 The Pimsleur® Method: the easiest, fastest way to learn a new language. Completely portable, easily downloadable, and lots of fun. You'll be speaking and understanding in no time flat! This course includes Lessons 1-10 from the Chinese (Mandarin) Level 1 program - 5 hours of audio-only effective language learning with real-life spoken practice sessions. Get a chance to test drive the incredibly effective and efficient, world-famous Pimsleur Level 1 Program. Each lesson provides 30 minutes of spoken language practice, with an introductory conversation, and new vocabulary and structures. Detailed instructions enable you to understand

and participate in the conversation. Practice for vocabulary introduced in previous lessons is included in each lesson. The emphasis is on pronunciation and comprehension, and on learning to speak Mandarin Chinese. The Mandarin Chinese Language Over one billion people speak Chinese. The two most common dialects are Mandarin and Cantonese. They are not mutually intelligible. Mandarin is the official language in Mainland China, Taiwan, and Singapore. The Mandarin dialect is used in most Chinese schools, and in most TV programs, movies, and radio stations throughout the country, even in Guangzhou (formerly Canton), where people speak Cantonese in their daily lives. Mandarin is one of the six official languages of the United Nations. Tech Talk - CDs are formatted for playing in all CD players, including car players, and users can copy files for use in iTunes or Windows Media Player.

This is a self-study program for learning everyday spoken Mandarin Chinese. *Speak Chinese Today!* is a complete course in modern spoken Chinese (putonghua, sometimes referred to as Mandarin Chinese), suitable for classroom use or self-study. It is the quickest way for travelers and businesspeople to learn Chinese. Twenty-five dialogues covering a wide variety of everyday situations are presented in Characters, in pinyin (the official romanizations system of China), and in English translation. The text is designed especially to allow students to work on improving pronunciation and Chinese language fluency. Vocabulary and grammar notes complement the text, enabling students to study on their own; for beginners, the basic sounds of the language are introduced and pronunciation practice is provided.

Learning to read and write Chinese requires lots of practice. This unique practice guide can be used with any Chinese textbook or on its own to enhance your proficiency in reading and writing Mandarin Chinese. *Intermediate Written Chinese Practice*

Essentials offers a wealth of carefully-designed exercises and activities to help you develop every aspect of your reading and writing ability. This workbook has been designed so it can be used either in a class with an instructor or by independent learners working on their own. Both simplified and traditional characters are taught and practiced in the same volume. This means students can learn either or both kinds of characters without having to purchase another book, and instructors have the flexibility to teach a combined class where some students read and write one type of characters and other students the other type. This workbook provides character practice sheets for the 336 characters introduced in *Intermediate Written Chinese*, with complete information on stroke order and direction for both the simplified and traditional forms of the characters. Reading and writing exercises are included, such as those involving dictation and the answering of questions based on the content of each lesson. English-Chinese translation exercises are provided for each unit. The Downloadable content provides: Native-speaker audio recordings for dictation practice. Printable flash cards for all the new characters and words, with Chinese characters on one side and Pinyin and English on the other. Printable pdf files with additional exercises and activities. Together with this book, you can use *Intermediate Spoken Chinese* if you want to learn fluent spoken Mandarin. About the Series: Respected Chinese language expert Dr. Cornelius Kubler, who has taught diplomats, business people and students, presents a learning system that uses separate but integrated "tracks" to help you efficiently master the basics of spoken and written Chinese. The materials in the Basic Chinese series allow you to move from complete beginner level to basic fluency.
