An evangelical pastor shares what it was
like to spend one year living like Jesus and
obeying his teachings.
Authorized King James Version Walter de
Gruyter GmbH & Co KG

The Bible is filled with stories of God using ordinary people in extraordinary ways to change the world. Noah, Abraham, Sarah, Isaac, Jacob, Joseph, Moses, Rahab, and others were just regular, imperfect people who chose to obey God's call--and what a difference that made! God is still in the business of transforming his followers into world changers, and that includes you. He may be calling you to something big, like moving to Africa to start a ministry. Or he may be asking you to start small, like

simply leaving your comfort zone and stretching your faith to try something you haven't before. In either case, it's his power working through you that will impact you and everyone around you. Join Greg Laurie as he shows you how God has called and equipped you. Get ready to change the world.

*Recovering Biblical Manhood and
Womanhood (Revised Edition)* Wm. B.
Eerdmans Publishing
Justin Lee, a gay man and devout

Christian, bridges the gaps between his faith and sexuality in this insightful and touching memoir. As a teenager and young man, Justin Lee felt deeply torn. Nicknamed "God Boy" by his peers, he knew that he was called to a life in the evangelical Christian ministry. But Lee harbored a secret: He also knew that he was gay. In this groundbreaking book, Lee recalls the events--his coming out to his parents, his experiences with the "ex-gay" movement, and his in-depth study of the Bible--that led him, eventually, to self-acceptance. But more than just a memoir, TORN provides insightful, practical guidance for all committed Christians who wonder how to relate to gay friends or family members--or who struggle with their own sexuality. Convinced that "in a culture that sees gays and Christians as enemies, gay Christians are in a unique position to bring peace," Lee demonstrates that people of faith on both sides of the debate can respect, learn from, and love one another.

The Unlikely Disciple Penguin UK

What is transgender and gender fluidity? What does God's Word actually say about these issues? How can the gospel be good

news for someone experiencing gender dysphoria? How do churches respond? These are questions Christians need to think through and this warm, faithful, careful book will help them do just that. *For Sinners Only* Simon and Schuster 'Jesus and the Eyewitness' argues that the four Gospels are closely based on the eyewitness testimony of those who knew Jesus. The author challenges the assumption that the accounts of Jesus circulated as 'anonymous community traditions', asserting instead that they were transmitted in the name of the original eyewitnesses. To drive home this controversial point, Bauckham draws on internal literary evidence, the use of personal names in first-century Jewish Palestine, and recent developments in the understanding of oral tradition. Jesus and the Eyewitnesses also taps into the rich resources of modern study of memory, especially in cognitive psychology, refuting the conclusions of the form critics and calling New Testament scholarship to make a clean break with this long-dominant tradition. Finally, Bauckham challenges readers to end the classic division between the 'historical Jesus' and

the 'Christ of faith', proposing instead the 'Jesus of testimony' as presented by the Gospels. Sure to ignite heated debate on the precise character of the testimony about Jesus, Jesus and the Eyewitnesses is a groundbreaking work that will be valued by scholars, students, and all who seek to understand the origins of the Gospels. *The Jesus I Never Knew* Jericho Books Throughout history, some books have changed the world. They have transformed the way we see ourselves - and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives - and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization, and helped make us who we are. One of the greatest explorations of sin, epiphany and redemption ever written, the Confessions of Saint Augustine continue to shape our ideas with their passionate declaration of the life-changing power of faith.

A Sinner's Semester at America's Holiest University Baker Books
I've told my kids for years that God

doesn't make mistakes," writes Mary Beth Chapman, wife of Grammy award winning recording artist Steven Curtis Chapman. "Would I believe it now, when my whole world as I knew it came to an end?" Covering her courtship and marriage to Steven Curtis Chapman, struggles for emotional balance, and living with grief, Mary Beth's story is our story--wondering where God is when the worst happens. In *Choosing to SEE*, she shows how she wrestles with God even as she has allowed him to write her story--both during times of happiness and those of tragedy. Readers will hear firsthand about the loss of her daughter, the struggle to heal, and the unexpected path God has placed her on. Even as difficult as life can be, Mary Beth Chapman *Chooses to SEE*. Includes a 16-page full color photo insert.

