A new edition that brings the ways we watch and think about television up to the present We all have opinions about the television shows we watch, but television criticism is about much more than simply evaluating the merits of a particular show and deeming it “good” or “bad.” Rather, criticism uses the close examination of a television program to explore that program’s cultural significance, creative strategies, and its place in a broader social context. How to Watch Television, Second Edition brings together forty original essays—more than half of which are new to this edition—from today’s leading scholars on television culture, who write about the programs they care (and think) the most about. Each essay focuses on a single television show, demonstrating one way to read the program and, through it, our media culture. From fashioning blackness in Empire to representation in Orange Is the New Black and from the role of the reboot in Gilmore Girls to the function of changing political atmospheres in Roseanne, these essays model how to practice media criticism in accessible language, providing critical insights through analysis—suggesting a way of looking at TV that students and interested viewers might emulate. The contributors discuss a wide range of television programs past and present, covering many formats and genres, spanning fiction and non-fiction, broadcast, streaming, and cable. Addressing shows from TV’s earliest days to contemporary online transformations of the medium, How to Watch Television, Second Edition is designed to engender classroom discussion among television critics of all backgrounds.

The Mother of Black Hollywood Simon and Schuster

A memoir and manifesto from the comedian, hit podcast host, and star of United Shades of America You may know W. Kamau Bell from his critically acclaimed hit show on CNN United Shades of America. Or maybe you’ve read about him in the New York Times, which called him “the most promising new talent in political comedy in many years.” Or maybe in the New Yorker, fawning over his brand of humor, writing, “Bell’s gimmick is intersectional progressivism: he treats racial, gay, and women’s issues as inseparable.” The Awkward Thoughts of W. Kamau Bell is a humorous, well-informed take on the world today, tackling a wide range of current and evergreen issues such as the 2016 election, race relations, fatherhood, the state of law enforcement today, comedians and superheroes, right-wing politics, failure, his interracial marriage, his upbringing by divorced and very strong-willed, race-conscious parents, his early days struggling to find his comedic voice, why he never felt at home in Black comedy circles, what it means to be a Black nerd, the balance between racism and feminism, and much, much more.

The Onion’s Baratunde Thurston shares his 30-plus years of expertise in being black, with helpful essays like “How to Be the Black Friend,” “How to Speak for All Black People,” “How To Celebrate Black History Month,” and more, in this satirical guide to race issues—written for black people and those who love them. Audacious, cunning, and razor-sharp, *How to Be Black* exposes the mass-media’s insidiously racist, monochromatic portrayal of black culture’s richness and variety. Fans of *Stuff White People Like*, *This Week in Blackness*, and *Ending Racism in About an Hour* will be captivated, uplifted, incensed, and inspired by this hilarious and powerful attack on America’s blacklisting of black culture: Baratunde Thurston’s *How to Be Black*. **One Thousand Streams of Blackness** Simon and Schuster

Named a Best Book of 2017 by NPR The New York Times Book Review Editors' Choice The Washington Post’s Books to Read in 2017 USA Today, “New and Noteworthy” Read it Forward, Favorite Reads of January 2017 A Parade Magazine Pick "This book is distinctly Coretta's story . . . particularly absorbing. . . generous, in a manner that is unfashionable in our culture."—New York Times Book Review “Eloquent . . . inspirational”—USA Today The life story of Coretta Scott King—wife of Martin Luther King Jr., founder of the Martin Luther King Jr. Center for Nonviolent Social Change (The King Center), and singular twentieth-century American civil and human rights activist—as told fully for the first time, toward the end of her life, to Rev. Dr. Barbara Reynolds. Born in 1927 to daringly enterprising parents in the Deep South, Coretta Scott had always felt called to a special purpose. While enrolled as one of the first black scholarship students recruited to Antioch College, she became politically and socially active and committed to the peace movement. As a graduate student at the New England Conservatory of Music, determined to pursue her own career as a concert singer, she met Martin Luther King Jr., a Baptist minister insistent that his wife stay home with the children. But in love and devoted to shared Christian beliefs as well as shared racial and economic justice goals, she married Dr. King, and events promptly thrust her into a maelstrom of history throughout which she was a strategic partner, a standard bearer, and so much more. As a widow and single mother of four, she worked tirelessly to found and develop The King Center as a citadel for world peace, lobbied for fifteen years for the US national holiday in honor of her husband, championed for women's, workers’ and gay rights and was a powerful international voice for nonviolence, freedom and human dignity. Coretta’s is a love story, a family saga, and the memoir of an extraordinary black woman in twentieth-century America, a brave leader who, in the face of terrorism and violent hatred, stood committed, proud, forgiving, nonviolent, and hopeful every day of her life.

