Grace’s every mistake costs her mother, and the family. She only feels capable on Sundays, when she and Arthur receive special lessons from their teacher. Together they write a secret letter to the Child Labor Board about underage children working in Pownal. A few weeks later a man with a camera shows up. It is the famous reformer Lewis Hine, undercover, collecting evidence for the Child Labor Board. Grace’s brief acquaintance with Hine and the photos he takes of her are a gift that changes her sense of herself, her future, and her family’s future.

As my parents, the twins parents, Lionel, Liam, Lori, and I climbed into the twins’ family’s large white van, I could not help but feel excited. Not only was today my eighteenth birthday, but all of us were going to celebrate it at Walt Disney World’s Magic Kingdom! Even though I am excited about the birthday dinner, cake, and opening presents, I am especially excited about going to my favorite Disney park of all time!

A Study Guide HarperCollins

Married for twenty years to Edward Berry, Lyddie is used to the trials of being a whaler’s wife in the Cape Cod village of Satucket, Massachusetts—running their house herself during her husband’s long absences at sea, living with the daily uncertainty that Edward will simply not return. And when her worst fear is realized, she finds herself doubly cursed. She is overwhelmed by grief, and her property and rights are now legally in the hands of her nearest male relative: her daughter’s overbearing husband, whom Lyddie cannot abide. Lyddie decides to challenge both law and custom for control of her destiny, but she soon discovers the price of her bold “war” for personal freedom to be heartbreakingly dear. Includes the fascinating “story behind the story” of *The Widow’s War*, a map of colonial Brewster, and a driving tour of the village of Satucket.
