Most mergers and acquisitions fail to deliver their expected outcomes, yet they remain essential for growing world-class companies. It follows that those handling M&As must draw on all the tools at their disposal to improve their chances of

success. Applying the techniques of business intelligence can help managers to beat the odds. Intelligent M&A looks at the full process of a merger or acquisition from start to finish, and identifies areas where business intelligence can improve the odds of a favourable outcome. Using techniques developed by governmental intelligence services and a wide range of case studies,

quotations and anecdotes, the expert authors show how to build success into every phase of the deal.

This book is an easy-to-read and comprehensive guide to understanding how the Dark Web works and why you should be using it! Readers are led on a tour from how to download the platform for personal or public use, to how it can best be utilized for finding information. This guide busts myths

and informs readers, remaining jargon-free. *Urban Bikeway Design Guide, Second Edition* Rowman & Littlefield  
 A Month Of Italy...What can possibly be said about Italy that hasn't been already? Primarily, that you can enjoy it too! Refreshingly relate-able in a genre previously populated by wealthy expats and Hollywood stars, this book chronicles an ordinary family taking an extraordinary trip, and most importantly, paves the way for you to take one of your own! With

hilarious wit and fast-paced narrative, Brady thrills with honest commentary on what a trip of a lifetime actually feels like, and most endearingly, he succeeds in convincing you that not only should you take a similar one, but that you will! Within a few pages you'll be visualizing panoramic Tuscan vistas and breaking open the piggy bank, laughing as you turn the pages and dreaming of your own escape. This story is one of going slow in order to go fast; it's about

rediscovering and bringing back into favor a lost art, namely, the art of vacation, and it is, or rather should be, a story about you. This book is not so much about how to travel as how to live. *Technical Marketing Communication* Pearson Education  
 New York Times bestselling author, Chris Brady, leads you through the adventure of your life like a veteran tour guide and provides a fresh approach to finding meaning along the way. His creative PAiLS

illustration and ziggurat / layer-cake construct help you determine a clear direction toward living the life you've always wanted. He shows you how all that you have seen and done so far, even your mistakes, are just stepping stones for your next ascent in fulfilling your purposeful calling and contributing to the world what only you can. *The 90-minute Manager* Life

Safety on Board is a book which pictures safety cards from over 250 different British operators

together with a brief description of who they were. The book goes as far back as the earliest known safety cards in the world from Imperial Airways right up to the present day. It covers airlines, helicopter operators, air taxi, military and manufacturers. It has over 600 high quality images of safety cards, including many very rare such as all of the British Concorde prototypes; several Comets, Vanguards and all of the known Imperial Airways, BOAC and BEA

safety cards. If you are a collector of safety cards or just interested in British airline history this is the book for you.

A down-to-earth guide about the message of the stars. For astrology to be useful there's no need to have a crystal ball, incense, meditation, or faith. Learn the practical language of astrology in this clear, easy-to-understand exploration

that goes way beyond daily horoscopes and zodiac. With it, the reader will be able to calculate and read their own and others' birth charts; tell signs and planets from houses; create daily, weekly, monthly, and yearly planners- even make predictions for the future. With a glossary and further resources, this guide explores: ? Why horoscopes and descriptions of "sun signs" are usually wrong. ? Why many astrologers use the "wrong" zodiac. ? The several different houses

system. ? All the planetary aspects that go beyond the sun and moon. ? The many cycles that determine an astrological forecast.

What would you do if you had to explain Bitcoin or lose the love of your life? Marcus Coleman may not know anything about winning over his potential father-in-law, but he does know Bitcoin. Before the end of his trip to Italy, Marcus must clearly explain the greatest breakthrough in the

history of money. If he fails, the expensive engagement ring tucked away in his suitcase will never be worn. And success may prove more difficult than he assumed. As Marcus gets to know the enchanting Italian countryside, culture, and cuisine, he'll have to balance Bitcoin explanations with romance. In this whimsical book, #1 New York Times bestselling author Chris Brady shows that fun and finances can go together like marinara and mozzarella.

Precise shifts in the ways people make sense of

themselves, others, and social situations can help people flourish. This compelling handbook synthesizes the growing body of research on wise interventions--brief, nonclinical strategies that are "wise" to the impact of social-psychological processes on behavior. Leading authorities describe how maladaptive or pejorative interpretations can undermine people's functioning and how they can be altered to produce benefits in such areas as academic motivation and

achievement, health, well-being, and personal relationships. Consistently formatted chapters review the development of each intervention, how it can be implemented, its evidence base, and implications for solving personal and societal problems.

The #1 New York Times bestseller by the 6-time Super Bowl champion Tom Brady, the first book by Tampa Bay Buccaneers and former New England Patriots quarterback Tom

Brady—the 6-time Super Bowl champion who is still reaching unimaginable heights of excellence at 42 years old—a gorgeously illustrated and deeply practical “athlete’s bible” that reveals Brady’s revolutionary approach to sustained peak performance for athletes of all kinds and all ages. In this new edition of *The TB12 Method*, Tom Brady further explains and details the revolutionary training, conditioning, and wellness system that has kept him atop the NFL at an age when most players

are deep into retirement. Brady—along with the expert Body Coaches at TB12, the performance lifestyle brand he cofounded in 2013 with Alex Guerrero—explain the principles and philosophies of pliability, a paradigm-shifting fitness concept that focuses on a more natural, healthier way of exercising, training, and living. Filled with lessons from Brady’s own training regimen, *The TB12 Method* provides step-by-step guidance on how to develop and maintain one’s own peak

performance while dramatically decreasing injury risks. This illustrated, highly visual manual also offers more effective approaches to functional strength & conditioning, proper hydration, supplementation, cognitive fitness, restorative sleep, and nutritious, easy-to-execute recipes to help readers fuel-up and recover. Brady steadfastly believes that the TB12 approach has kept him competitive while extending his career, and

that it can make any athlete, male or female, in any sport and at any level achieve his or her own peak performance and do what they love, better and for longer. With instructions, drills, photos, in-depth case studies that Brady himself has used, along with personal anecdotes and experiences from his legendary career, The TB12 Method gives you a better way to train and get results with Tom Brady himself as living proof.
