How to Hear Your Angels is a step-by-step manual on how to clearly receive messages from your angels and guides. The material was culled from Doreen Virtue's best-selling book *Messages from Your Angels* and from her workshops. Doreen has been assigning this reading material to her Angel Therapy Practitioner students for many years, and at their request has compiled the information in this handy book. Within these pages,

you'll discover your communication "style" so that you can more easily recognize the visions, words, thoughts, and feelings you receive as Divine guidance. The book is filled with charts to help you discern the difference between true Divine guidance and the voice of the ego, and it will help you engage in clear and understandable conversations with Heaven.

- Details how sacred sites resonate at the same frequencies as both the Earth and the alpha waves of the human brain
- Shows how human writing in its original hieroglyphic form was a direct response to the divine sound patterns of sacred sites
- Explains how ancient hero myths from around the world relate to divine

acoustic science and formed the source of religion The Earth resonates at an extremely low frequency. Known as "the Schumann Resonance," this natural rhythm of the Earth precisely corresponds with the human brain's alpha wave frequencies--the frequency at which we enter into and come out of sleep as well as the frequency of deep meditation, inspiration, and problem solving. Sound experiments reveal that sacred sites and structures like stupas, pyramids, and cathedrals also resonate at these special frequencies when activated by chanting and singing. Did our ancestors build their sacred sites according to the rhythms of the Earth? Exploring the acoustic connections between the Earth, the human brain, and sacred spaces, David Elkington shows how humanity maintained a direct line of communication with Mother Earth and the Divine through the construction of sacred sites, such as Stonehenge, Newgrange, Machu Picchu, Chartres Cathedral, and the pyramids of both Egypt and Mexico. He reveals how human writing in its original hieroglyphic form was a direct response to the divine sound patterns of sacred sites, showing how, for example, recognizable hieroglyphs appear in sand patterns when the sacred frequencies of the Great Pyramid are activated. Looking at ancient hero legends--those about the bringers of important knowledge or language--Elkington explains how these myths form the source of ancient religion and have a unique mythological resonance, as do the sites associated with them. The author then reveals how religion, including Christianity, is an ancient language of acoustic science given expression by the world's sacred sites and shows that power places played a profound role in the development of human civilization.

This is the extended and annotated edition including * an extensive annotation of almost 10.000 words about the oracles in religion * an interactive table-of-contents * perfect formatting for electronic reading devices THE Sibyls occupy a conspicuous place in the traditions and history of ancient Greece and Rome. Their fame was spread abroad long before the beginning of the Christian era. Heraclitus of Ephesus, five centuries before Christ, compared himself to the Sibyl "who, speaking with inspired mouth, without a smile, without ornament, and without perfume, penetrates through centuries by the power of the gods." The ancient traditions vary in reporting the number and the names of these weird prophetesses, and much of what has been handed down to us is legendary. But whatever opinion one may hold respecting the various legends, there can be little doubt that a collection of Sibylline Oracles was at one time preserved at Rome. There are, moreover, various oracles, purporting to have been written by ancient Sibyls, found in the writings of Pausanias, Plutarch, Livy, and in other Greek and Latin authors. Whether any of these citations formed a portion of the Sibylline books once kept in Rome we cannot now determine; but the Roman capitol was destroyed by fire in the time of Sulla (B. C. 84), and again in the time of Vespasian (A. D. 69), and whatever books were at those dates kept therein doubtless perished in the flames. It is said by some of the ancients that a subsequent collection of oracles was made, but, if so, there is now no certainty that any fragments of them remain.

The Miracles of Archangel Michael Simon and Schuster

Dr. Doreen Virtue's life changed dramatically when angels

miraculously warned her and then intervened during a carjacking. After her angelic encounter, Doreen began asking the angels for additional guidance. They answered her requests with very clear and loving words. She writes of how the angelic guidance affected her work as a psychotherapist: "I began helping my counselling clients to hear their own angels. Very quickly, I discovered that the healing power of the angels exceeds any form of 'man-made' therapy I had ever witnessed. The angels have wonderful gifts from God to impart to us." In *Angel Therapy*, Doreen delivers The Angelic Realm's messages of comfort and guidance that can help you with troubling emotions such as depression, boredom, confusion, and anger; and issues associated with careers, relationships, parenting, and much more.

