The Epistles of St. Paul to the
Thessalonians, Galatians and Romans

Oxford University Press

As ancient literature and a cornerstone of
the Christian faith, the New Testament has

exerted a powerful religious and cultural impact. But how much do we really know about its origins? Who were the people who actually wrote the sacred texts that became part of the Christian Bible? The New Testament: A Very Short Introduction authoritatively addresses these questions, offering a fresh perspective on the underpinnings of this profoundly influential collection of writings. In this concise,

engaging book, noted New Testament scholar Luke Timothy Johnson takes readers on a journey back to the time of the early Roman Empire, when the New Testament was written in ordinary Greek (koine) by the first Christians. The author explains how the Gospels, Acts of the Apostles, and Revelation evolved into the canon of sacred writings for the Christian religion, and how they reflect a

reinterpretation of the symbolic world and societal forces of first-century Greco-Roman and Jewish life. Equally important, readers will find both a positive and critical reading of the New Testament--one that looks beyond its theological orientation to reveal an often-surprising diversity of viewpoints. This one-of-a-kind introduction engages four distinct dimensions of the earliest Christian writings--anthropological, historical, religious, and literary--to provide readers with a broad conceptual and factual framework. In addition, the book takes an in-depth look at compositions that have proven to be particularly relevant over the centuries, including Paul's letters to the Corinthians and Romans and the Gospels of John, Mark, Matthew, and Luke. Ideal for general readers and students alike, this fascinating resource characterizes the writing of the New Testament not as an unknowable abstraction or the product of divine intervention, but as an act of human creativity by people whose real experiences, convictions, and narratives shaped modern Christianity.

This careful, sometimes innovative, mid-level commentary touches on an astonishingly wide swath of important, sensitive issues - theological and pastoral - that have urgent resonances in twenty-first-century life. This thorough commentary presents a coherent reading of 1 Corinthians, taking full account of its Old Testament and Jewish roots and demonstrating Paula's primary concern for the unity and purity of the church and the glory of God. Those who preach and teach 1 Corinthians will be grateful to Ciampa and Rosner for years to come and scholars will be challenged to see this letter with

fresh eyes.

Pope Benedict XVI has proclaimed a year dedicated to St. Paul, beginning on June 29, 2008. Readers can celebrate the "Year of St. Paul" by praying through this unique collection of meditations by renowned biblical scholar and retired archbishop of Milan, Cardinal Carlo Maria Martini. In simple and moving language, Martini weaves together St. Paul's life, character, and teachings in such a way that we come to know the apostle as a human being with the same hopes and struggles that we have. At the end of each chapter, Cardinal

Martini leads us through a series of questions to help us reflect on our own lives in light of St. Paul's experiences. The depth and significance of St. Paul's New Testament teachings—and their relevance to our lives today—come to light in these meditations, most of which are being published in English for the first time. *According to St. Paul* Abingdon Press Paul's understanding of holiness stems from the holiness of God as revealed in the Old Testament. Using varied terminology, Paul describes the holiness that should characterize the believers as the people of God. God expects moral integrity of his people, because he has provided believers with his Holy Spirit to enable them to live exemplary, Christlike lives in this present world, though polluted, as they prepare for the world to come. Believers, who, like Paul, anticipate the Parousia, must not only desire but also pray that holiness becomes a reality in their lives, cognizant of the fact that holiness is a matter of practice, not merely a status that one attains upon justification. Thus, holiness is an imperative for the people of God. [The Letters of Saint Paul to the Galatians and to the Ephesians](#) Zondervan