Yvonne Orji has never shied away from being unapologetically herself, and that includes being outspoken about her faith. Known for interpreting Biblical stories and metaphors to fit current times, her humorous and accessible approach to faith leaves even non-believers inspired and wanting more. The way Yvonne sees it, God is a Sovereign Prankster, punking folks long before Ashton Kutcher made it cool. And she wants us to join in on getting bamboozled. This is not a Self-Help book—it’s a Get Yours book! In *Bamboozled* by Jesus, a frank and fresh advice book, Orji takes readers on a journey through twenty-five life lessons, gleaned from her own experiences and her favorite source of inspiration: the Bible. But this ain’t your mama’s Bible study. Yvonne infuses wit and heart in sharing pointers like why the way up is sometimes down, and how fear is synonymous to food poisoning. Her joyful, confident approach to God will inspire everyone to catapult themselves out of the mundane and into the magnificent. With bold authenticity and practical relatability, Orji is exactly the kind of cultural leader we need in these chaotic times. And her journey through being Bamboozled by Jesus paints a powerful picture of what it means to say “yes” to a life you never could’ve imagined—if it wasn’t your own.

The Diary Boys Nvision Solutions

Western culture has long regarded black female sexuality with a strange mix of fascination and condemnation, associating it with everything from desirability, hypersexuality, and liberation to vulgarity, recklessness, and disease. Yet even as their bodies and sexualities have been the subject of countless public discourses, black women’s voices have been largely marginalized in these discussions. In this groundbreaking collection, feminist scholars from across the academy come together to correct this omission—illuminating black female sexual desires marked by agency and empowerment, as well as pleasure and pain, to reveal the ways black women regulate their sexual lives. The twelve original essays in *Black Female Sexualities* reveal the diverse ways black women perceive, experience, and represent sexuality. The contributors highlight the range of tactics that black women use to express their sexual desires and identities. Yet they do not shy away from exploring the complex ways in which black women negotiate the more traumatic aspects of sexuality and grapple with the legacy of negative stereotypes. *Black Female Sexualities* takes not only an interdisciplinary approach—drawing from critical race theory, sociology, and performance studies—but also an intergenerational one, in conversation with the foremothers of black feminist studies. In addition, it explores a diverse archive of representations, covering everything from blues to hip-hop, from *Crash* to *Precious*, from *Sister Souljah* to Edwidge Danticat. Revealing that black female sexuality is anything but a black-and-white issue, this collection demonstrates how to appreciate a whole spectrum of subjectivities, experiences, and desires.

Black Female Sexualities Harlequin

A new collection of short fiction from the Edgar Award-winning author of *Devil in a Blue Dress* and *Trouble is What I Do*. With his extraordinary fiction and gripping television writing, Walter Mosley has proven himself a master of narrative tension. The *Awkward Black Man* collects seventeen of Mosley’s most accomplished short stories to showcase the full range of his remarkable talent. Touching, contemplative, and always surprising, these stories introduce an array of imperfect characters—awkward, self-defeating, elf-involved, or just plain odd. In *The Awkward Black Man*, Mosley overturns the stereotypes that corral black male characters and paints subtle, powerful portraits of unique individuals. In "The Good News Is," a man's insecurity about his weight gives way to illness and a loneliness so intense that he'd do anything for a little human comfort. "Pet Fly," previously published in the *New Yorker*, follows a man working as a mailroom clerk—a solitary job for which he is overqualified—and the unforeseen repercussions he endures when he attempts to forge a new connection. And "Almost Alyce" chronicles failed loves, family loss, alcoholism, and a Zen approach to the art of begging that proves surprisingly effective.

