Rajam Krishnan was a feminist Tamil writer from Tamil Nadu, India.
Rajam

Krishnan was born in Musiri, Tiruchirapalli district. She had very little formal education and appears to have been largely an autodidact. She started publishing in her twenties. She is known for writing well researched social novels on the lives of people usually not depicted in modern Tamil literature - poor farmers, salt pan workers, small-time criminals, jungle dacoits, under-trial prisoners and female labourers. She has written more than 80 books. Her works include forty novels, twenty plays, two biographies and several short stories. In addition to her own writing, she was a translator of literature from Malayalam to Tamil. In their anthology of Women's Writing in India in the 19th and 20th Century, Susie J Tharu and K Lalita credit Krishnan with "having set a new trend in

Tamil literature," referring to the extensive research that Krishnan did in evaluating social conditions as background for her writing. In 1973, she was awarded the Sahitya Akademi Award for Tamil for her novel Verukku Neer.

Translated from the Tamil by Pritham K. Chakravarthy and Rakesh Khanna. With

its mad patchwork of phone sex conversations, nightmarish torture scenes, tender love poems, numerology, mythology, and compulsive name-dropping of Latin American intellectuals, Charu Nivedita's novel ZERO DEGREE stands out as a groundbreaking work of Tamil transgressive fiction that unflinchingly probes the deepest psychic wounds of humanity. "Hide it in the deep recesses of your clothes cupboard or in the general chaos of your office desk, if you must, but read it"--Asha S. Menon, New Sunday Express.

A Song of Sri Sankara Kizhakku Pathippagam
 This book is the first to focus on violent and/or 'abusive' behaviours in lesbian, gay, bisexual and/or transgender, non-binary gender or genderqueer people's intimate relationships. It provides fresh

empirical data from a comprehensive mixed-methods study and novel theoretical insights to destabilise and queer existing narratives about intimate partner violence and abuse (IPVA). Key to the analysis, the book argues, is the extent to which Michael Johnson's landmark typology of IPVA can be used to make sense of the survey data and accounts of 'abusive' behaviours given by LGB and/or T+ participants. As well as calling for IPVA scholars to challenge heteronormativity and cisnormativity and improve IPVA measurement, this book offers guidance and a new tool to assist practitioners from a variety of relationships services with identifying victims/survivors and perpetrators in LGB and/or T+ people's relationships. It will appeal to academics and

practitioners in the field of domestic violence and abuse.

Long Wharf Theatre premiered this hard hitting parable about American materialism by the author of *Modigliani*, *Split Second* and *Established Price*. In their sumptuous home, the Reeds have hosted a party for their neighbors. It is late and everyone has gone when a final guest arrives, a fireman who is not of the Reeds' socioeconomic position.

Nonetheless, the Reeds are gracious until the guest's desperation for material comforts, status and pride surfaces and things get nasty.

This intricately woven narrative is one of the landmark novels of Indian modernism. This ambitious novel, teeming with characters, focuses on the family of Srinivasa Aiyar or SRS, who moves from his ancestral house in Alapuzhai in Kerala, to the more modern Kottayam, before returning to his wife Lakshmi's home in Nagercoil in Tamil

Nadu. Set in the late 1930s and reflecting the political and social turmoil of the pre-war years, it chronicles the psychological conflict between SRS and his nine-year-old son, Balu; the moral struggle of a young widow, Anandam, as she considers remarriage; and the political journey of Sridaran, who chooses to break off his studies in England in order to join nationalist activities at home.

Bhaja Govindam Samuel French, Inc. Sri Sankara, the Hindu sage, is said to have "crossed the ocean of Maya as easily as one steps over a small irrigation channel in the field". He wrote a number of texts and hymns to foster knowledge of the self and to foster the sense of devotion in the hearts of humankind. This offering is one of Sri

Sankara's most famous hymns. Here the great Indian politician and religious scholar. C Rajagopalachari interprets the 'Baja Govindam'. He gives spiritual meaning and practical application to each of 31 verses of this great hymn. This is the original English translation of the Tamil text.
