About
ChristmasNicolae Sfetcu
Finger Paintings, Book 1 Alfred Music
For years, piano teachers remarked that Dennis Alexander's pieces were great for boys and suggested that he write a book of pieces with boys in mind. Drawing on his own teaching experiences, and recalling the kinds of pieces he

would have liked to play at a similar age, he composed these engaging late elementary piano solos that incorporate strong rhythms, athletic leaps of the hands and big sounds. A gratifying collection for students who need a little extra motivation to practice!