Named one of the most anticipated books of the year by *Vogue*, *O*, *The Oprah Magazine*, *Parade*, *Library Journal*, *Harper’s Bazaar* and more “Profound and affecting.”—Chloe Benjamin “*Broken People* leads us through the winds of time and memory to offer a riveting portrait of transformation. I am better for having read it.”—Jamie Lee Curtis A groundbreaking, incandescent debut novel about coming to grips with the past and ourselves, for fans of Sally Rooney, Hanya Yanagihara and Garth Greenwell “He fixes everything that’s wrong with you in three days.” This is what hooks Sam when he first overhears it at a fancy dinner party in the Hollywood hills: the story of a globe-trotting shaman who claims to perform “open-soul surgery” on emotionally damaged people. For neurotic, depressed Sam, new to Los Angeles after his life in New York imploded, the possibility of total transformation is utterly tantalizing. He’s desperate for something to believe in, and the shaman—who promises ancient rituals, plant medicine and encounters with the divine—seems convincing, enough for Sam to sign up for a weekend under his care. But are the great spirits the shaman says he’s summoning real at all? Or are the ghosts in Sam’s memory more powerful than any magic? At turns tender and acid, funny and wise, *Broken People* is a journey into the nature of truth and fiction—a story of discovering hope amid cynicism, intimacy within chaos and peace in our own skin.

The Misadventures of Awkward Black Girl HarperCollins

Soft Skull Press proudly offers this tenth-anniversary edition of visionary essays exploring the glory and power of Black Cool, curated by thought leader and bestselling author Rebecca Walker, with a foreword by Henry Louis Gates, Jr. Originally published in 2012, this collection of illuminating essays exploring the ineffable and protean aesthetics of Black Cool has been widely cited for its contribution to much of the contemporary discussion of the influence of Black Cool on culture, politics, and power around the world. Curated by Rebecca Walker, and drawing on her lifelong study of the African roots of Black Cool and its expression within the African diaspora, this collection identifies ancestral elements often excluded from colloquial understandings of Black Cool: cultivated reserve, coded resistance, intentional audacity, transcendent intellectual and spiritual rigor, intentionally disruptive eccentricity, and more. With essays by some of America’s most innovative Black thinkers, including visual artist Hank Willis Thomas, writer and filmmaker dream hampton, MacArthur-winning photographer Dawoud Bey, fashion legend Michaela Angela Davis, and critical theorist and cultural icon bell hooks, *Black Cool* offers an excavation of the African roots of Cool and its hitherto undefined legacy in American culture and beyond. This edition includes a new introduction from Rebecca Walker, a powerful meditation on the genesis, creation, completion, and subsequent impact of this landmark volume over the last decade.

On Womanhood and Belonging in the Age of Black Girl Magic University of Illinois Press

By subverting comedy's rules and expectations, African American satire promotes social justice by connecting laughter with ethical beliefs in a revolutionary way. Danielle Fuentes Morgan ventures from Suzan-Lori Parks to Leslie Jones and Dave Chappelle to *Get Out* and Atlanta to examine the satirical treatment of race and racialization across today's African American culture. Morgan analyzes how African American artists highlight the ways that society racializes people and bolsters the powerful myth that we live in a "post-racial" nation. The latter in particular inspires artists to take aim at the idea racism no longer exists or the laughable notion of Americans "not seeing" racism or race. Their critique changes our understanding of the boundaries between staged performance and lived experience and create ways to better articulate Black selfhood. Adventurous and perceptive, *Laughing to Keep from Dying* reveals how African American satirists unmask the illusions and anxieties surrounding race in the twenty-first century. *Reflections on Life Between Cultures* Simon and Schuster