My Journey of Discovering what Jesus Would Really Do Crossway

First published in 1976, Paul Johnson's exceptional study of Christianity has been loved and widely hailed for its intensive

research, writing, and magnitude—"a tour de force, one of the most ambitious surveys of the history of Christianity ever attempted and perhaps the most radical" (New York Review of Books). In a highly readable companion to books on faith and history, the scholar and author Johnson has illuminated the Christian world and its fascinating history in a way that no other has. Johnson takes off in the year AD 49 with his namesake the apostle Paul. Thus beginning an ambitious quest to paint the centuries since the founding of a little-known 'Jesus Sect', *A History of Christianity* explores to a great degree the evolution of the Western world. With an unbiased and overall optimistic tone, Johnson traces the fantastic scope of the consequent sects of Christianity and the people who followed them. Information drawn from extensive and varied sources from around the world makes this history as credible as it is reliable. Invaluable understanding of the framework of modern Christianity—and its trials and tribulations throughout history—has never before been contained in such a captivating work.

An English Professor's Journey Into

Christian Faith Grand Central Publishing
From a popular pastor and radio host—Three Free Sins teaches that the only people who make any progress toward being better are those who know that God will still love them, regardless of how good they are. This book is about the misguided obsession with the management of sin that cripples too many Christians. It's about the view that religion is all about sin...about how to hide side sin or how to stop sinning all together. In the Introduction, the author toys good-naturedly with an agitated caller on his radio program, teasing him in a segment where he offers three free sins. The offer is real. Not that Steve has the power to forgive sins, but he wants to make the point that Jesus has made the offer to cover all of our sins - not just three. Chapter one, titled "Teaching Frogs to Fly," is even better. The gist of this chapter is that you can't teach frogs to fly, just like you can't teach people not to sin. Steve tells a story about a guy who has a frog, and he's convinced he can teach the frog how to fly. The man keeps throwing the frog up in the air or up against walls - all to the poor frog's demise. The message

is that even though people can be better, they can never not sin—just like a frog can never learn to fly, no matter how much pressure is put on it. Steve continues through the book to show readers that while they can never manage sin, they can relax in knowing that they are completely forgiven—not just of three, but of all.

The Gospels as Eyewitness Testimony
Simon and Schuster

A whimsical travel narrative by the author of *The Naked Olympics* builds on a premise that sex has always been the unspoken inspiration for travel, retracing the route of the "Grand Tour" through Europe traditionally enjoyed by the upper class to reveal its more salacious attractions. Original.

Is Christianity Good for the World?

Broadway Books

In the polygamous Fundamentalist Church of Jesus Christ of Latter-day Saints (FLDS), girls can become valuable property as plural wives, but boys are expendable, even a liability. In this powerful and heartbreaking account, former FLDS member Brent Jeffs reveals both the terror and the love he experienced growing up on his prophet's compound—and the harsh

exile existence that so many boys face once they have been expelled by the sect. Brent Jeffs is the nephew of Warren Jeffs, the imprisoned leader of the FLDS. The son of a prominent family in the church, Brent could have grown up to have multiple wives of his own and significant power in the 10,000-strong community. But he knew that behind the group's pious public image—women in chaste dresses carrying babies on their hips—lay a much darker reality. So he walked away, and was the first to file a sexual-abuse lawsuit against his uncle. Now Brent shares his courageous story and that of many other young men who have become "lost boys" when they leave the FLDS, either by choice or by expulsion. Brent experienced firsthand the absolute power that church leaders wield—the kind of power that corrupts and perverts those who will do anything to maintain it. Once young men no longer belong to the church, they are cast out into a world for which they are utterly unprepared. More often than not, they succumb to the temptations of alcohol and other drugs. Tragically, Brent lost two of his brothers in this struggle, one to suicide, the other to overdose. In

this book he shows that lost boys can triumph and that abuse and trauma can be overcome, and he hopes that readers will be inspired to help former FLDS members find their way in the world.

