[THINK | definition in the Cambridge English Dictionary](#) Think Think English English
 Thethink meaning: 1. to believe something or have an opinion or idea: 2. to have a low opinion of someone or.... Learn more.
 THINK | definition in the Cambridge English Dictionary
 Depending on your level, right now you might first think of what you want to say in your native language, and then translate it into English. By thinking in English first, you won't have to translate—which will help you become more fluent in English. When you think in English (without translating), this also helps you internalize the language.

 This also means you need to start thinking in English. If you want to say the word "apple" in English, for example, right now you probably think of the word in your native language first, and then try to think of the correct word in English. Instead, try imagining a picture of an apple, and then just think the English word "apple."