The Magic Football Book Harmony

When Doreen Virtue visited Santorini Island in Greece recently, she was contacted by a powerful group of angels calling themselves the "angels of Atlantis." Doreen was then taken on an amazing spiritual adventure, where she uncovered the ancient secrets of the healing temples of the lost civilizations of Atlantis. Doreen found that her previous healing work with the angels, as well as the thousands of case studies of angelic healing that she'd amassed over the years, dovetailed perfectly with the messages from the angels of Atlantis. Part spiritual adventure story and part reference book, *Angel Medicine* is a three-part work that relates the exciting story of Doreen's recovery of memories of Atlantean healing methods along with messages from the Egyptian and Greek prophet and deity Hermes and the angels. The second and third parts of the book reveal the

scientific studies, case studies, methods, and charts supporting the importance of love and light in healing. Whether you want to heal yourself or someone else, you're sure to gain additional faith and understanding from reading *Angel Medicine*.

Aleister Crowley's *The Book of Lies* is an important and complex work of occultism. Deciphering its many layers of hidden meaning requires a little patience and more than a beginner's knowledge of Thelema. For those interested in passing beyond the initiate stage, the reward offered by a deeper understanding of this challenging text is well worth the effort. This new 2018 edition of *The Book of Lies* from Kismet Publishing restores all of Crowley's original text, including the important keys, sigils and diagrams often omitted from reprints.

Kabbalistic initiatory teachings for becoming a vessel for illumination, prophecy, and peace by creating an inner dwelling place for God's divine presence • Reveals practices for self mastery and revelation based on the holy design of the first Hebrew Sanctuary, the lives of the Hebrew Prophets, and the Tree of Life • Shows how the Tree of Life's ten sefirot correspond to the Torah's prophetic Ten Songs of Creation; to alchemical ritual practices of fire, water, air, and earth; and to specific parts of the body, emotions, and aspects of the soul Many synagogues and churches, including the First and Second Temples of the Hebrews, follow an archetypal design first used in the Ohel Moed, or Tent of Meeting, and its sacred Tabernacle, which housed the Ark of the Covenant and the Ten Commandments. Drawing from a wealth of sources including the Hebrew Bible, the oral Mishnaic

tradition of Judaism, and 16th-century Judaic texts, Zohara Hieronimus explains how, like the Ohel Moed, we are designed to receive and reflect the divine qualities of the Creator. Exploring the kabbalistic initiatory teachings within the Chassidic tradition of Judaism and the lives and writings of the Hebrew prophets, she reveals how our physical and spiritual worlds are not separate but interdependent, one affecting the other, often in unexpected and sometimes miraculous ways. Examining the ten-part system of Kabbalah's Tree of Life as reflected in the holy design of the Hebrews' first Sanctuary, Hieronimus shows how the Tree of Life's ten sefirot correspond to the Torah's prophetic Ten Songs of Creation; to alchemical ritual practices of fire, water, air, and earth; and to specific parts of the body, emotions, and aspects of the soul. Starting from Malchut (Kingdom) at the bottom of the Tree of Life and ascending to Keter (Crown) at the top, the author discusses related biblical and scholarly texts and traditional Hebrew practices and teachings that can lead to spiritual enlightenment, illumination, and peace, allowing each of us to become a sanctuary for God's presence through self-refinement, ritual devotion, and prayer, as practiced since biblical times.

The Ancient Hermetic Secrets to Alchemy and Divine Magic Revealed! You have natural magical abilities that can elevate your life to a whole new level, as well as heal and help your loved ones and clients. The original teacher of this Divine magic was an Egyptian sage named Hermes Trismegistus. His teachings, called "Hermetics," were only taught verbally or in very cryptic writings. In 1908, three Hermetic students recorded them in a book called The Kybalion. Yet this work was still difficult to understand because of its archaic and confusing language. Now, in Divine Magic, Doreen Virtue presents a clear, edited version of The Kybalion, written in understandable and modern language while retaining all of the original teachings. She gives comments and practical suggestions based upon her own success in using Hermetic teachings for healing and manifestation. With Divine Magic, you can master your moods, release negativity, manifest new levels of abundance, and attract wonderful opportunities in all areas of your life.