Mortal Sins: Sex, Crime, and the Era of Catholic Scandal Harry Lytle
Chronicles

The hilarious and heartwarming, respectful and thought-provoking memoir of a college student's semester at Liberty University, the "Bible Boot Camp" for young evangelicals, that will inspire believers and nonbelievers alike. No drinking. No smoking. No cursing. No dancing. No R-rated movies. Kevin Roose wasn't used to rules like these. As a sophomore at Brown University, he spent his days fitting right in with Brown's free-spirited, ultra-liberal student body. But when Roose leaves his Ivy League confines to spend a semester at Liberty University, a conservative Baptist school in Lynchburg, Virginia, obedience is no longer optional. Liberty is the late Reverend Jerry Falwell's "Bible Boot Camp" for young evangelicals, his training ground for the next generation of America's Religious Right. Liberty's ten thousand

undergraduates take courses like Evangelism 101 and follow a forty-six-page code of conduct that regulates every aspect of their social lives. Hoping to connect with his evangelical peers, Roose decides to enroll at Liberty as a new transfer student, chronicling his adventures in this daring report from the front lines of America's culture war. His journey takes him from an evangelical hip-hop concert to a spring break mission trip to Daytona Beach (where he learns to preach the gospel to partying coeds). He meets pastors' kids, closet doubters, Christian rebels, and conducts what would be the last print interview of Rev. Falwell's life.

Apostles of Reason Metropolitan Books
No drinking. No smoking. No cursing. No dancing. No R-rated movies. Kevin Roose wasn't used to rules like these. As a sophomore at Brown University, he spent his days drinking fair-trade coffee, singing in an a cappella group, and fitting right in with Brown's free-spirited, ultra-liberal student body. But when Roose leaves his Ivy League confines to spend a semester at Liberty University, a conservative Baptist school in Lynchburg, Virginia,

obedience is no longer optional. Liberty is the late Reverend Jerry Falwell's "Bible Boot Camp" for young evangelicals, his training ground for the next generation of America's Religious Right. Liberty's ten thousand undergraduates take courses like Evangelism 101, hear from guest speakers like Sean Hannity and Karl Rove, and follow a forty-six-page code of conduct that regulates every aspect of their social lives. Hoping to connect with his evangelical peers, Roose decides to enroll at Liberty as a new transfer student, leaping across the God Divide and chronicling his adventures in this daring report from the front lines of America's culture war. His journey takes him from an evangelical hip-hop concert to choir practice at Falwell's legendary Thomas Road Baptist Church. He experiments with prayer, participates in a spring break mission trip to Daytona Beach (where he learns to preach the gospel to partying coeds), and pays a visit to Every Man's Battle, an on-campus support group for chronic masturbators. He meets pastors' kids, closet doubters, Christian rebels, and conducts what would be the last print interview of Rev. Falwell's life. Hilarious

and heartwarming, respectful and thought-provoking, THE UNLIKELY DISCIPLE will inspire and entertain believers and nonbelievers alike.

Zondervan

"Rosaria, by the standards of many, was living a very good life. She had a tenured position at a large university in a field for which she cared deeply. She owned two homes with her partner, in which they provided hospitality to students and activists that were looking to make a difference in the world. In the community, Rosaria was involved in volunteer work. At the university, she was a respected advisor of students and her department's curriculum. And then, in her late 30s, Rosaria encountered something that turned her world upside down -- the idea that Christianity, a religion that she had regarded as problematic and sometimes downright damaging, might be right about who God was. That idea seemed to fly in the face of the people and causes that she most loved. What follows is a story of what she describes as a train wreck at the hand of the supernatural. These are her secret thoughts about those events, written as

only a reflective English professor could."--
Back cover.

