Arthur Rackham's 'A Midsummer Night's Dream', is one of his finest, and most sought after works of illustration.

Originally published in 1908, his Shakespearean fairies are some of his best-known work, with his 'gnarled trees and droves of fairies, representing the visual reality of the Dream for thousands of readers... here, he excelled especially in landscape, and in reconciling dream and reality, giving himself to the luxury of rich detail with a rare generosity.' 'A Midsummer Night's Dream' is a comedy play – one of Shakespeare's lighter works, believed to have been written between 1590 and 1597. Both in text, and on stage, it is one of Shakespeare's most popular narratives, and remains widely performed across the world. Arthur Rackham (1867-1939), was one of the most celebrated painters of the British Golden Age of Illustration (which encompassed the years from 1850 until

the start of the First World War), Rackham's artistry is quite simply, unparalleled. Throughout his career, he developed a unique style, combining haunting humour with dream-like romance. Presented alongside the text, his illustrations further refine this classic work. Pook Press celebrates the great 'Golden Age of Illustration' in children's literature – a period of unparalleled excellence in book illustration. We publish rare and vintage Golden Age illustrated books, in high-quality colour editions, so that the masterful artwork and story-telling can continue to delight both young and old.

A *Midsummer Night's Dream* is perhaps the best loved of Shakespeare's plays. It brings together aristocrats, workers, and fairies in a wood outside Athens, and from there the enchantment begins. In the introduction to this edition, Peter Holland pays particular attention to dreams and dreamers, and to Shakespeare's construction of a world of night and shadows. Both here and in his commentary he explores the play's

extensive performance history to illustrate the wide range of interpretations of which it is capable.

Shakespeare's enduring characters are set adrift in present-day Athens, but a present with a massive difference - an alternative history. Rigid class systems and 'god given' monarchies of the past

have not been lost. Modern technologies meet ancient tradition; and the citizens of Athens are frustrated by continuing restrictions and hierarchies. Only the forest, home to the fairies and fey spirits can offer the illicit lovers what they seek.

Psychology Press

After an historical survey of A Midsummer Night's Dream from Shakespeare's time through to the 19th

century, Jay Halio focuses primarily on 20th century productions and adaptations, for film and television as well as for the stage. Chapters are devoted to productions by Max Reinhardt, Peter Hall, Robert Lepage, and especially to Peter Brook's landmark production in 1970 and the reactions to it. Using a wealth of personal experience, as well as original promptbooks and critical reviews, Halio shows how differently but still very

effectively the play may be staged, as the wide variety of plays he records. This second, enlarged edition contains three new chapters on Adrian Noble's RSC production and film, Michael Hoffman's film, and the Dream in China. Written in clear, jargon-free language, this is the only book so far in print that offers an extended study of major 20th-century productions of the Dream in their historical context.
