epitomized in Two Sticks’s life and the miscarriage of justice that ended with his death. Bracketed by the run-up to, and craven political motivation behind, Wounded Knee and the later revelations establishing Two Sticks’s innocence, this is a history of a people threatened with extinction and of one man felled in a battle for survival hopelessly weighted in the white man’s favor. With eyewitness immediacy, this rigorously researched and deeply informed account at long last makes plain the painful truth behind a dark period in U.S. history.

Kamandalu U of Nebraska Press

Kristi Meisenbach Boylan follows up her highly acclaimed *The Seven Sacred Rites of Menopause* with a beautifully written, insightful book about menarche--the first menstrual cycle--and its effect on a young girl's spiritual journey from maidenhood to motherhood. While more and more parents are explaining in clear, open terms what happens physically to their daughters as they move through puberty, they often leave out the emotional implications. More importantly, they often fail to address the spiritual impact of the transition. Meisenbach Boylan believes that parents need to make room for positive rituals in the lives of their daughters. These rites can act as a spiritual map for our daughters to follow as they make their way through the perilous landscape of adolescence. Young girls need these rites in order to truly understand that menarche is the central event that occurs as they make the pilgrimage from the safe cocoon of their parent's world into a world of their own. And more importantly,

they need these rites in order to understand that it's okay to weep and to feel lost and alone at certain points along the way. The author not only outlines these rites, but includes celebrations for parents and their daughters to share during this amazing time of growth. Although it often seems like an overnight event, the changes that transform a girl from maidenhood to motherhood do not happen instantaneously. The Seven Sacred Rites of Menarche shows parents how to join their daughters on this wondrous journey.

Based on Black Elk's account of the seven rites of the Oglala Sioux as originally recorded and edited by Joseph Epes Brown.

The Seven Sacred Rites of Menarche U of Nebraska Press

This is the compelling true story of the seven-year quest that inspired a monumental work of Native American art -- the carving of an entire buffalo skeleton with the seven sacred rites of the Lakota Sioux. At the heart of this story lie the history and tradition of a proud and deeply spiritual people, the Lakota, and a message of hope for people of all origins. Stunning photographs and original drawings enrich this inspiring book.

Black Elk U of Nebraska Press

Black Elk of the Sioux has been recognized as one of the truly remarkable men of his time in the matter of religious belief and practice. Shortly before his death in August, 1950, when he was

the "keeper of the sacred pipe," he said, "It is my prayer that, through our sacred pipe, and through this book in which I shall explain what our pipe really is, peace may come to those peoples who can understand, and understanding which must be of the heart and not of the head alone. Then they will realize that we Indians know the One true God, and that we pray to Him continually." Black Elk was the only qualified priest of the older Oglala Sioux still living when *The Sacred Pipe* was written. This is his book: he gave it orally to Joseph Epes Brown during the latter's eight month's residence on the Pine Ridge Reservation in South Dakota, where Black Elk lived. Beginning with the story of White Buffalo Cow Woman's first visit to the Sioux to give them the sacred pipe, Black Elk describes and discusses the details and meanings of the seven rites, which were disclosed, one by one, to the Sioux through visions. He takes the reader through the sun dance, the purification rite, the "keeping of the soul," and other rites, showing how the Sioux have come to terms with God and nature and their fellow men through a rare spirit of sacrifice and determination. The wakan Mysteries of the Siouan peoples have been a subject of interest and study by explorers and scholars from the period of earliest contact between whites and Indians in North America, but Black Elk's account is without doubt the most highly developed on this religion and cosmography. *The Sacred Pipe*, published as volume thirty-six in the *Civilization of the American Indian Series*, will be greeted enthusiastically by students of comparative religion, ethnologists, historians, philosophers, and everyone interested in American Indian life. [The Cambridge Companion to Christian Philosophical Theology](#) University of Oklahoma Press

Distributed by the University of Nebraska Press for the University of Idaho Press In this brilliant exploration of the history, mythology, ritual and symbolism of the sacred pipe, author Jordan Paper breaks new ground in assessing the importance of the pipe in Native American religion. *Offering Smoke* provides a dazzling introduction to an aspect of Native American culture heretofore never explored in such depth or with such careful regard for the religious and cultural sensitivities so vital for genuine understanding.

Describes the seven sacred rites of the Oglala Sioux

The Sacred Pipe Oxford University Press

The Seven Sacred Teachings is a message of traditional values and hope for the future. The Teachings are universal to most First Nation peoples. These Teachings are aboriginal communities from coast to coast. They are a link that ties First Nation, Inuit and Métis communities together.

Plenty Wolf Medicine USCCB Publishing

Joseph M. Marshall's thoughtful, illuminating account of how the spiritual beliefs of the Lakota people can help us all lead more meaningful, ethical lives. Rich with storytelling, history, and folklore, *The Lakota Way* expresses the heart of Native American philosophy and reveals the path to a fulfilling and meaningful life. Joseph Marshall is a member of the Sicunga Lakota Sioux and has dedicated his entire life to the wisdom he learned from his elders. Here he focuses on the twelve core qualities that are crucial to the Lakota way of life--bravery, fortitude, generosity, wisdom,

respect, honor, perseverance, love, humility, sacrifice, truth, and compassion. Whether teaching a lesson on respect imparted by the mythical Deer Woman or the humility embodied by the legendary Lakota leader Crazy Horse, *The Lakota Way* offers a fresh outlook on spirituality and ethical living.

Seven Sacred Teachings University of Oklahoma Press

The twentieth anniversary edition of a transformative blueprint for ancestral healing—featuring new material and gateways, from the renowned herbalist, natural health expert, and healer of women's bodies and souls "This book was one of the first that helped me start practices as a young woman that focused on my body and spirit as one."—Jada Pinkett Smith Through extraordinary meditations, affirmations, holistic healing plant-based medicine, KMT temple teachings, and *The Rites of Passage* guidance, Queen Afua teaches us how to love and rejoice in our bodies by spiritualizing the words we speak, the foods we eat, the relationships we attract, the spaces we live and work in, and the transcendent woman spirit we manifest. With love, wisdom, and passion, Queen Afua guides us to accept our mission and our mantle as Sacred Women—to heal ourselves, the generations of women in our families, our communities, and our world.

Sacred Language Image

This exquisitely illustrated volume presents a concise account of history of the Lakota and of the practice and fundamental principles of their spiritual and ceremonial life, from the appearance of the White Buffalo Woman and the observance of the Seven Sacred Rites to the Vision quest, the sweat lodge, and an ultimate communion with Wakan-Tanka, the Great Spirit.
