From legendary wrestling announcer Jim Ross comes a candid, colorful memoir about the inner workings of the WWE and the personal crises he weathered at the height of his career. If you've caught a televised wrestling match anytime in the past THIRTY years, you've probably heard Jim Ross's throaty Oklahoma twang. The beloved longtime announcer of WWE is already an icon to generations of wrestling fans, and he's not slowing down, having just signed on as the announcer of the starry new wrestling venture All Elite Wrestling. In this follow-up to his bestselling memoir *Slobberknocker*, he dishes about not only his long career, which

includes nurturing global stars like Stone Cold Steve Austin, The Rock, and John Cena, but also about the challenges of aging and disability, his split from collaborator Vince McMahon, and the sudden death of his beloved wife, Jan. The result is a gruff, endearing, and remarkably human-scale portrait, set against the larger-than-life backdrop of professional wrestling. Ross's ascent in WWE mirrors the rise of professional wrestling itself from a DIY sideshow to a billion-dollar business. Under the *Black Hat* traces all the highs and lows of that wild ride, in which Jim served not only as on-air commentator, but talent manager, payroll master, and even occasional in-ring

foil to threats like Paul “Triple H” Levesque and Undertaker. While his role brought him riches and exposure Jim never dreamed of growing up in a small town in Oklahoma, he chafed against the strictures of a fickle corporate culture and what he saw as a narrow vision of what makes great wrestlers—and great story lines. When suddenly stricken with Bell’s palsy, a form of facial paralysis that makes it impossible to smile, he stared down his greatest fear—being cast out of the announcing booth for good. Picking up where Slobberknocker left off and ending on the cusp of a new career in a reimagined industry, *Under the Black Hat* is the triumphant tale of a

country boy who made it to the top, took a few knocks, and stuck around—just where his fans like him.

No Is a Four-Letter Word Macmillan

“Current fans and recovering Hulkamaniacs alike should find [Sex, Lies, and Headlocks] as gripping as the Camel Clutch.” —Maxim Sex, Lies, and Headlocks is the ultimate behind-the-scenes look at the backstabbing, scandals, and high-stakes gambles that have made wrestling an enduring television phenomenon. The man behind it all is Vince McMahon, a ruthless and entertaining visionary whose professional antics make some of the flamboyant characters in the ring look tame by comparison.

Throughout the book, the authors trace McMahon's rise to power and examine the appeal of the industry's biggest stars—including Ed "Strangler" Lewis, Gorgeous George, Bruno Sammartino, Ric Flair, and, most recently, Stone Cold Steve Austin and The Rock. In doing so, they show us that while WWE stock is traded to the public on Wall Street, wrestling remains a shadowy world guided by a century-old code that stresses secrecy and loyalty. With a new afterword, this is the definitive book about the history of pro wrestling. "Reading this excellent behind-the-scenes look at wrestling promoter McMahon . . . is almost as entertaining and

shocking as watching the most extreme antics of McMahon's comic-book style creations such as Steve Austin and The Rock." —Publishers Weekly "A quintessentially American success story of a cocky opportunist defying the odds and hitting it big . . . Sparkling cultural history from an author wise enough to let the facts and personalities speak for themselves."—Kirkus Reviews  
The Hardcore Truth  
Grand Central Publishing  
Under Eric Bischoff's watch as president of WCW, the company went head to head with Vince McMahon's WWE and beat them at their own game before WCW itself spectacularly imploded. But by then,

Bishoff had made an indelible mark on televised wrestling, producing shows that had appeared more dangerous, more sexy, and more edgy than anything that had come before. He did this to such an extent that in 2002, McMahon seized the chance to bring in his former nemesis as General Manager of RAW; since then, true to form, Bishoff regularly surprises fans with matches that would once have been unthinkable for television. In this revelatory look at his life and career, Bishoff frankly discusses the things he did, both right and wrong, as he helped shape the sports entertainment industry into today's billion dollar business. *Death Clutch* ECW

 "Entertaining . . . an insightful and funny observer of pro wrestling's universe." -- Publishers Weekly  
 In this insightful, riveting book, Jericho takes us into WWE wrestling arenas around the world as he details his classic rivalries with The Rock, Steve Austin, HHH, Shawn Michaels, and John Cena, along with all the politics and backstage machinations he faced outside the ring. Chris recounts his hilarious escapades of breaking in with the Hollywood elite via doomed auditions, short-lived reality shows, made-for-television movies, and red-carpet interviewing fiascos. Jam packed with CJ's trademark self-effacing humor, one-of-a-kind writing style, and

ridiculous random encounters with everyone from Arnold Schwarzenegger, Axl Rose, and Wayne Gretzky to Paul McCartney, and Howard Stern, Undisputed is one of a rare breed—a sequel that might be better than the original.

