The Soviet Role in World War II - Antony Beevor  
 Over Here The First World  
 David M. Kennedy.  
 Description. The Great War of 1914-1918 confronted the United States with one of the most wrenching crises in the nation's history. It also left a residue of disruption and disillusion that spawned an even more ruinous conflict scarcely a generation later. Over Here is the single-most comprehensive discussion of the impact of World War I on American society.  
 Over Here - David M. Kennedy - Oxford University Press  
 Over Here is the first full-scale discussion of the impact of World War I on American society. This 25th anniversary edition includes a new afterword from Pulitzer Prize-winning author David M. Kennedy, which explains his reasons for writing the original edition as well as his opinions on the legacy of Wilsonian idealism, most recently reflected in President George W. Bush's National Security Strategy.

 Over here : the First World War and American society ...  
 A broad, vigorous, cohesive interpretation, by a Stanford historian, of the effects of World War I on the US. First and perhaps foremost, the progressives' expectations crumbled: initially opposed to American involvement, they succumbed to ""the endemic progressive disposition to view events positively"" and sought to make the war an instrument for social and economic reform.  
 OVER HERE: The First World War and American Society by ...David Kennedy, Over Here: The First World War and American society (Oxford University Press: Oxford and New York, 2004) This book is the 25 th anniversary edition of Kennedy's 1980 original book, exploring the domestic American experience of World War I. This new edition, with a new afterward written by Kennedy, aims to re-examine the issues raised in Over Here in light of recent developments in American foreign policy.  
 Book Review: Over Here: The First World War and American ...  
 Although the fighting was on the Western Front, World War I was lived Over Here. The American Experience in the Great War is the subject of David Kenney's "Over Here". America entered the War in April 1917 when Russia was in revolution, German solidarity was cracking, French armies were in mutiny, and Britain was in danger of starvation from unrestricted U-boat warfare.  
 Over Here: The First World War and American Society by ...  
 More than a chronicle of the war years, Over Here uses the record of America's experience in the Great War as a prism through which to view early twentieth century American society. The ways in which America mobilized for the war, chose to fight it, and then went about the business of enshrining it in memory all indicate important aspects of enduring American character.