Coretta Abrams

National Book Club Conference 'Book of the Year' Award Winner From her more than three hundred appearances for film and television, stage and cabaret, performing comedy or drama, as an unforgettable lead or a scene stealing supporting character, Jenifer Lewis has established herself as one of the most respected, admired, talented, and versatile entertainers working today. This "Mega Diva" and costar of the hit sitcom *black-ish* bares her soul in this touching and poignant—and at times side-splittingly hilarious—memoir of a Midwestern girl with a dream, whose journey took her from poverty to the big screen, and along the way earned her many accolades. With candor and warmth, Jenifer Lewis reveals the heart of a woman who lives life to the fullest. This multitalented "force of nature" landed her first Broadway role within eleven days of her graduation from college and later

earned the title "Reigning Queen of High-Camp Cabaret." In the audaciously honest voice that her fans adore, Jenifer describes her transition to Hollywood, with guest roles on hits like *The Fresh Prince of Bel-Air* and *Friends*. Her movie *Jackie's Back!* became a cult favorite, and as the "Mama" to characters portrayed by Whitney Houston, Tupac Shakur, Taraji P. Henson, and many more, Jenifer cemented her status as the "Mother of Black Hollywood." When an undiagnosed mental illness stymies Jenifer's career, culminating in a breakdown while filming *The Temptations*, her quest for wholeness becomes a harrowing and inspiring tale, including revelations of bipolar disorder and sex addiction. Written with no-holds-barred honesty and illustrated with more than forty color photographs, this gripping memoir is filled with insights gained through a unique life that offers a universal message: "Love yourself so that love will not be a stranger when it comes."

Finding Our Stories, Discovering Ourselves Simon and Schuster

From comedian Quinta Brunson comes a deeply personal and funny collection of essays featuring anecdotes about trying to make it when you're broke, overcoming self-doubt and depression, and how she's used humor to navigate her career in unusual directions. Quinta Brunson is a master of viral Internet content: without any traditional background in media, her humorous videos were the first to break through on Instagram's platform, receiving millions of views. From there, Brunson's wryly observant POV attracted the attention of BuzzFeed's motion picture development department, leading her to produce viral videos there about topics like interracial dating, millennial malaise, and seeing your ex in public. Now, Brunson is bringing her comedic chops to the page in *She Memes Well*, an earnest, laugh-out-loud collection about her weird road to Internet notoriety. In her debut essay collection, Quinta applies her trademark humor and heart to discuss what it was like to go from student loan debt-broke to "halfway recognizable--don't I know you somewhere?" level-of-fame. With anecdotes that range from the funny and zany--like her experience trying to find her signature hairstyle--to more grounded material about living with depression, Brunson's voice is entirely authentic and eminently readable. Perfect for fans of Phoebe Robinson's *You Can't Touch My Hair*, Samantha Irby's *We Are Never Meeting in Real Life*, and Issa Rae's *The Misadventures of Awkward Black Girl*, *She Memes Well* will charm and entertain a growing, engaged audience.

Mindy Kaling has lived many lives: the obedient child of immigrant professionals, a timid chubster afraid of her own bike, a Ben Affleck-impersonating Off-Broadway performer and playwright, and, finally, a comedy writer and actress prone to starting fights with her friends and coworkers with the sentence "Can I just say one last thing about this, and then I swear I'll shut up about it?" Perhaps you want to know what Mindy thinks makes a great best friend (someone who will fill your prescription in the middle of the night), or what makes a great guy (one who is aware of all elderly people in any room at any time and acts accordingly), or what is the perfect amount of fame (so famous you can never get convicted of murder in a court of law), or how to maintain a trim figure (you will not find that information in these pages). If so, you've come to the right book, mostly! In *Is Everyone Hanging Out Without Me?*, Mindy invites readers on a tour of her life and her unscientific observations on romance, friendship, and Hollywood, with several conveniently placed stopping points for you to run errands and make phone calls. Mindy Kaling really is just a *Girl Next Door*—not so much literally anywhere in the continental United States, but definitely if you live in India or Sri Lanka. This enhanced eBook includes an audio introduction from the author; audio commentary from Mindy's friends, including *The Office* costar B. J. Novak and *Parks and Recreation* creator Michael Schur; bonus photos, including an exclusive "Avalanche of Awkwardness" slideshow of never-before-seen childhood photos with audio commentary; and three full chapters read by the author.
