It covers everything from long-range shooting principles to camouflage, to stalking, and culminates in a live-fire stalking exercise that highlights the difference between theory and practice. If you have any interest at all in long-range shooting or fieldcraft, you cannot go wrong attending Crosswind Precision Marksmanship Academy.  
Crosswind

Precision Marksmanship Academy  
The fat boy udder has become my absolute favorite shooting bag. It's excellent shape and dual fill works on everything I've tried propping it on so far. Sometimes I flip it over and use it as a rear bunny type bag while shooting off a bipod or flip it on its side and use it as a rear like that.