The Wrestling Biography You've Been Waiting For! There are few people who have been in the wrestling business longer than Jim Ross. And those who have made it as long as he has (half a century to be exact) probably made enemies or burned bridges. But that's just not JR. Slobberknocker is the story of how an Oklahoman farm kid, with a vivid imagination and seemingly unattainable

dreams, became "The Voice of Wrestling" to record TV audiences and millions of fans around the world. Jim opens up about his life as an only child on a working farm, who became obsessed with professional wrestling having first saw it on his grandparent's TV. Even though the wrestling business was notoriously secretive and wary of "outsiders," he somehow got a foot in the door to start a historic career, one where he held almost every job in the business—from putting up the ring to calling matches, from driving his blind, drunk boss towards revenge, to consoling two naked 600 pound brothers in the shower room after a rough match. With all those adventures and

responsibilities, he's also recognized as the man who built and nurtured a once-in-a-generation talent roster that took the WWE to new heights, including "Stone Cold" Steve Austin, Brock Lesnar, and The Rock to name a few. Readers will finally get the opportunity to hear never-before-told stories about the politics, wackiness, and personalities of all the biggest stars. But this isn't just a wrestling story. It's a story about overcoming adversity and achieving your dreams, as success did not come without significant costs and unforeseen challenges to JR, including multiple bouts of severe facial paralysis called Bell's Palsy. Currently the host of the podcast The Ross

Report, any fan of wrestling?from the territory days to today?will be enthralled with stories from the road and behind the scenes. Slobberknocker is the first time Ross tells his story?and you don't want to miss it!

The biggest pro wrestling bio since Bret Hart's Hitman: legendary Rowdy Roddy Piper's unfinished autobiography, re-conceived and completed by his children, actress/musician Ariel Teal Toombs and wrestler Colt Baird Toombs. In early 2015, Roderick Toombs, aka Rowdy Roddy Piper, began researching his own autobiography with a trip through

Western Canada. He was re-discovering his youth, a part of his life he never discussed during his 61 years, many spent as one of the greatest talents in the history of pro wrestling. Following his death due to a heart attack that July, two of his children took on the job of telling Roddy's story, separating fact from fiction in the extraordinary life of their father. Already an accomplished wrestler before Wrestlemania in 1985, Roddy Piper could infuriate a crowd like no "heel" before him. The principal antagonist to all-American champion Hulk Hogan, Piper used his quick wit, explosive ring style and fearless baiting of audiences to push pro wrestling to unprecedented success. Wrestling was

suddenly pop culture's main event. An actor with over 50 screen credits, including the lead in John Carpenter's #1 cult classic, *They Live*, Piper knew how to keep fans hungry, just as he'd kept them wishing for a complete portrait of his most unusual life. He wanted to write this book for his family; now they have written it for him. **Take It Off** Capstone One of the most popular WWE champions tells his behind-the-scenes story for the first time. Chris Jericho ECW Press "The New York Times bestselling author, wrestler, metal rocker, and over-the-top media personality shares his latest wild and hilarious adventures. World Wrestling Entertainment has

named Chris Jericho as one of the top ten wrestlers--and one of the top five talkers--of all time. Certainly, the past six years have been spectacular for Jericho. After a sluggish return from his 2005 sabbatical, Jericho found new inspiration in watching No Country for Old Men and completely reinvented his character--ultimately going on to capture three world WWE titles. The Best in the World chronicles some of the incredible and often preposterous highlights of Jericho's recent career, including: How Mickey Rourke challenged Jericho to a match, then backed out; Jericho's award-winning feud with Shawn Michaels, which culminated in Jericho knocking out Michael's

wife in the ring, for real; his escape from the 2010 Icelandic volcanoes in a broken-down, European rental-car shuttle; his encounters with Bob Barker, Ozzy Osbourne, Metallica, Al Sharpton, and Mike Tyson; and his on-again-off-again relationship with WWE chief Vince McMahon. Jericho has a one-of-a-kind comedic voice and a knack for getting himself into screwball situations--both in and out of the ring. See for yourself why he is the best in the world"--Young Bucks Crown New York Times bestselling author and six-time WWE champion Chris Jericho shares 20 of his most valuable lessons for achieving your goals and living the life you want. Chris Jericho has known what he wanted

out of life since he was a teenager: to be a pro wrestler and to be in a rock 'n' roll band. Most of his high school friends felt that he lacked the tools necessary to get into either, but Chris believed in himself. With the wise words of Master Yoda echoing through his head ("Do or do not. There is no try."), he made it happen. As a result, Chris has spent a lifetime doing instead of merely trying, managing to achieve his dreams while learning dozens of invaluable lessons along the way. No Is a Four-Letter Word distills more than two decades of showbiz wisdom and advice into twenty easy-to-carry chapters, including: Developing a strong work ethic thanks to

WWE chairman Vince McMahon, Remembering to always look like a star from Gene Simmons of KISS, Learning to let it go when the America's Funniest Home Videos hosting gig goes to his rival, Adopting a sense of perpetual reinvention from the late David Bowie, Making sure to sell himself like his NHL-legend father Ted Irvine taught him, and Going the extra mile to meet Keith Richards (with an assist from Jimmy Fallon). Now, in the hopes that those same principles might help and inspire his legions of fans, Chris has decided to share them while recounting the fantastic and hilarious stories that led to the birth of these rules. The result is a fun, entertaining,

practical, and inspiring book from the man with many scarves but only one drive: to be the best. After reading *No Is a Four-Letter Word*, you'll discover that you might have what it takes to succeed as well...you just need to get out there and do it. That's what Jericho would do.
