JENNINGS CONRAD

The Plague Vintage

Youthful writings of Albert Camus including essays, verse, parables, and fairy tales.

The Misunderstanding and Caligula Createspace Independent Publishing Platform

Camus's writing confronts the great philosophical dilemmas of our time with piercing clarity. These three powerful and evocative stories are heavy with the weight of the human condition, and rich with atmosphere. In them, an ageing labourer, a woman travelling in North Africa with her husband, and a schoolteacher tasked with transporting a prisoner each face their own moral crises.

Albert Camus London, Oxford U.P

is a novel by Albert Camus published in 1942. Its theme and outlook are often cited as exemplars of Camus's philosophy of the absurd and existentialism, though Camus personally rejected the latter label.

Camus at Combat Vintage

From the Nobel Prize-winning author comes the story of Jacques Cormery, a boy who lived a life much like his own, with the sights, sounds and textures of a childhood steeped in poverty and a father's death yet redeemed by the beauty of Algeria and the boy's attachment to his mother. "A work of genius." —The New Yorker Published thirty-five years after its discovery amid the wreckage of the car accident that killed Camus, *The First Man* is the brilliant consummation of the life and work of one of the 20th century's greatest novelists. Translated from the French by David Hapgood. "The First Man is perhaps the most honest book Camus ever wrote, and the most sensual...Camus is...writing at the depth of his powers...It is "Fascinating...The First Man helps put all of Camus's work into a clearer perspective and brings into relief what separates him from the more militant literary personalities of his day...Camus's voice has never been more personal." —The New York Times Book Review

The Myth of Sisyphus Lulu.com

"We can finally read the work as Camus meant it to be read. Laura Marris's new translation of *The Plague* is, quite simply, the translation we need to have." —Los Angeles Review of Books The first new translation of *The Plague* to be published in the United States in more than seventy years, bringing the Nobel Prize winner's iconic novel to a new generation of readers. • "A redemptive book, one that wills the reader to believe, even in a time of despair." —The Washington Post The townspeople of Oran are in the grip of a deadly plague, which condemns its victims to

a swift and horrifying death. Fear, isolation, and claustrophobia follow as they are forced into quarantine. Each person responds in their own way to the lethal disease: some resign themselves to fate, some seek blame, and a few, like Dr. Rieux, resist the terror. An immediate triumph when it was published in 1947, *The Plague* is in part an allegory of France's suffering under the Nazi occupation, as well as a timeless story of bravery and determination against the precariousness of human existence. In this fresh yet careful translation, award-winning translator Laura Marris breathes new life into Albert Camus's ever-resonant tale. Restoring the restrained lyricism of the original French text, and liberating it from the archaisms and assumptions of the previous English translation, Marris grants English readers the closest access we have ever had to the meaning and searing beauty of *The Plague*. This updated edition promises to add relevance and urgency to a classic novel of twentieth-century literature.

Collected Plays of Albert Camus Simon and Schuster

The first novel from the Nobel Prize-winning author lays the foundation for *The Stranger*, telling the story of an Algerian clerk who kills a man in cold blood. In *A Happy Death*, written when Albert Camus was in his early twenties and retrieved from his private papers following his death in 1960, revealed himself to an extent that he never would in his later fiction. For if *A Happy Death* is the study of a rule-bound being shattering the fetters of his existence, it is also a remarkably candid portrait of its author as a young man. As the novel follows the protagonist, Patrice Mersault, to his victim's house -- and then, fleeing, in a journey that takes him through stages of exile, hedonism, privation, and death -it gives us a glimpse into the imagination of one of the great writers of the twentieth century. For here is the young Camus himself, in love with the sea and sun, enraptured by women yet disdainful of romantic love, and already formulating the philosophy of action and moral responsibility that would make him central to the thought of our time. Translated from the French by Richard Howard

Lyrical And Critical Essays Vintage

NOBEL PRIZE-WINNING AUTHOR • One of the most widely read novels of all time—from one of the best-known writers of all time—about a lawyer from Paris who brilliantly illuminates the human condition. Elegantly styled, Camus' profoundly disturbing novel of a Parisian lawyer's confessions is a searing study of modern amorality.

Caligula and Cross Purpose (Le Malentendu) University of Chicago Press

The Outsider or *The Stranger* (French: *L'Étranger*) is a novel by Albert Camus published in 1942. Its theme and outlook are often cited as exemplars of Camus's philosophy of the absurd and existentialism, though Camus personally rejected the latter label.

The titular character is Meursault, an indifferent French Algerian ("a citizen of France domiciled in North Africa, a man of the Mediterranean, an homme du midi yet one who hardly partakes of the traditional Mediterranean culture"), who, after attending his mother's funeral, apathetically kills an Arab man whom he recognises in French Algiers. The story is divided into two parts, presenting Meursault's first-person narrative view before and after the murder, respectively. In January 1955, Camus wrote: "I summarized *The Stranger* a long time ago, with a remark I admit was highly paradoxical: 'In our society any man who does not weep at his mother's funeral runs the risk of being sentenced to death.' I only meant that the hero of my book is condemned because he does not play the game."