Angel Therapy Llewellyn Worldwide

Dr. Virtue teaches us how to use our sixth sense so we can lay our hearts open to the possibility of healing. Begin a dialogue with the angels and you can achieve, in a practical way, the fulfilling life you want and deserve. In Divine Prescriptions, bestselling author Dr. Doreen Virtue illuminates the ways all of us can receive healing messages from God and the guardian angels when we need guidance. The angels will speak to us about

health, family, relationships, finances, and careers, and Divine Prescriptions proves that fact citing case studies, angel readings, and transcripts from Dr. Virtue's angel therapy sessions. When the problems we face are too complex to be solved by counselors, friends, or even Dear Abby, Dr. Virtue shows us another way—a divine way—to discover answers. Divine Prescriptions also explains how and why God and our guardian angels use us as messengers to give advice and consolation to others. She explains how to distinguish between normal conversations and key messages from the angels (who are constantly around us) and provides step-by-step instructions for performing angel readings. Dr. Virtue's universe is benign, the angels around us mean us well, and once we are able to receive their vitally important communications our goals and those of the people we love will become attainable.

Follow the Footsteps of History and Discover the Path to the Gods
For the Love of the Gods tells the epic story of theurgy, from its roots in ancient Egypt to its modern day practice. The lives and passions of the early Pagan philosophers come alive in these pages, immersing you in the bustling cities and diverse cultures that spawned theurgy as we know it today. Theurgy is best understood when it is deeply experienced. The stories presented here re-create the experience of these ancient practices and show how they were passed down through generations of teachers and students of differing ethnicities, genders, and ages. It's commonly believed that ancient Pagan theurgy traditions were erased from the earth and replaced by monotheistic religions—but this is a myth. The way to the gods was never lost.

For the Love of the Gods shares step-by-step instructions for theurgic rituals, so that you can create relationships with the gods and love them as the ancients did. Discover how to offer devotionals, create living statues, invoke into yourself and others, and achieve personal communion so that you, too, may dwell in the happy presence of the divine.

SOLOMON'S ANGELS King Solomon knew how to harness

universal energies to build his temple, tap into wisdom, and enjoy all of life's riches. The only thing he was missing was true love. Makeda, the Queen of Sheba, was young and filled with exuberant curiosity about the world. On her journey to meet King Solomon, Makeda learned about the Jinn elemental realm and how to work with the sun and moon's magical light, but she still wasn't sure how to take charge of her own life. In Solomon's Angels, Doreen Virtue's first novel - which is culturally accurate, based on thoroughly researched historical, biblical, and archaeological information - you'll see how Solomon and Makeda's meeting changed both of their lives forever. You'll peek over the Queen of Sheba's shoulder and discover the ancient secrets behind how Solomon's temple was built without hammers and saws, and the role that the archangels and sacred geometry played in manifestation and Divine magic. Solomon and Makeda's magically romantic story will inspire you in many ways ... long after you've finished reading it!

The Sibylline Oracles (Annotated Edition) Harper Collins

Israel Regardie wrote *The Tree of Life*, a book many consider his magnum opus, in 1932. It has continued to sell for decades. And no wonder. Up until the time this book was published, very little information about true high magic was available to the public. In this book, Regardie reveals the secrets of real magic. He begins with an explanation of what magic is and, just as importantly, what magic is not. He explains that it is a spiritual study and practice which, along with forms of yoga, forms the two branches of the tree that is mysticism. Magic is not being a medium or a psychic. Then he explains the tools of the magician, what they mean, and how to use them. He explains the techniques of evocation and invocation, skrying, and astral travel. He shows how the Qabalah unites everything. He even gives a description of the secrets of sexual magick. All of this is in a clear, lucid writing style. This book is simply a must for anyone who is, or aspires to be, a real magician. Although Chic and Sandra Tabatha Cicero were friends of Regardie and are Senior Adepts of the Hermetic Order of the Golden Dawn, what changes could they have made to this classic book? Well, they did change the spelling from British style to American. And they did change his transliterations of Hebrew into the more popular style he used in his later books. But nothing vital was changed or removed. Everything else they added was complementary to the text that was there. And what incredible additions they are! Extensive annotations throughout every chapter; over 100 illustrations; more descriptive contents pages; a glossary, a bibliography and an index. They've even added a biographical note on Regardie

and the importance of this book to him and to the occult world.
This book contains some of the finest occult writing that has ever

been produced. And with the new material by the Ciceros, it
becomes a must-have for any magician!
