PHELPS TORRES

Snorri and the Making of Norse Myths

Viking Society for Northern Research
 University College
 An Indie Next pick for December 2012,
 Song of the Vikings brings to life Snorri
 Sturluson, wealthy chieftain, wily
 politician, witty storyteller, and the sole

source of Viking lore for all of Western
 literature. Tales of one-eyed Odin, Thor
 and his mighty hammer, the trickster Loki,
 and the beautiful Valkyries have inspired
 countless writers, poets, and dreamers
 through the centuries, including Richard
 Wagner, JRR Tolkien, and Neil Gaiman, and
 author Nancy Marie Brown brings alive the
 medieval Icelandic world where it all
 began. She paints a vivid picture of the
 Icelandic landscape, with its colossal

glaciers and volcanoes, steaming hot
 springs, and moonscapes of ash, ice, and
 rock that inspired Snorri's words, and led
 him to create unforgettable characters
 and tales. Drawing on her deep knowledge
 of Iceland and its history and first-hand
 reading of the original medieval sources,
 Brown gives us a richly textured narrative,
 revealing a spellbinding world that
 continues to fascinate.

[Repairing Harm and Transforming](#)

Communities Routledge

My autobiography is a record of my life and interactions with many interesting people over the course of my work. This involved key industries and organisations like Keppel Corp, Wearnes, Natsteel, SPH, UOB, LTA, JTC, and SSO. Having the good fortune to meet many prominent Singaporeans such as Tan Chin Tuan, Wee Cho Yaw as well as Mr Lee Kuan Yew, Dr Goh Keng Swee, Dr Toh Chin Chye, Mr Lim Kim San and SR Nathan, allowed me not only a good perspective of various industries and businesses but also how some of these eminent statesmen think. They moulded my view of life. I've also gone through a wide range of experiences from changes in governments, impact of technology on our daily lives, changes in entertainment media to various life-threatening crises. I hope this unique compendium would be of interest to younger readers, growing up in a new and different world, but knowing how we got here, and why.

Devi Lal, 1914-2001, former chief minister of Haryana, India.

Machine Tool Design Handbook Tata McGraw-Hill Education

This handbook is a comprehensive collection of useful design data and reference material needed both by practising machine tool engineers and engineering students. This fully indexed volume covers design of machine elements, machine tool design practices, electrical and hydraulic systems of machine tools, machining data together

with standard mathematical and basic engineering reference data. The handbook presents various aspects of machine tool design with suitable illustrations and tables contributed by senior designers in the field of machine tools. It is an authoritative practically oriented handbook consolidating the theoretical and working design practices. The handbook aims to serve students, design engineers and development engineers of machine and equipment with guidelines for making reliable and practical solutions. It will be an indispensable handbook in the field of machine tools and production engineering.