Book of Mormon Student Manual U of
Nebraska Press

Sinners and Shrouds, first published in 1955 as an Inner Sanctum Mystery, is a fast-paced, action-packed novel by master crime-writer Jonathan Latimer (1906-1983). The story centers on newspaper reporter Sam Clay, who becomes his own story when he wakes up next to a corpse and with no memory of the woman's identity and of what took place the previous night. Clay knows that he is being framed for the murder but has to prove this—both to himself and to the police. Reporter Sam Clay had awakened in a strange room with a hangover and a blonde. The hangover was ugly and the blonde was dead! After a fast check Sam realized that he was the fall guy in a first-class frame-up. Then he heard the maid coming into the apartment. So he picked up a half-filled bottle of brandy and slipped into the closet. Sam didn't make a practice of knocking women unconscious with bottles. But this was an emergency. When the maid turned her back... bang! He let her have it. As she sank to the floor with a

moan, Sam wondered just how long he could stay one jump ahead of the cops! *The Year of Living Like Jesus* Crossway
With more than 300,000 copies in print, *When Helping Hurts* is a paradigm-forming contemporary classic on the subject of poverty alleviation. Poverty is much more than simply a lack of material resources, and it takes much more than donations and handouts to solve it. *When Helping Hurts* shows how some alleviation efforts, failing to consider the complexities of poverty, have actually (and unintentionally) done more harm than good. But it looks ahead. It encourages us to see the dignity in everyone, to empower the materially poor, and to know that we are all uniquely needy—and that God in the gospel is reconciling all things to himself. Focusing on both North American and Majority World contexts, *When Helping Hurts* provides proven strategies for effective poverty alleviation, catalyzing the idea that sustainable change comes not from the outside in, but from the inside out.
An Outsider's Extraordinary Journey into the Heart of the Evangelical Church Harper Collins

This is a book about sinners, for sinners, by quite a big sinner. You may not like it. You may even hate it, as some are sure to do. You may dislike the theme, for, though it introduces lovely people, it comes to grips with an unlovely subject. And solves its riddle. You may dislike the characters as they are limned in print, but not in real life. As they are all living, you may encounter them yourself someday, and discover their excellence. At least one will live on as an historic figure when this generation has merged with the ages. Perhaps many. Meanwhile, none can disprove the contents of this book or avoid its challenge. The story is true; the challenge is to you.

Not by Sight Ignatius Press

Memorable (and sometimes shocking) sermons from the most influential Puritans of the 16th to 18th centuries. Includes works by Jonathan Edwards, Thomas Shepard, Cotton Mather, John Winthrop, Jonathan Mayhew, and 5 other religious leaders.

The True Story of One Man's Exile from a Polygamist Cult and His Brave Journey to Reclaim His Life Penguin

Winner of the Prairie Schooner Book Prize

in Fiction, Karen Brown's *Little Sinners, and Other Stories* features a sad, strange mosaic of women and men grappling with the loss and pain of everyday existence, people inhabiting a suburban landscape haunted by ghosts: a mother who leaps from a ridge, a mistress found at the bottom of the Connecticut River, a father who dresses in a pale blue-custom suit—and disappears. The dead leave

behind postcards, houses, bottles of sherry, bones. They become local legends, their stories part of the characters' own: an expectant mother in an isolated cottage on Long Island Sound uncovers an unsettling secret in her backyard; a troubled housewife is lured to a dinner party by a teenage girl whose mother has vanished under mysterious circumstances; a woman and her lover swim the pools of

their neighborhood under cover of darkness; a young heiress struggles with mortality and the abandonments in her past. These stories capture the domestic world in all its blighted promise—a world where women's roles in housekeeping, marriage, childbirth, and sex have been all too well defined, and where the characters fashion, recklessly and passionately, their own methods of escape.