The Plague by Albert Camus Createspace Independent Publishing Platform

The Fall is the third and last novel of this philosopher, published in 1956. Within his work can identify the existentialist line of his thinking, also reflects the philosophy of the absurd in the sense of approval and disenchantment with the affirmation Of positive and negative qualities in the dignity and fraternity of the human being. Camus considered the absurdity of the human condition as a tragic inability to comprehend and transcend in every situation that involves the subject, the same lineage is exposed in the description of a seemingly irrational world in which the individual seeks his sense of life as he is Protagonist of this novel.

The Adulterous Woman Vintage

For the first time in English, "Camus at Combat" presents all of Camus' World War II resistance and early postwar writings published in "Combat," the resistance newspaper where he served as editor-in-chief and editorial writer between 1944 and 1947.

Youthful Writings Vintage

By one of the most profoundly influential thinkers of our century, *The Rebel* is a classic essay on revolution. For Albert Camus, the urge to revolt is one of the "essential dimensions" of human nature, manifested in man's timeless Promethean struggle against the conditions of his existence, as well as the popular uprisings against established orders throughout history. And yet, with an eye toward the French Revolution and its regicides and deicides, he shows how inevitably the course of revolution leads to tyranny. As old regimes throughout the world collapse, *The Rebel* resonates as an ardent, eloquent, and supremely rational voice of conscience for our tumultuous times. Translated from the French by Anthony Bower.

Albert Camus National Geographic Books

This book marks a major new reassessment of Camus's writing investigating the nature and philosophical origins of Camus's thinking on 'authenticity' and 'the absurd' as these notions are expressed in *The Myth of Sisyphus* and *The Outsider*. It shows that these books are the product not only of a literary figure, but of a genuine philosopher as well. Moreover, McBride provides a complete English-language translation of Camus's *Myth of Sisyphus* and underlines the importance of this study for the understanding of the early Camus.

The Plague Vintage

The title character is Meursault, an indifferent French Algerian described as "a citizen of France domiciled in North Africa, a man of the Mediterranean, an homme du midi yet one who hardly partakes of the traditional Mediterranean culture". He attends his mother's funeral. A few days later, he kills an Arab man in French Algiers, who was involved in a conflict with a friend. Meursault is tried and sentenced to death. The story is divided into two parts,

presenting Meursault's first-person narrative view before and after the murder, respectively.

The Fall Booksurge LLC

Also includes *The Misunderstanding*, *State of Siege*, and *The Just Assassins*. Translated by Stuart Gilbert.

The Stranger London [etc.] : Methuen

"Here now, for the first time in a complete English translation, we have Camus's three little volumes of essays, plus a selection of his critical comments on literature and his own place in it. As might be expected, the main interest of these writings is that they illuminate new facets of his usual subject matter."--*The New York Times Book Review* "A new single work for American readers that stands among the very finest."--*The Nation*

The Stranger Vintage

"We can finally read the work as Camus meant it to be read. Laura Marris's new translation of *The Plague* is, quite simply, the translation we need to have." —*Los Angeles Review of Books* The first new translation of *The Plague* to be published in the United States in more than seventy years, bringing the Nobel Prize winner's iconic novel ("A redemptive book, one that wills the reader to believe, even in a time of despair." —*The Washington Post*) to a new generation of readers. The townspeople of Oran are in the grip of a deadly plague, which condemns its victims to a swift and horrifying death. Fear, isolation, and claustrophobia follow as they are forced into quarantine. Each person responds in their own way to the lethal disease: some resign themselves to fate, some seek blame, and a few, like Dr. Rieux, resist the terror. An immediate triumph when it was published in 1947, *The Plague* is in part an allegory of France's suffering under the Nazi occupation, as well as a timeless story of bravery and

determination against the precariousness of human existence. In this fresh yet careful translation, award-winning translator Laura Marris breathes new life into Albert Camus's ever-resonant tale. Restoring the restrained lyricism of the original French text, and liberating it from the archaisms and assumptions of the previous English translation, Marris grants English readers the closest access we have ever had to the meaning and searing beauty of *The Plague*. Caligula and Other Plays Vintage

New translations of two plays by Nobel laureate Albert Camus that strip away decades of misinterpretation of the playwright's intentions. "The translations ably capture the menace and atmosphere of Camus' writing"—Ruth Little, Literary Manager, Royal Court Theatre, London UK. "Spare, unforgiving and direct, much as Camus would want it I suspect"—Geordie Brookman, Artistic Director, State Theatre Company of South Australia. [Camus](#) London : Methuen

The day his mother dies, Meursault notices that it is very hot on the bus that is taking him from Algiers to the retirement home where his mother lived; so hot that he falls asleep. Later, while waiting for the wake to begin, the harsh electric lights in the room make him extremely uncomfortable, so he gratefully accepts the coffee the caretaker offers him and smokes a cigarette. The same burning sun that so oppresses him during the funeral walk will once again blind the calm, reserved Meursault as he walks along a deserted beach a few days later—leading him to commit an irreparable act. This new illustrated edition of Camus's classic novel *The Stranger* portrays an enigmatic man who commits a senseless crime and then calmly, and apparently indifferently, sits through his trial and hears himself condemned to death.
